

STATE OF NEW YORK

IN ASSEMBLY

July 16, 2020

Introduced by COMMITTEE ON RULES -- (at request of M. of A. Niou) --
read once and referred to the Committee on Housing

AN ACT to establish the Rent and Mortgage Cancellation Act of 2020

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "Rent and
2 Mortgage Cancellation Act of 2020".

3 § 2. Legislative findings. The legislature hereby finds that a serious
4 public emergency exists in the state of New York due to the impact of
5 the global outbreak of novel coronavirus, COVID-19, which as of the date
6 of this legislation, created destabilized housing, loss of employment
7 and income, closure of businesses and schools, and greatly exacerbated
8 financial insecurity in the state of New York. The legislature further
9 finds that it is currently impossible to accurately assess the full
10 scope, duration, and severity of impact this public emergency has and
11 will have on the residents of New York and that, in response to this
12 crisis, on March 7, 2020 the executive declared a 'State Disaster Emer-
13 gency' which has put extraordinary constraints on individuals, families,
14 homeowners, not-for-profits, residential housing cooperatives, and
15 local, state, and federal agencies. The legislature further finds that
16 the loss of employment, illness and deaths caused by the COVID-19
17 outbreak have rendered many individuals and families unable to pay for
18 the costs of housing and other life necessities. The legislature further
19 finds that safe and affordable housing is a key measure of positive
20 individual, family, and public health outcomes. The legislature further
21 finds that without government intervention, individuals and families who
22 are unable to pay the costs of housing will be displaced, which will
23 result in an increase in families who are cohabiting with one or more
24 other families and an increase in the population of unhoused individuals
25 and families, both of which will accelerate the spread of COVID-19
26 infection and, therefore, measures to prevent such individual and house-
27 hold displacement are necessary to prevent increased COVID-19 trans-
28 mission. The legislature further finds that without rent and mortgage
29 relief, the number of eviction case filings for nonpayment of rent and

1 the number of mortgage foreclosures will increase tremendously, result-
2 ing in overburdened court systems which will not have the resources or
3 space to operate functionally and also resulting in massive congestion
4 and increased human contact in courthouse spaces, both of which will
5 exacerbate the spread of COVID-19 creating a worsened public health
6 hazard. The legislature further finds that a tremendous increase in
7 evictions and foreclosures will overburden social services agencies and
8 resources and that the shelter system does not have the capacity to
9 accommodate a significantly increased homeless population, both of which
10 will also worsen the spread of COVID-19. The legislature further finds
11 that public housing authorities have incurred expenses resulting from
12 the COVID-19 outbreak and have lost rental income due to widespread
13 financial hardship suffered by public housing tenants and occupants as a
14 result of the COVID-19 outbreak. The legislature declares that it is
15 both in the public interest and the responsibility of government to
16 provide and secure federal and state emergency funding to ensure that
17 individuals and families are not rendered homeless or severely finan-
18 cially burdened because of an inability to pay for the cost of housing
19 and other necessities due to the COVID-19 outbreak and to ensure that
20 public housing entities, not-for-profits, residential cooperatives, and
21 landlords unable to afford necessary expenses as a result of COVID-19
22 outbreak, not be encumbered with severe financial burden, and to promote
23 the stability and proper maintenance of the housing stock and assist
24 communities in recovering from the adverse social and economic impacts
25 of the COVID-19 outbreak, and that, consistent with articles 17 and 18
26 of the state constitution, it is therefore incumbent on the legislature
27 and the executive to implement protections and to provide rent and mort-
28 gage relief so as to reduce the harm to New York residents and ensure
29 safe, decent, sanitary, affordable housing and financial stability
30 during the novel coronavirus, COVID-19, crisis and all other public
31 emergencies.
