

# STATE OF NEW YORK

10841--A

## IN ASSEMBLY

July 24, 2020

Introduced by COMMITTEE ON RULES -- (at request of M. of A. Walker, Dickens, Frontus, Perry, Cruz, Richardson, Reyes) -- read once and referred to the Committee on Election Law -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the election law, in relation to establishing the John R. Lewis Voting Rights Act of New York, establishing rights of action for denying or abridging of the right of any member of a protected class to vote, establishing and maintaining a statewide database of voting and election data, providing assistance to language-minority groups, requiring certain political subdivisions to receive preclearance for potential violations of the NYVRA, and creating civil liability for voter intimidation

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "John R.  
2 Lewis Voting Rights Act of New York (NYVRA)".

3 § 2. Sections 17-100 through 17-170 of article 17 of the election law  
4 are designated title 1 and a new title heading is added to read as  
5 follows:

6 VIOLATIONS OF THE ELECTIVE FRANCHISE

7 § 3. The article heading of article 17 of the election law is amended  
8 to read as follows:

9 [~~VIOLATIONS OF~~] PROTECTING THE ELECTIVE FRANCHISE

10 § 4. Article 17 of the election law is amended by adding a new title 2  
11 to read as follows:

12 TITLE 2

13 JOHN R. LEWIS VOTING RIGHTS ACT OF NEW YORK

14 Section 17-200. Legislative purpose and statement of public policy.

15 17-202. Interpretation of laws related to elective franchise.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD14845-05-0

17-204. Definitions.

17-206. Rights of action.

17-208. Maintenance of voting and election data.

17-210. Assistance for language-minority groups.

17-212. Preclearance.

17-214. Civil liability for voter intimidation.

17-216. Attorneys' fees.

17-218. Applicability.

17-220. Severability.

§ 17-200. Legislative purpose and statement of public policy. In recognition of the protections for the right to vote provided by the constitution of the state of New York, which substantially exceed the protections for the right to vote provided by the constitution of the United States, and in conjunction with the constitutional guarantees of equal protection, freedom of expression, and freedom of association under the law and against the denial or abridgement of the voting rights of members of a race, ethnicity, or language-minority group, it is the public policy of the state of New York to:

1. Encourage participation in the elective franchise by all eligible voters to the maximum extent; and

2. Ensure that eligible voters who are members of racial, ethnic, and language-minority groups shall have an equal opportunity to participate in the political processes of the state of New York, and especially to exercise the elective franchise.

§ 17-202. Interpretation of laws related to elective franchise. In further recognition of the protections for the right to vote provided by the constitution of the state of New York, statutes related to the elective franchise shall be construed liberally in favor of protecting the right to cast an effective ballot.

§ 17-204. Definitions. For the purposes of this title:

1. "At-large" method of election means a method of electing members to the governing body of a political subdivision: (a) in which all of the voters of the entire political subdivision elect each of the members to the governing body; (b) in which the candidates are required to reside within given areas of the political subdivision and all of the voters of the entire political subdivision elect each of the members to the governing body; or (c) that combines at-large elections with district-based elections, unless the only member of the governing body of a political subdivision elected at-large holds exclusively executive responsibilities. At-large method of election does not include ranked-choice voting, cumulative voting, and limited voting.

2. "District-based" method of election means a method of electing members to the governing body of a political subdivision using an apportionment plan in which each member of the governing body resides within a district or ward that is a divisible part of the political subdivision and is elected only by voters residing within that district or ward, except for a member of the governing body that holds exclusively executive responsibilities.

3. "Alternative" method of election means a method of electing members to the governing body of a political subdivision using a method other than at-large or district-based, including, but not limited to, ranked-choice voting, cumulative voting, and limited voting.

4. "Political subdivision" means a geographic area of representation created for the provision of government services, including, but not limited to, a county, city, town, village, school district, or any other district organized pursuant to state or local law.

1 5. "Protected class" means a class of eligible voters who are members  
2 of a race, ethnicity, or language-minority group, as referenced and  
3 defined in the federal voting rights act.

4 6. "Racially polarized voting" means voting in which there is a  
5 difference in the candidate or electoral choice preferred by members in  
6 a protected class, and the candidate or electoral choice preferred by  
7 the rest of the electorate. The methodologies for estimating group  
8 voting behavior as approved in applicable federal cases to enforce the  
9 federal voting rights act to establish racially polarized voting may be  
10 used for purposes of this subdivision to prove that elections are char-  
11 acterized by racially polarized voting, but those methodologies shall  
12 not be the exclusive means of proving racially polarized voting.

13 7. "Federal voting rights act" means the federal Voting Rights Act of  
14 1965, 52 U.S.C. § 10301 et seq.

15 8. The "civil rights bureau" means the civil rights bureau of the  
16 office of the attorney general.

17 § 17-206. Rights of action. 1. Right of action against voter  
18 suppression. (a) No voting qualification, prerequisite to voting, law,  
19 ordinance, standard, practice, procedure, regulation, or policy shall be  
20 enacted or implemented by any board of elections or political subdivi-  
21 sion in a manner that results in a denial or abridgement of the right of  
22 any member of a protected class to vote.

23 (b) A violation is established if, based on the totality of the  
24 circumstances, members of a protected class have less opportunity than  
25 other members of the electorate to participate in the political process  
26 or elect candidates or electoral choices preferred by members of the  
27 protected class.

28 (c) Circumstances that may be considered include, but are not limited  
29 to, the extent to which members of a protected class have been elected  
30 to office in the state or political subdivision and the extent to which  
31 members of a protected class in the state or political subdivision vote  
32 at lower rates than other members of the electorate.

33 (d) For political subdivisions where either the primary or general  
34 election is held on a date that is not concurrent with the primary or  
35 general election dates for state, county, or city office as established  
36 in section eight of article three or section eight of article thirteen  
37 of the constitution, and in state law, there shall be a presumption that  
38 the date of election results in the denial or abridgement of the right  
39 to vote where for three consecutive general elections in which there is  
40 at least one contested race for an office, the number of actual voters  
41 in each contested election is less than twenty-five percent of the total  
42 number of votes cast in the most recent general election for the presi-  
43 dency of the United States by voters in the political subdivision, or in  
44 which, for any protected class consisting of at least twenty-five thou-  
45 sand citizens of voting age or whose members comprise at least ten  
46 percent of the citizen voting age population, the percent of members of  
47 that protected class that are actual voters is at least twenty-five  
48 percent lower than the percent of citizens of voting age that are not  
49 members of that protected class that are actual voters.

50 2. Right of action against vote dilution. (a) A method of election,  
51 including at-large, district-based, or alternative, shall not have the  
52 effect of impairing the ability of members of a protected class to elect  
53 candidates of their choice or influence the outcome of elections, as a  
54 result of the dilution or the abridgment of the rights of members of the  
55 protected class.

56 (b) A violation of this subdivision shall be:

1 (i) established if a political subdivision uses an at-large method of  
2 election and it is shown that either: (A) voting patterns of members of  
3 the protected class within the political subdivision are racially polar-  
4 ized; or (B) under the totality of the circumstances, the ability of  
5 members of the protected class to elect candidates of their choice or  
6 influence the outcome of elections is impaired.

7 (ii) established if a political subdivision uses a district-based or  
8 alternative method of election and it is shown that candidates or elec-  
9 toral choices preferred by members of the protected class would usually  
10 be defeated, and either: (A) voting patterns of members of the protected  
11 class within the political subdivision are racially polarized; or (B)  
12 under the totality of the circumstances, the ability of members of the  
13 protected class to elect candidates of their choice or influence the  
14 outcome of elections is impaired.

15 (iii) presumptively established if it is shown that the political  
16 subdivision used race, ethnicity, or language-minority group, or another  
17 characteristic that serves as a proxy for race, ethnicity, or language-  
18 minority group, for the purpose of apportionment. A political subdivi-  
19 sion shall only rebut this presumption by showing that race, ethnicity,  
20 or language-minority group, or another characteristic that serves as a  
21 proxy for race, ethnicity, or language-minority group, was used to the  
22 extent necessary to comply with this title, the federal voting rights  
23 act, the constitution, or the constitution of the United States.

24 (c) In assessing whether voting patterns of members of the protected  
25 class within the political subdivision are racially polarized or whether  
26 candidates or electoral choices preferred by members of the protected  
27 class would usually be defeated: (i) elections conducted prior to the  
28 filing of an action pursuant to this subdivision are more probative than  
29 elections conducted after the filing of the action; (ii) evidence  
30 concerning elections for members of the governing body of the political  
31 subdivision are more probative than evidence concerning other elections;  
32 (iii) statistical evidence is more probative than non-statistical  
33 evidence; (iv) where there is evidence that more than one protected  
34 class of eligible voters are politically cohesive in the political  
35 subdivision, members of each of those protected classes may be combined;  
36 (v) evidence concerning the intent on the part of the voters, elected  
37 officials, or the political subdivision to discriminate against a  
38 protected class is not required; (vi) evidence that voting patterns and  
39 election outcomes could be explained by factors other than racially  
40 polarized voting, including but not limited to partisanship, shall not  
41 be considered; (vii) evidence that sub-groups within a protected class  
42 have different voting patterns shall not be considered; (viii) evidence  
43 concerning whether members of a protected class are geographically  
44 compact or concentrated shall not be considered, but may be a factor in  
45 determining an appropriate remedy; and (ix) evidence concerning project-  
46 ed changes in population or demographics shall not be considered, but  
47 may be a factor, in determining an appropriate remedy.

48 (d) In assessing whether, under the totality of the circumstances, the  
49 ability of members of the protected class to elect candidates of their  
50 choice or influence the outcome of elections is impaired, factors that  
51 may be considered shall include, but not be limited to: (i) the history  
52 of discrimination in the political subdivision, geographic region, or  
53 the state; (ii) the extent to which members of the protected class have  
54 been elected to office in the political subdivision; (iii) the use of  
55 any voting qualification, prerequisite to voting, law, ordinance, stand-  
56 ard, practice, procedure, regulation, or policy that may enhance the

1 dilutive effects of the election scheme; (iv) denial of access of either  
2 eligible voters or candidates who are members of the protected class to  
3 those processes determining which groups of candidates will receive  
4 access to the ballot, financial support, or other support in a given  
5 election; (v) the extent to which members of the protected class  
6 contribute to political campaigns at lower rates; (vi) the extent to  
7 which members of a protected class in the state or political subdivision  
8 vote at lower rates than other members of the electorate; (vii) the  
9 extent to which members of the protected class are disadvantaged in  
10 areas including but not limited to education, employment, health, crimi-  
11 nal justice, housing, land use, or environmental protection; (viii) the  
12 extent to which members of the protected class are disadvantaged in  
13 other areas which may hinder their ability to participate effectively in  
14 the political process; (ix) the use of overt or subtle racial appeals in  
15 political campaigns; (x) a significant lack of responsiveness on the  
16 part of elected officials to the particularized needs of members of the  
17 protected class; and (xi) whether the political subdivision has a  
18 compelling policy justification for adopting or maintaining the method  
19 of election. No factor is dispositive or necessary to establish the  
20 existence of racially polarized voting. Evidence of these factors  
21 concerning the state, private actors, or other political subdivisions in  
22 the geographic region may be considered but is less probative than  
23 evidence concerning the political subdivision itself.

24 3. Standing. Any aggrieved person, organization whose membership  
25 includes or is likely to include aggrieved persons, organization whose  
26 mission would be frustrated by a violation of this section, organization  
27 that would expend resources in order to fulfill its mission as a result  
28 of a violation of this section, or the attorney general may file an  
29 action pursuant to this section in the supreme court of the county in  
30 which the political subdivision is located.

31 4. Remedies. (a) Upon a finding of a violation of any provision of  
32 this section, the court shall implement appropriate remedies that are  
33 tailored to remedy the violation. Remedies may include, but shall not be  
34 limited to:

- 35 (i) a district-based method of election;
- 36 (ii) an alternative method of election;
- 37 (iii) new or revised apportionment plans;
- 38 (iv) elimination of staggered elections so that all members of the  
39 governing body are elected on the same date;
- 40 (v) increasing the size of the governing body;
- 41 (vi) moving the dates of elections to be concurrent with the primary  
42 or general election dates for state, county, or city office as estab-  
43 lished in section eight of article three or section eight of article  
44 thirteen of the constitution;
- 45 (vii) additional voting hours or days;
- 46 (viii) additional polling locations;
- 47 (ix) additional means of voting such as voting by mail;
- 48 (x) ordering of special elections;
- 49 (xi) requiring expanded opportunities for voter registration;
- 50 (xii) requiring additional voter education;
- 51 (xiii) modifying the election calendar; or
- 52 (xiv) the restoration or addition of persons to registration lists.

53 (b) The court shall only adopt a remedy that will not diminish the  
54 ability of minority groups to participate in the political process and  
55 to elect their preferred candidates to office. The court shall consider  
56 proposed remedies by any parties and interested non-parties, and shall

1 not provide deference or priority to a proposed remedy because it is  
2 proposed by the political subdivision. This title gives the court  
3 authority to implement remedies notwithstanding any other provision of  
4 state or local law.

5 5. Procedures for implementing new or revised apportionment plans. The  
6 governing body of a political subdivision with the authority under this  
7 title and all applicable state and local laws to enact and implement a  
8 new method of election that will replace the political subdivision's  
9 at-large method of election with a district-based or alternative method  
10 of election, or enact and implement a new apportionment plan, shall  
11 undertake each of the steps enumerated in this subdivision, if proposed  
12 subsequent to receipt of a NYVRA notification letter, as defined in  
13 subdivision six of this section, or the filing of a claim pursuant to  
14 this title or the federal voting rights act.

15 (a) Before drawing a draft apportionment plan or plans of the proposed  
16 boundaries of the districts, the political subdivision shall hold at  
17 least two public hearings over a period of no more than thirty days, at  
18 which the public is invited to provide input regarding the composition  
19 of the districts. Before these hearings, the political subdivision may  
20 conduct outreach to the public, including to non-English-speaking commu-  
21 nities, to explain the apportionment process and to encourage public  
22 participation.

23 (b) After all draft apportionment plans are drawn, the political  
24 subdivision shall publish and make available for release at least one  
25 draft apportionment plan and, if members of the governing body of the  
26 political subdivision will be elected in their districts at different  
27 times to provide for staggered terms of office, the potential sequence  
28 of the elections. The political subdivision shall also hold at least two  
29 additional hearings over a period of no more than forty-five days, at  
30 which the public is invited to provide input regarding the content of  
31 the draft apportionment plan or plans and the proposed sequence of  
32 elections, if applicable. The draft apportionment plan or plans shall  
33 be published at least seven days before consideration at a hearing. If  
34 the draft apportionment plan or plans are revised at or following a  
35 hearing, the revised versions shall be published and made available to  
36 the public for at least seven days before being adopted.

37 (c) In determining the final sequence of the district elections  
38 conducted in a political subdivision in which members of the governing  
39 body will be elected at different times to provide for staggered terms  
40 of office, the governing body shall give special consideration to the  
41 purposes of this title, and it shall take into account the preferences  
42 expressed by members of the districts.

43 6. Notification requirement and safe harbor for judicial actions.  
44 Before commencing a judicial action against a political subdivision  
45 under this section, a prospective plaintiff shall send by certified mail  
46 a written notice to the clerk of the political subdivision, or, if the  
47 political subdivision does not have a clerk, the governing body of the  
48 political subdivision, against which the action would be brought,  
49 asserting that the political subdivision may be in violation of this  
50 title. This written notice shall be referred to as a "NYVRA notification  
51 letter" in this title. For actions against a school district or any  
52 other political subdivision that holds elections governed by the educa-  
53 tion law, the prospective plaintiff shall also send by certified mail a  
54 copy of the NYVRA notification letter to the commissioner of education.

1 (a) A prospective plaintiff shall not commence a judicial action  
2 against a political subdivision under this section within fifty days of  
3 sending to the political subdivision a NYVRA notification letter.

4 (b) Before receiving a NYVRA notification letter, or within fifty days  
5 of mailing of a NYVRA notification letter, the governing body of a poli-  
6 tical subdivision may pass a resolution affirming: (i) the political  
7 subdivision's intention to enact and implement a remedy for a potential  
8 violation of this title; (ii) specific steps it will undertake to facil-  
9 itate approval and implementation of such a remedy; and (iii) a schedule  
10 for enacting and implementing such a remedy. Such a resolution shall be  
11 referred to as a "NYVRA resolution" in this title. If a political subdi-  
12 vision passes a NYVRA resolution, a prospective plaintiff shall not  
13 commence an action to enforce this section against the political subdi-  
14 vision within ninety days of the resolution's passage. For actions  
15 against a school district, the commissioner of education may order the  
16 enactment of an NYVRA resolution pursuant to the commissioner's authori-  
17 ty under section three hundred five of the education law.

18 (c) If the governing body of a political subdivision lacks the author-  
19 ity under this title or applicable state law or local laws to enact or  
20 implement a remedy identified in a NYVRA resolution within ninety days  
21 after the passage of the NYVRA resolution, or if the political subdivi-  
22 sion is a covered entity as defined under section 17-212 of this title,  
23 the governing body of the political subdivision may undertake the steps  
24 enumerated in the following provisions upon passage of a NYVRA resol-  
25 ution:

26 (i) The governing body of the political subdivision may approve a  
27 proposed remedy that complies with this title and submit such a proposed  
28 remedy to the civil rights bureau. Such a submission shall be referred  
29 to as a "NYVRA proposal" in this title.

30 (ii) Prior to passing a NYVRA proposal, the political subdivision  
31 shall hold at least one public hearing, at which the public is invited  
32 to provide input regarding the NYVRA proposal. Before this hearing, the  
33 political subdivision may conduct outreach to the public, including to  
34 non-English-speaking communities, to encourage public participation.

35 (iii) Within sixty days of receipt of a NYVRA proposal, the civil  
36 rights bureau shall either grant or deny approval of the NYVRA proposal.

37 (iv) The civil rights bureau shall only grant approval to the NYVRA  
38 proposal if it concludes that: (A) the political subdivision may be in  
39 violation of this title; (B) the NYVRA proposal would remedy any poten-  
40 tial violation of this title; (C) the NYVRA proposal is unlikely to  
41 violate the constitution or any federal law; (D) the NYVRA proposal will  
42 not diminish the ability of minority groups to participate in the poli-  
43 tical process and to elect their preferred candidates to office; and (E)  
44 implementation of the NYVRA proposal is feasible. The civil rights  
45 bureau may grant approval to the NYVRA proposal notwithstanding any  
46 other provision of state or local law.

47 (v) If the civil rights bureau grants approval, the NYVRA proposal  
48 shall be enacted and implemented immediately, notwithstanding any other  
49 provision of state or local law. If the political subdivision is a  
50 covered entity as defined under section 17-212 of this title, there  
51 shall be no need for the political subdivision to also obtain preclear-  
52 ance for the NYVRA proposal pursuant to such section.

53 (vi) If the civil rights bureau denies approval, the NYVRA proposal  
54 shall not be enacted or implemented. The civil rights bureau may, in its  
55 discretion, interpose objections explaining its basis or indicate another  
56 NYVRA proposal for which it would grant approval.

1 (vii) If the civil rights bureau does not respond, the NYVRA proposal  
2 shall not be enacted or implemented.

3 (d) A political subdivision that has passed a NYVRA resolution may  
4 enter into an agreement with a prospective plaintiff who sends a NYVRA  
5 notification letter providing that such a prospective plaintiff shall  
6 not commence an action to enforce this section against the political  
7 subdivision for an additional ninety days. This written agreement may be  
8 referred to as a "NYVRA extension agreement". The NYVRA extension agree-  
9 ment shall include a requirement that either the political subdivision  
10 shall enact and implement a remedy that complies with this title or the  
11 political subdivision shall pass a NYVRA proposal and submit it to the  
12 civil rights bureau.

13 (e) If, pursuant to a process commenced by a NYVRA notification  
14 letter, a political subdivision enacts or implements a remedy or the  
15 civil rights bureau grants approval to a NYVRA proposal, a prospective  
16 plaintiff who sent the NYVRA notification letter may, within thirty days  
17 of the enactment or implementation of the remedy or approval of the  
18 NYVRA proposal, demand reimbursement for the cost of the work product  
19 generated to support the NYVRA notification letter. A prospective plain-  
20 tiff shall make the demand in writing and shall substantiate the demand  
21 with financial documentation, such as a detailed invoice for demography  
22 services or for the analysis of voting patterns in the political subdivi-  
23 vision. A political subdivision may request additional documentation if  
24 the provided documentation is insufficient to corroborate the claimed  
25 costs. A political subdivision shall reimburse a prospective plaintiff  
26 for reasonable costs claimed, or in an amount to which the parties mutu-  
27 ally agree, within forty-five days of receiving the written demand,  
28 except that if more than one prospective plaintiff is entitled to  
29 reimbursement, the political subdivision shall reimburse the prospective  
30 plaintiffs in the order in which they sent NYVRA notification letters  
31 and the forty-five day time period described herein shall apply only to  
32 reimbursement of the first prospective plaintiff who sent a written  
33 notice. The cumulative amount of reimbursements to all prospective  
34 plaintiffs, except for actions brought by the attorney general, shall  
35 not exceed forty-three thousand dollars, as adjusted annually to the  
36 consumer price index for all urban consumers, United States city aver-  
37 age, as published by the United States department of labor.

38 (f) Notwithstanding the provisions of this subdivision, if the first  
39 day for designating petitions for a political subdivision's next regular  
40 election to select members of its governing board has begun or is sched-  
41 uled to begin within thirty days, or if a political subdivision is sche-  
42 duled to conduct any election within one hundred twenty days, a plain-  
43 tiff alleging that the mode of election or apportionment plan in effect  
44 for that election will violate this title may commence a judicial action  
45 against a political subdivision under this section, provided that the  
46 relief sought by such a plaintiff includes preliminary relief for that  
47 election. Prior to or concurrent with commencing such a judicial action,  
48 any such plaintiff shall also submit a NYVRA notification letter to the  
49 political subdivision. If a judicial action commenced under this  
50 provision is withdrawn or dismissed for mootness because the political  
51 subdivision has enacted or implemented a remedy or the civil rights  
52 bureau has granted approval of a NYVRA proposal pursuant to a process  
53 commenced by a NYVRA notification letter, any such plaintiff may only  
54 demand reimbursement pursuant to this subdivision.

55 7. Expedited judicial proceedings and preliminary relief. Because of  
56 the frequency of elections, the severe consequences and irreparable harm

1 of holding elections under unlawful conditions, and the expenditure to  
2 defend potentially unlawful conditions that benefit incumbent officials,  
3 actions brought pursuant to this section shall be subject to expedited  
4 pretrial and trial proceedings and receive an automatic calendar prefer-  
5 ence. In any action alleging a violation of this section in which a  
6 plaintiff party seeks preliminary relief with respect to an upcoming  
7 election, the court shall grant relief if it determines that: (a) plain-  
8 tiffs are more likely than not to succeed on the merits; and (b) it is  
9 possible to implement an appropriate remedy that would resolve the  
10 alleged violation in the upcoming election.

11 § 17-208. Maintenance of voting and election data. 1. Establishment  
12 of a statewide database. There shall be established within the state  
13 university of New York a repository of the data necessary to assist the  
14 state and all political subdivisions with evaluating whether and to what  
15 extent existing laws and practices with respect to voting and elections  
16 are consistent with the public policy expressed in this title, imple-  
17 menting best practices in voting and elections to achieve the purposes  
18 of this title, and to investigate potential infringements upon the right  
19 to vote. This repository shall be referred to as the "statewide data-  
20 base" in this title.

21 2. Director of the statewide database. The operation of the statewide  
22 database shall be the responsibility of the director of the statewide  
23 database, hereinafter referred to in this title as the "director", who  
24 shall be a member of the faculty of the state university of New York  
25 with doctoral-level expertise in demography, statistical analysis, and  
26 electoral systems. The director shall be appointed by the governor.

27 3. Statewide database staff. The director shall appoint such staff as  
28 are necessary to implement and maintain the statewide database.

29 4. Data, information, and estimates maintained. The statewide database  
30 shall maintain in electronic format at least the following data and  
31 records for at least the previous twelve year period:

32 (a) Estimates of the total population, voting age population, and  
33 citizen voting age population by race, ethnicity, and language-minority  
34 group, broken down to the election district level on a year-by-year  
35 basis for every political subdivision in the state, based on data from  
36 the United States census bureau, American community survey, or data of  
37 comparable quality collected by a public office.

38 (b) Election results at the election district level for every state-  
39 wide election and every election in every political subdivision.

40 (c) Contemporaneous voter registration lists, voter history files,  
41 election day poll site locations, and early voting site locations, for  
42 every election in every political subdivision.

43 (d) Contemporaneous maps, descriptions of boundaries, and shapefiles  
44 for election districts.

45 (e) Election day or early voting poll sites including, but not limited  
46 to, lists of election districts assigned to each polling place, if  
47 applicable.

48 (f) Apportionment plans for every election in every political subdivi-  
49 sion.

50 (g) Any other data that the director deems advisable to maintain in  
51 furtherance of the purposes of this title.

52 5. Public availability of data. Except for any data, information, or  
53 estimates that identifies individual voters, the data, information, and  
54 estimates maintained by the statewide database shall be posted online  
55 and made available to the public at no cost.

1 6. Data on race, ethnicity, and language-minority groups. The state-  
2 wide database shall prepare any estimates made pursuant to this section  
3 by applying the most advanced, peer-reviewed, and validated methodol-  
4 ogies.

5 7. Calculation and publication of political subdivisions required to  
6 provide assistance to language-minority groups. On or before February  
7 twenty-eighth, two thousand twenty-one and every third year thereafter,  
8 the statewide database shall publish on its web site and transmit to the  
9 state board of elections for dissemination to the county boards of  
10 elections and for the state education department a list of political  
11 subdivisions required pursuant to this section to provide assistance to  
12 members of language-minority groups and each language in which those  
13 political subdivisions are required to provide assistance. The boards of  
14 elections shall transmit the list described herein to all political  
15 subdivisions within their jurisdiction.

16 8. Duty to send data and information to statewide database. Upon the  
17 certification of election results and the completion of the voter histo-  
18 ry file after each election, each election authority shall transmit  
19 copies of: (a) election results at the election district level; (b)  
20 contemporaneous voter registration lists; (c) voter history files; (d)  
21 maps, descriptions, and shapefiles for election districts; and (e) lists  
22 of election day poll site and early voting sites and lists, shapefiles,  
23 or descriptions of the election districts assigned to each election day  
24 poll site or early voting site. As used in this subdivision, the term  
25 "election authority" refers to the agency primarily responsible for  
26 maintaining the records listed in subdivision four of this section and  
27 include any board of election, as well as general purpose local govern-  
28 ments or special purpose local governments that administer their own  
29 elections or maintain their own voting and election records.

30 9. Technical assistance to political subdivisions. Staff at the state-  
31 wide database may provide non-partisan technical assistance to political  
32 subdivisions, scholars, and the general public seeking to use the  
33 resources of the statewide database.

34 10. Presumption of validity. The data, information, and estimates  
35 maintained by the statewide database shall be granted a rebuttable  
36 presumption of validity by any court concerning any claim brought pursu-  
37 ant to this title.

38 § 17-210. Assistance for language-minority groups. 1. Political subdi-  
39 visions required to provide language assistance. A board of elections or  
40 a political subdivision that administers elections shall provide  
41 language-related assistance in voting and elections to a language-minor-  
42 ity group in a political subdivision if the director determines, based  
43 on data from the American community survey, or data of comparable quali-  
44 ty collected by a public office, that:

45 (a) more than two percent of the citizens of voting age of a political  
46 subdivision are members of a single language-minority group and speak  
47 English "less than very well" according to the American community  
48 survey;

49 (b) more than four thousand of the citizens of voting age of such  
50 political subdivision are members of a single language-minority group  
51 and speak English "less than very well" according to the American commu-  
52 nity survey; or

53 (c) in the case of a political subdivision that contains all or any  
54 part of a Native American reservation, more than two percent of the  
55 Native American citizens of voting age within the Native American reser-  
56 vation are members of a single language-minority group and speak English

1 "less than very well" according to the American community survey. For  
2 the purposes of this paragraph, "Native American" is defined to include  
3 any persons recognized by the United States census bureau or New York as  
4 "American Indian" or "Alaska Native".

5 2. Language assistance to be provided. When the director determines  
6 that a board of elections or political subdivision shall provide  
7 language assistance to a particular minority group, such board of  
8 elections or political subdivision shall provide voting materials in the  
9 covered language of an equal quality of the corresponding English  
10 language materials, including registration or voting notices, forms,  
11 instructions, assistance, or other materials or information relating to  
12 the electoral process, including ballots. Whenever any such board of  
13 elections or political subdivision provides any registration or voting  
14 notices, forms, instructions, assistance, or other materials or informa-  
15 tion relating to the electoral process, including ballots, in a covered  
16 political subdivision, it shall provide them in the language of the  
17 applicable minority group as well as in the English language, provided  
18 that where the language of the applicable minority group is oral or  
19 unwritten or in the case of some American Indians, if the predominant  
20 language is historically unwritten, the board of elections or political  
21 subdivision is only required to furnish oral instructions, assistance,  
22 or other information relating to registration and voting.

23 3. Action for declaratory judgment for English-only voting materials.  
24 A board of elections or political subdivision that shall provide  
25 language assistance to a particular minority group, which seeks to  
26 provide English-only materials notwithstanding the determination of the  
27 director, may file an action against the state for a declaratory judg-  
28 ment permitting such provision. The court shall grant the requested  
29 relief if it finds that the determination of the director was unreason-  
30 able or an abuse of discretion.

31 § 17-212. Preclearance. 1. Preclearance. To ensure that the right to  
32 vote is not denied or abridged on account of race, ethnicity, or  
33 language-minority group, as a result of the enactment or implementation  
34 of a covered policy, as defined in subdivision two of this section,  
35 after the effective date of this section, the enactment or implementa-  
36 tion of a covered policy by a covered entity, as defined in subdivision  
37 three of this section, shall be subject to preclearance by the civil  
38 rights bureau or by a designated court as set forth in this section.

39 2. Covered policies. A "covered policy" shall include any new or modi-  
40 fied voting qualification, prerequisite to voting, law, ordinance, stan-  
41 dard, practice, procedure, regulation, or policy concerning any of the  
42 following topics:

- 43 (a) Apportionment;
- 44 (b) Method of election;
- 45 (c) Form of government;
- 46 (d) Annexation of a political subdivision;
- 47 (e) Incorporation of a political subdivision;
- 48 (f) Consolidation or division of political subdivisions;
- 49 (g) Removal of voters from enrollment lists or other list maintenance  
50 activities;
- 51 (h) Number, location, or hours of any election day or early voting  
52 poll site;
- 53 (i) Dates of elections and the election calendar, except with respect  
54 to special elections;
- 55 (j) Registration of voters;

1 (k) Assignment of election districts to election day or early voting  
2 poll sites;

3 (l) Assistance offered to members of a language-minority group;

4 (m) Changes to the governmental powers of elected officials; and

5 (n) The civil rights bureau may designate additional topics for inclu-  
6 sion in this list pursuant to a rule promulgated under the state admin-  
7 istrative procedure act, if it determines that a new or modified voting  
8 qualification, prerequisite to voting, law, ordinance, standard, prac-  
9 tice, procedure, regulation, or policy concerning such topics may have  
10 the effect of denying or abridging the right to vote on account of race,  
11 ethnicity, or language-minority group.

12 3. Covered entity. A "covered entity" shall include: (a) any political  
13 subdivision which, within the previous twenty-five years, has become  
14 subject to a court order or government enforcement action based upon a  
15 finding of any violation of this title, the federal voting rights act,  
16 the fifteenth amendment to the United States constitution, or a voting-  
17 related violation of the fourteenth amendment to the United States  
18 constitution; (b) any political subdivision which, within the previous  
19 five years, has failed to comply with its obligations to provide data or  
20 information to the statewide database, as stated in section 17-208 of  
21 this title; (c) any political subdivision which, within the previous  
22 twenty-five years, has become subject to at least three court orders or  
23 government enforcement actions based upon a finding of any violation of  
24 any state or federal civil rights law or the fourteenth amendment to the  
25 United States constitution concerning discrimination against members of  
26 a protected class; (d) any county in which, based on data provided by  
27 the division of criminal justice services, the combined misdemeanor and  
28 felony arrest rate of members of any protected class consisting of at  
29 least ten thousand citizens of voting age or whose members comprise at  
30 least ten percent of the citizen voting age population of the county,  
31 exceeds that of the citizen voting age population of the county as a  
32 whole by at least twenty percent at any point within the previous ten  
33 years; or (e) any political subdivision in which, based on data made  
34 available by the United States census, the dissimilarity index of any  
35 protected class consisting of at least twenty-five thousand citizens of  
36 voting age or whose members comprise at least ten percent of the citizen  
37 voting age population of the political subdivision, is in excess of  
38 fifty with respect to non-Hispanic white citizens of voting age within  
39 the political subdivision at any point within the previous ten years. If  
40 any covered entity is a political subdivision in which a board of  
41 elections has been established, that board of elections shall also be  
42 deemed a covered entity. If any political subdivision in which a board  
43 of elections has been established contains a covered entity fully within  
44 its borders, that political subdivision and that board of elections  
45 shall both be deemed a covered entity.

46 4. Preclearance by civil rights bureau. A covered entity may obtain  
47 preclearance for a covered policy from the civil rights bureau pursuant  
48 to the following process:

49 (a) The covered entity shall submit the covered policy in writing to  
50 the civil rights bureau of the office of the attorney general. If the  
51 covered entity is a county or city board of elections, it shall contem-  
52 poraneously provide a copy of the covered policy to the state board of  
53 elections.

54 (b) The civil rights bureau shall grant or deny preclearance within  
55 the following time periods:

1 (i) For any covered policy concerning the designation of poll sites or  
2 the assignment of election districts to poll sites, whether for election  
3 day or early voting, the civil rights bureau shall grant or deny  
4 preclearance within thirty days following the receipt of submission. If  
5 the civil rights bureau grants preclearance, it may, in its discretion,  
6 designate preclearance as "preliminary" in which case the civil rights  
7 bureau may deny preclearance within sixty days following the receipt of  
8 submission of the covered policy.

9 (ii) For any other covered policy, the civil rights bureau shall grant  
10 or deny preclearance within sixty days following the receipt of  
11 submission of the covered policy.

12 (iii) For any covered policy concerning the establishment of a  
13 district-based or alternative method of election, apportionment plans,  
14 or a change to the form of government of a political subdivision, the  
15 civil rights bureau may invoke up to two extensions of ninety days.

16 (c) The civil rights bureau shall grant preclearance only if it deter-  
17 mines that the covered policy will not diminish the ability of minority  
18 groups to participate in the political process and to elect their  
19 preferred candidates to office. If the civil rights bureau grants  
20 preclearance, the covered entity may enact or implement the covered  
21 policy immediately.

22 (d) If the civil rights bureau denies preclearance, the civil rights  
23 bureau shall interpose objections explaining its basis and the covered  
24 policy shall not be enacted or implemented.

25 (e) If the civil rights bureau fails to respond within the time for  
26 response as established in this section, the covered policy shall be  
27 deemed precleared and the covered entity may enact or implement the  
28 covered policy.

29 (f) Appeal of any denial by the civil rights bureau may be heard in  
30 the supreme court for the county of New York, from which appeal may be  
31 taken according to the ordinary rules of appellate procedure. Due to the  
32 frequency and urgency of elections, actions brought pursuant to this  
33 section shall be subject to expedited pretrial and trial proceedings and  
34 receive an automatic calendar preference on appeal.

35 (g) The civil rights bureau may promulgate such rules and regulations  
36 pursuant to the state administrative procedure act as are necessary to  
37 effectuate the purposes of this subdivision.

38 5. Preclearance by a designated court. A covered entity may obtain  
39 preclearance for a covered policy from a court pursuant to the following  
40 process:

41 (a) The covered entity shall submit the covered policy in writing to  
42 the following designated court in the judicial department within which  
43 the covered entity is located: (i) first judicial department: New York  
44 county; (ii) second judicial department: Westchester county; (iii)  
45 third judicial department: Albany county; and (iv) fourth judicial  
46 department: Erie county. If the covered entity is a county or city  
47 board of elections, it shall contemporaneously provide a copy of the  
48 covered policy to the state board of elections.

49 (b) The covered entity shall contemporaneously provide a copy of the  
50 covered policy to the civil rights bureau. The failure of the covered  
51 entity to provide a copy of the covered policy to the civil rights  
52 bureau will result in an automatic denial of preclearance.

53 (c) The court shall grant or deny preclearance within sixty days  
54 following the receipt of submission of the covered policy.

55 (d) The court shall grant preclearance only if it determines that the  
56 covered policy will not diminish the ability of minority groups to

1 participate in the political process and to elect their preferred candi-  
2 dates to office. If the court grants preclearance, the covered entity  
3 may enact or implement the covered policy immediately.

4 (e) If the court denies preclearance, or fails to respond within sixty  
5 days, the covered policy shall not be enacted or implemented.

6 (f) Appeal of any denial may be taken according to the ordinary rules  
7 of appellate procedure. Due to the frequency and urgency of elections,  
8 actions brought pursuant to this section shall be subject to expedited  
9 pretrial and trial proceedings and receive an automatic calendar prefer-  
10 ence on appeal.

11 6. Failure to seek or obtain preclearance. If any covered entity  
12 enacts or implements a covered policy without seeking preclearance  
13 pursuant to this section, or enacts or implements a covered policy  
14 notwithstanding the denial of preclearance, either the civil rights  
15 bureau or any other party with standing to bring an action under this  
16 title may bring an action to enjoin the covered policy and to seek sanc-  
17 tions against the political subdivision and officials in violation.

18 § 17-214. Civil liability for voter intimidation. 1. Voter intimid-  
19 ation prohibited. No person, whether acting under color of law or  
20 otherwise, shall use or threaten to use any force, violence or  
21 restraint, or inflict or threaten to inflict any injury, damage, harm or  
22 loss, or in any other manner practice intimidation that causes any  
23 person to place or cause to be placed or refrain from placing or causing  
24 to be placed his name upon a registry of voters; or to vote or refrain  
25 from voting in general or for or against any particular person or for or  
26 against any proposition submitted to voters at such election.

27 2. Voter deception prohibited. No person, whether acting under color  
28 of law or otherwise, shall by abduction, duress or any forcible or frau-  
29 dulent device or contrivance impede, prevent or otherwise interfere with  
30 the free exercise of the elective franchise by any person eligible to  
31 vote with the purpose of interfering with the free exercise of the elec-  
32 tive franchise in any way, including registering to vote; voting; or  
33 declining to vote; or voting for or against any particular candidate or  
34 proposition; or declining to vote for or against any particular candi-  
35 date or proposition. No person acting under color of law shall use any  
36 fraudulent device or contrivance that causes interference with the free  
37 exercise of the elective franchise by any person eligible to vote with-  
38 out regard to the intent underlying the use of the fraudulent device or  
39 contrivance.

40 3. Standing. Any aggrieved persons, organization whose membership  
41 includes or is likely to include aggrieved persons, organization whose  
42 mission would be frustrated by a violation of this section, organization  
43 that would expend resources in order to fulfill its mission as a result  
44 of a violation of this section, or the attorney general may file an  
45 action pursuant to this section in the supreme court of the county in  
46 which the alleged violation of this section occurred.

47 4. Remedies. Upon a finding of a violation of any provision of this  
48 section, the court shall implement appropriate remedies that are  
49 tailored to remedy the violation, including but not limited to providing  
50 for additional time to cast a ballot that may be counted in the election  
51 at issue. This title gives the court authority to implement remedies  
52 notwithstanding any other provision of state or local law.

53 § 17-216. Attorneys' fees. In any action to enforce any provision of  
54 this title, the court shall allow the prevailing plaintiff party, other  
55 than the state or political subdivision thereof, a reasonable attorneys'  
56 fee, litigation expenses including, but not limited to, expert witness

1 fees and expenses as part of the costs. A plaintiff will be deemed to  
2 have prevailed when, as a result of litigation, the political subdivi-  
3 sion yields much or all of the relief sought in the suit. Prevailing  
4 defendant parties shall not recover any costs, unless the court finds  
5 the action to be frivolous, unreasonable, or without foundation.

6 § 17-218. Applicability. The provisions of this title shall apply to  
7 all elections for any elected office or electoral choice within the  
8 state or any political subdivision. The provisions of this title shall  
9 apply notwithstanding any other provision of law, including any other  
10 state law or local law.

11 § 17-220. Severability. If any provision of this title or its applica-  
12 tion to any person, political subdivision, or circumstance is held  
13 invalid, the invalidity shall not affect other provisions or applica-  
14 tions of this title which can be given effect without the invalid  
15 provision or application, and to this end the provisions of this title  
16 are severable.

17 § 5. This act shall take effect immediately; provided, however, that  
18 sections 17-208 and 17-210 of the election law as added by section four  
19 of this act shall take effect three years after it shall have become a  
20 law; and provided further, however, that section 17-212 of the election  
21 law, as added by section four of this act, shall take effect one year  
22 after the attorney general certifies that the office of the attorney  
23 general is prepared to execute the duties assigned in section four of  
24 this act, if after the expiration of one year the attorney general  
25 requires more time to certify that the office of the attorney general is  
26 prepared to execute the duties assigned in section four of this act, the  
27 attorney general, may, for good cause shown, apply to the governor for  
28 such an extension of time. The governor may grant or deny an extension  
29 of up to one year according to his or her discretion. The attorney  
30 general shall notify the legislative bill drafting commission upon the  
31 occurrence of the enactment of the legislation provided for in section  
32 four of this act in order that the commission may maintain an accurate  
33 and timely effective data base of the official text of the laws of the  
34 state of New York in furtherance of effectuating the provisions of  
35 section 44 of the legislative law and section 70-b of the public offi-  
36 cers law.
