1. Notwithstanding any other provision of law, the city of New York is hereby authorized to establish a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with posted maximum speed limits in a school speed zone within such city (i) when a school speed limit is in effect as provided in paragraphs one and two of subdivision (c) of section eleven hundred eighty of this article or (ii) when other speed limits are in effect as provided in subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this article weekdays between the hours of six o'clock A.M. and ten o'clock P.M., except as otherwise provided in paragraph one-a of this subdivision. 2 shall prioritize the placement of photo speed violation monitoring
3 systems in school speed zones based upon speed data or the crash history
4 of a school speed zone. A photo speed violation monitoring system shall
5 not be installed or operated on a controlled-access highway exit ramp or
6 within three hundred feet along a highway that continues from the end of
7 a controlled-access highway exit ramp.

8 1-a. Notwithstanding any other provision of law, the city of New York
9 is hereby authorized to operate photo speed violation monitoring systems

11 tified as an area of special concern for illegal street racing based
12 upon reports of the occurrence of speed contests and races, pursuant to
13 section eleven hundred eighty-two of this article, within such school
14 speed zone. The city of New York may only operate such systems pursuant
15 to this paragraph upon a resolution in favor adopted by a majority of
16 the members of the community board that represents the district in which

19 § 3. Subdivision 1 of section 1182 of the vehicle and traffic law, as
20 amended by section 9 of part C of chapter 62 of the laws of 2003, is

22 1. Except as provided in section eleven hundred eighty-two-a of this
23 article or section sixteen hundred thirty, sixteen hundred forty,
24 sixteen hundred forty-two or sixteen hundred sixty of this chapter, no
25 races, exhibitions or contests of speed shall be held and no person
26 shall engage in or aid or abet in any motor vehicle or other speed
27 contest or exhibition of speed on a highway. For the purposes of this
28 section, a person shall be deemed to have held a race, exhibition or
29 contest of speed if such person, while operating a vehicle at a speed
30 that exceeds a posted maximum speed limit, (a) engages in conduct with
31 another person involving a challenge coupled with a response in speed
32 and relative position indicating acceptance of such challenge, regard-
33 less of whether such person or persons intended to engage in such
34 conduct before initiating or accepting such challenge or pre-planned a
35 course or distance over which to engage in such conduct; or (b) races
36 against a clock or other timing device. Such event, if held, shall be
37 fully and efficiently patrolled for the entire distance over which such
38 race, exhibition or contest for speed is to be held. Participants in a
39 race, exhibition or contest of speed are exempted from compliance with
40 any traffic laws otherwise applicable thereto, but shall exercise
41 reasonable care. A violation of any of the provisions of this section
42 shall constitute a misdemeanor and be punishable by imprisonment of not
43 more than thirty days or a fine of not less than three hundred dollars
44 nor more than five hundred twenty-five dollars, or both such fine and
45 imprisonment.

46 § 4. This act shall take effect on the thirtieth day after it shall
47 have become a law, provided, however, that the amendments to paragraph 1
48 of subdivision (a) of section 1180-b of the vehicle and traffic law made
49 by section two of this act shall not affect the repeal of such section
50 and shall be deemed repealed therewith.
