

# STATE OF NEW YORK

11063

## IN ASSEMBLY

October 7, 2020

Introduced by COMMITTEE ON RULES -- (at request of M. of A. Bronson) --  
read once and referred to the Committee on Children and Families

AN ACT to amend the state finance law, in relation to evaluating the effects adjustments or reductions to the state budget will have on reducing child poverty in New York state; to establish the child poverty reduction advisory council to effectuate a reduction in child poverty in the state; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative Findings. The Legislature hereby declares that  
2 New York shall reduce the overall child poverty rate by fifty percent in  
3 the next ten years. Nearly 3 million New Yorkers are living in poverty,  
4 895,000 of which are children. In fact, 1 in 5 New York children struggle  
5 to meet basic needs, and although several efforts have been undertaken,  
6 the overall poverty rate in New York has failed to see a  
7 reduction over the last decade. Meanwhile, the federal government  
8 continues to slash those benefits that have been shown to have positive  
9 impacts on lifting children and their families out of poverty. The  
10 Legislature finds that reducing child poverty will protect the health  
11 and general wellbeing of all New Yorkers and lead to long term savings  
12 for New York's budget. To effectuate this reduction, the child poverty  
13 reduction advisory council shall be established to research policy  
14 ideas, develop best practices, and continually monitor relevant benchmarks  
15 to ensure that New York remains on pace to successfully reduce  
16 child poverty by fifty percent in ten years.

17 § 2. Subdivision 7 of section 23 of the state finance law is amended  
18 by adding a new paragraph g to read as follows:

19 g. Prior to making any such adjustment or reduction authorized by this  
20 subdivision the director of the budget shall evaluate the effects that  
21 such reductions will have on child poverty in New York and shall make  
22 such evaluation available to the public.

23 § 3. Advisory council established. (a) To effectuate a reduction in  
24 child poverty in the state, there is hereby established an advisory

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD17369-01-0

1 council, to be known as the "child poverty reduction advisory council",  
2 hereafter referred to as the "advisory council". The advisory council  
3 shall carry out the required acts set forth in sections two and five of  
4 this act, as well as any and all other additional factors, issues, or  
5 concerns, established and/or considered by the advisory council.

6 (b) The advisory council shall be chaired by a representative of the  
7 executive chamber and the commissioner of the office of children and  
8 family services, or their designees. Ensuring adequate geographic repre-  
9 sentation, the advisory council shall be appointed in the following  
10 manner:

11 (i) two members shall be appointed by the temporary president of the  
12 senate;

13 (ii) two members shall be appointed by the speaker of the assembly;

14 (iii) two members shall be appointed by the commissioner of the office  
15 of children and family services;

16 (iv) at least one member shall be appointed from each of the following  
17 entities:

18 (1) the office of temporary and disability assistance;

19 (2) the council of children and families;

20 (3) the department of taxation and finance;

21 (4) a regional economic development council;

22 (5) a non-profit poverty advocacy organization; and

23 (6) a non-profit organization with a focus on poverty issues; and

24 (v) two persons who are directly impacted by poverty in the state.

25 (c) The members of the advisory council shall receive no compensation  
26 for their services but shall be allowed their actual and necessary  
27 expenses incurred in the performance of their duties. Members of the  
28 advisory council shall be considered public officers for purposes of  
29 section 17 of the public officers law.

30 (d) The advisory council shall convene within sixty days after this  
31 act shall have become law. A quorum shall consist of a majority of the  
32 members of the advisory council entitled to vote on the matter under  
33 consideration. Approval of any matter shall require the affirmative vote  
34 of a majority of the members voting thereon. The advisory council shall  
35 adopt by-laws for the management and regulation of its affairs, includ-  
36 ing the creation of committees and subcommittees to effectuate the work  
37 required.

38 § 4. Appointments to the advisory council. (a) The legislative leaders  
39 shall submit their appointments to the governor, and the governor shall  
40 make his or her appointments, no later than forty-five days after this  
41 act becomes a law.

42 (b) If any such appointment is not made by such date, the appointing  
43 official may make the appointment after that date, but such vacant  
44 appointment shall not count for the calculation of a quorum until such  
45 vacancy is filled.

46 (c) Any vacancies in the advisory council shall be filled in the same  
47 manner as the original appointment was made.

48 § 5. Policy proposal review and recommendations. The advisory council  
49 shall:

50 (a) develop and publish a timeline, inclusive of yearly benchmarks,  
51 for reducing child poverty in the state by fifty percent in ten years.  
52 Such timeline shall be made publicly available.

53 (b) review the following non-inclusive list of policy proposals and  
54 release a report outlining the effect that the enactment of such  
55 proposals would have on the rate of childhood poverty in New York:

1 (i) expanding and strengthening the state's earned income tax credit  
2 to align with the state's minimum wage to cover individual taxpayer  
3 identification number filers and young, childless adults and to be paid  
4 out quarterly;

5 (ii) expanding and strengthening the state's child tax credit to  
6 include young children, and to eliminate the minimum income threshold;

7 (iii) expanding work training and employment programs in the state;

8 (iv) expanding access to subsidized housing vouchers; and

9 (v) expanding access to subsidized child care.

10 (c) investigate the effects that each of the proposals listed in  
11 subdivision (b) of this section would have if enacted by itself, as well  
12 as the effect the proposals would have if enacted in conjunction with  
13 the other proposals. The advisory council shall include the cost to the  
14 state related to the implementation of such policies, as well as the  
15 projected savings in both the short and long term that the state will  
16 realize by reducing poverty.

17 (d) review agency programs that can be modified, suspended, or other-  
18 wise changed to immediately reduce the child poverty rate.

19 (e) deliver to the governor, the speaker of the assembly and the  
20 temporary president of the senate reports containing the timeline  
21 required pursuant to subdivision (a) of this section, the review of the  
22 policy proposals required pursuant to subdivision (b) of this section,  
23 the investigation of the effects of such policies pursuant to subdivi-  
24 sion (c) of this section and the review of agency programs required  
25 pursuant to subdivision (d) of this section on or before six months from  
26 the date this act becomes a law.

27 (f) develop recommendations for additional policies and procedures to  
28 reduce the state's child poverty rate by fifty percent in ten years from  
29 the date that this act becomes a law. In developing such policies and  
30 procedures, the advisory council shall be mindful of how such policies  
31 and procedures fit into the timeline created in subdivision (a) of this  
32 section. In making such recommendations, the advisory council shall  
33 consider:

34 (i) actions, in addition to those modifications, suspensions, and  
35 otherwise changed, that can be done via agencies and authorities to  
36 begin to reduce the child poverty rate;

37 (ii) the positive impacts that policies will have on work, marriage,  
38 opportunity for education, and social inclusion;

39 (iii) the impacts that policies would have on racial injustice in New  
40 York, being mindful that such proposals should not add to current racial  
41 disparities;

42 (iv) policies and programs that are tied to work;

43 (v) policies and programs that increase access to safety net programs  
44 for immigrants and for undocumented persons; and

45 (vi) contextual factors that may impact a family, parent, or child's  
46 ability to stay above the poverty line, including, but not limited to:

47 (1) stability and predictability of income;

48 (2) equitable and ready access to programs;

49 (3) equitable treatment across racial and ethnic groups;

50 (4) positive neighborhood conditions; and

51 (5) the individual health and well-being of the parents and children.

52 (vii) the cost to the state, including the short-term costs of the  
53 programs and the long-term savings from having such programs in place.

54 (g) deliver to the governor, the speaker of the assembly and the  
55 temporary president of the senate the recommendations of the advisory

1 council as required pursuant to subdivision (f) of this section on or  
2 before one year after the date this act becomes a law.

3 (h) release bi-annual reports starting June 1, 2021, detailing the  
4 progress that the state has made in reducing the child poverty rate in  
5 line with the recommendations set forth in this section.

6 (i) collaborate with experts in the field of poverty research, utilize  
7 available data from other relevant statewide studies of poverty, and  
8 solicit input from stakeholder interests including, but not limited to  
9 persons impacted by poverty, non-profit organizations that assist those  
10 living in poverty, individuals or organizations that work to end racial  
11 disparities in New York, and child poverty advocacy organizations. The  
12 advisory council shall also conduct formal public hearings, which shall  
13 take place in at least four regions, as defined by empire state develop-  
14 ment corporation, and shall be offered during non-traditional hours to  
15 allow for persons unable to normally testify due to work requirements to  
16 so testify.

17 § 6. Implementation of recommendations. Notwithstanding any contrary  
18 provision of law, rule, or regulation to the contrary, agencies with  
19 programs that have been identified as having current programs that can  
20 be modified to cut the child poverty rate, shall take all actions neces-  
21 sary to implement, in a reasonable, cost-efficient manner, the recommen-  
22 dations of the advisory council pursuant to section five of this act;  
23 provided, however, that the recommendations of the advisory council may  
24 be overridden by a concurrent resolution to be voted on within forty-  
25 five days of such report being submitted pursuant to section five of  
26 this act and passed by both houses of the legislature.

27 § 7. Advisory council staff and agency liaison. (a) The commissioner  
28 of the department of children and family services shall designate such  
29 employees of the department of children and family services as are  
30 reasonably necessary to provide support services to the advisory coun-  
31 cil. The advisory council, acting by the chair of the advisory council,  
32 may employ additional staff and consultants, who shall be paid from  
33 amounts made available to the advisory council for such purpose.

34 (b) All state agencies, public authorities, and public benefit corpo-  
35 rations shall provide such assistance as may be reasonably requested by  
36 the chair of the advisory council.

37 § 8. Deliberations of the advisory council. The deliberations, meet-  
38 ings and other proceedings of the advisory council and any committee or  
39 subcommittee thereof shall be governed by article 7 of the public offi-  
40 cers law. Any one or more members of a committee or subcommittee may  
41 participate in a meeting of such committee or subcommittee by means of a  
42 conference telephone, conference video or similar communication or elec-  
43 tronic communication, provided that such communication allows all  
44 persons participating in the meeting, and all persons observing the  
45 meeting, including members of the public, to hear each other at the same  
46 time. Participation by such means shall constitute presence at a meet-  
47 ing. If a meeting other than an executive session is to be conducted by  
48 means of a conference telephone, conference video or similar communi-  
49 cation or electronic communication, the public notice for such meeting  
50 shall inform the public that such equipment will be used, and further  
51 identify the means by which the public may listen to such meeting.

52 § 9. Severability clause. If any clause, sentence, paragraph, subdivi-  
53 sion, section, or part of this act shall be adjudged by any court of  
54 competent jurisdiction to be invalid, such judgment shall not affect,  
55 impair, or invalidate the remainder thereof, but shall be confined in  
56 its operation to the clause, sentence, paragraph, subdivision, section

1 or part thereof directly involved in the controversy in which such judg-  
2 ment shall have been rendered. It is hereby declared to be the intent of  
3 the legislature that this act would have been enacted even if such  
4 invalid provisions had not been included herein.

5 § 10. This act shall take effect immediately and shall expire and be  
6 deemed repealed ten years after such effective date; provided, however,  
7 that the amendments to subdivision 7 of section 23 of the state finance  
8 law made by section two of this act shall not affect the repeal of such  
9 subdivision and shall be deemed repealed therewith.
