## STATE OF NEW YORK

1281

2019-2020 Regular Sessions

## IN ASSEMBLY

January 14, 2019

Introduced by M. of A. QUART -- read once and referred to the Committee on Energy

AN ACT to amend the public service law, in relation to the community solar pilot program

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

| 1  | Section 1. The public service law is amended by adding a new section         |
|----|--|
| 2  | 66-p to read as follows:   |
| 3  | <u>§ 66-p. Community solar pilot program. 1. The commission shall estab-</u> |
| 4  | lish a New York state pilot program promoting the use of community solar     |
| 5  | energy.  |
| б  | 2. The commission shall oversee the implementation of the pilot              |
| 7  | program and shall issue an order of the commission authorizing the           |
| 8  | <u>construction of a solar installation.</u>                                 |
| 9  | 3. The commission shall invite consumers to participate in the program       |
| 10 | as subscribers, provided that:   |
| 11 | a. the commission shall set a subscription schedule, including the           |
| 12 | price per watt to subscribe and the percentage of the total installation     |
| 13 | each subscription level shall represent;                                     |
| 14 | b. subscribers shall make a one time payment to the commission and, in       |
| 15 | return, subscribers shall be paid a quarterly dividend for the energy        |
| 16 | generated by the watts covered by their subscription level;                  |
| 17 | c. a consumer shall be paid on a quarterly basis based on the consum-        |
| 18 | er's subscription level;   |
| 19 | d. the commission shall set a maximum number of subscriptions at each        |
| 20 | level; and   |
| 21 | e. the minimum price per subscription shall not exceed five hundred          |
| 22 | dollars.   |
| 23 | 4. All energy generated by the solar installation shall be sold back         |
| 24 | to an investor-owned utility.  |

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

## A. 1281

| 1  | 5. One percent of all payments due to subscribers shall be held by       |
|----|--|
| 2  | the commission to pay for the capital investment into the original solar |
| 3  | installation. After the original installation has been paid in full, the |
| 4  | one percent held by the commission shall be used to fund new solar       |
| 5  | installations in the same manner.  |
| б  | 6. The state shall retain ownership of the solar installation and of     |
| 7  | any renewable energy credits generated by the installation.              |
| 8  | 7. Subscribers shall be paid for energy generated at the retail rate     |
| 9  | and not at the avoided-cost rate.  |
| 10 | 8. The maximum size of the installation shall be two thousand kilo-      |
| 11 | watts.   |
| 12 | 9. Subscriptions may not be resold to any entity other than the state.   |

13 § 2. This act shall take effect immediately.
