Title 2-B

NEW YORK STATE SERVICE CORPS - HEALTH SERVICES TRACK

Section 231. New York state service corps - health services track.

232. Powers and duties.

§ 231. New York state service corps - health services track. 1. The commissioner shall establish within the department the New York state service corps - health services track (hereinafter "corps"). The commissioner shall, in conjunction with the department of labor and, as appropriate, the New York state commission on national and community service, have central responsibility for administering the provisions of this title with respect to increasing the availability of health services in certain eligible facilities and institutions.

2. For purposes of this title: (a) "health corps professional" means a nurse, physician's assistant, dental hygienist, occupational therapist, speech-language pathologist, audiologist, physical therapist, midwife, other health professional other than a physician or dentist, or any other professional with demonstrated proficiency in early childhood health or development who is determined by the commissioner, in consultation with the commissioners of education, correctional services, mental health, persons with developmental disabilities, secretary of state, and the president of the civil service commission, to possess the skills and training appropriate to the needs of eligible institutions and facilities;

(b) "eligible institutions and facilities" means: (i) facilities operated by the department of correctional services, office of mental health and office of persons with developmental disabilities; (ii) non-profit agencies possessing operating certificates issued by the office of mental health or office for persons with developmental disabilities or under contract with the commission for the blind and visually handicapped; (iii) not-for-profit diagnostic and treatment centers licensed under article twenty-eight of this chapter which have a critical shortage of health personnel, as determined by the commissioner and which serve the medically indigent and Medicaid eligible persons; (iv) health care facilities operated by the department, provided that at any time the total number of placements in such facilities shall not exceed ten percent of the total number of placements under this section; (v) in the case of midwives, not-for-profit facilities licensed under article twenty-eight of this chapter which serve the medically indigent and Medicaid eligible women; and (vi) an education program operated pursuant to section thirty-six hundred two-ee of the education law.

§ 232. Powers and duties. The commissioner shall, in consultation with the commissioners of education, correctional services, mental health, persons with developmental disabilities, secretary of state, and the president of the civil service commission, have the following powers and duties:

1. to recruit and select health corps professionals for service in eligible institutions and facilities;

1 2. to place health corps professionals in eligible institutions and  
2 facilities pursuant to agreements with the appropriate eligible insti-  
3 tutions and facilities;

4 3. to develop criteria for the selection of applicants for placement  
5 under this program including, but not limited to, the student's academic  
6 achievement, previous work experience in their chosen health profession  
7 and a demonstrated interest in working with institutionalized popu-  
8 lations, communities with serious health needs including but not limited  
9 to populations with high rates of chronic illness or Medicaid eligibil-  
10 ity, and children under the age of five.

11 4. to accept and expend any grants, awards or other funds or appropri-  
12 ations as may be available to effectuate the purposes of this title  
13 subject to the limitations as to the approval of expenditures and audit  
14 as prescribed for state funds by the state finance law; and

15 5. to do any and all other things necessary to carry out its func-  
16 tions, powers and duties and to effectuate the purposes of this title.

17 § 4. This act shall take effect on the one hundred twentieth day after  
18 it shall have become a law.
