IN ASSEMBLY

(Prefiled)

January 9, 2019

Introduced by M. of A. CAHILL -- read once and referred to the Committee on Labor

AN ACT to authorize and direct the workers' compensation board to redetermine the award of volunteer firefighter benefits to William DuBois of New Paltz, New York who was injured in the line of duty

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings and declaration of intent. The legis-
2 lature hereby finds that William DuBois of New Paltz, New York was
3 severely injured on January 12, 1976 while in the line of duty as a New
4 Paltz volunteer fire chief. While fighting a structure fire on the first
5 floor of 8 Locust Lane in New Paltz, Mr. DuBois was crushed beneath a
6 collapsing roof. He sustained severe spinal injuries, nerve damage
7 throughout his body, and crushed and torn ligaments, muscles and
8 tendons. To this day he still suffers from chronic pain and his move-
9 ments are extremely limited. In 1993, he underwent corrective surgery
10 and experienced no relief. He has been advised by orthopedic surgeons
11 and specialists that there is no definite procedure that is guaranteed
12 to improve his condition.

13 The legislature further finds that due to the exceptional nature of
14 Mr. DuBois' injuries, the original award of volunteer firefighter disa-
15 bility benefits under the law as it existed at the time has become
16 totally inadequate for the purpose for which it was intended, has
17 resulted in hardship, and should be redetermined under present law as if
18 Mr. DuBois sustained all of his injuries in the line of duty on or after
19 July 1, 1992.

20 Accordingly, the purpose of this act is to remedy this injustice and
21 hardship arising from special circumstances by directing the workers'
22 compensation board to redetermine Mr. DuBois' award under the volunteer

8 York as if he sustained in the line of duty on or after July 1, 1992 the
9 injuries upon which his original award was based and all subsequent
10 injuries in any way related thereto. Such redetermined award shall
11 include coverage of all medical and rehabilitative care rendered on or
12 after the effective date of this act and in any way related to such
13 injuries sustained in the line of duty on or after July 1, 1992, and
14 shall be paid prospectively beginning with the effective date of this
15 act. Such benefit shall be paid from the fund for reopened cases in the
