The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Paragraph b of subdivision 10 of section 163 of the state
2 finance law is amended by adding a new subparagraph (iii) to read as
3 follows:

1 contractor may file a written application with the contracting agency
2 requesting a partial or total waiver of such requirements setting forth
3 the reasons for such contractor's inability to meet any or all of the
4 participation requirements together with an explanation of the efforts
5 undertaken by the contractor to obtain the required minority and women-
6 owned business enterprise participation. In implementing the provisions
7 of this section, the contracting agency shall consider the number and
8 types of minority and women-owned business enterprises located in the
9 region in which the state contract is to be performed, the total dollar
10 value of the state contract, the scope of work to be performed and the
11 project size and term. If, based on such considerations, the contracting
12 agency determines there is not a reasonable availability of contractors
13 on the list of certified business to furnish services for the project,
14 it shall issue a waiver of compliance to the contractor. In making such
15 determination, the contracting agency shall first consider the avail-
16 ability of other business enterprises located in the region and shall
17 thereafter consider the financial ability of minority and women-owned
18 businesses located outside the region in which the contract is to be
19 performed to perform the state contract.

20 (b) A contracting agency shall not issue a total waiver of the obli-
21 gation to comply with the minority and women-owned business enterprise
22 participation requirements of a contract if such contract is a single
23 source or sole source procurement contract as described in section one
24 hundred sixty-three of the state finance law; provided, however, that if
25 the contracting agency determines there is not a reasonable availability
26 of contractors on the list of certified business to furnish services for
27 the project, the contracting agency may issue a partial waiver of
28 compliance to the contractor.

29 § 3. Section 103 of the general municipal law is amended by adding a
30 new subdivision 17 to read as follows:

31 17. All contracts awarded pursuant to the provisions of this section,
32 including single source or sole source procurement contracts, shall
33 require the contract recipient to comply with the provisions of section
34 three hundred thirteen of the executive law, to the extent that such
35 provisions apply; provided, however, that a contract recipient granted a
36 waiver of compliance as provided in section three hundred thirteen of
37 the executive law shall be deemed to be in compliance with such
38 provisions.

39 § 4. Subdivisions 2, 3 and 13 of section 310 of the executive law,

For the purposes of this article, "state contract" shall include municipal contracts as described in subdivision twenty-four of this section.

§ 5. Section 310 of the executive law is amended by adding a new subdivision 24 to read as follows:

24. "Municipal contract" shall mean: (a) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars, whereby a municipal contracting agency is committed to expend or does expend funds in return for labor, services including but not limited to legal, financial and other professional services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the municipal contracting agency; (b) a written agreement in excess of one hundred thousand dollars whereby a municipal contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; and (c) a written agreement in excess of one hundred thousand dollars whereby the owner of a municipal assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project.

§ 6.
