The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "fossil
2 fuel divestment act".

3 § 2. Section 423 of the retirement and social security law, as amended
4 by chapter 770 of the laws of 1970, is amended to read as follows:

5 § 423. Investments. [~~a~~] 1. On and after April first, nineteen
6 hundred sixty-seven, the comptroller shall invest the available monies
7 of the common retirement fund in any investments and securities author-
8 ized by law for each retirement system and shall hold such investments
9 in his name as trustee of such fund, notwithstanding any other provision
10 of this chapter. Participating interests in such investments shall be

ration or other financial or investment organization authorized to do business in the state of New York. The committee shall advise the comptroller on investment policies relating to the monies of the common retirement fund and shall review, from time to time, the investment portfolio of the fund and make such recommendations as may be deemed necessary.

(b) The comptroller shall appoint a separate mortgage advisory committee, with the advice and consent of the investment advisory committee, to review proposed mortgage and real estate investments by the common retirement fund. In making investments, as authorized by law, the comptroller shall be guided by policies established by each committee from time to time; and, in the event the mortgage advisory committee disapproves a proposed mortgage or real estate investment, such shall not be made.

(c) No officer or employee of any state department or agency shall be eligible for membership on either committee. Each committee shall convene periodically on call of the comptroller, or on call of the chairman. The members of each committee shall be entitled to reimbursement for their actual and necessary expenses but shall receive no compensation for their services.

3. (a) Notwithstanding any provision of law to the contrary, the comptroller shall not have the power to invest the available monies of the common retirement fund in any stocks, debt or other securities of any corporation or company, or any subsidiary, affiliate or parent of any corporation or company, among the two hundred largest publicly traded fossil fuel companies, as established by carbon content in the companies' proven oil, gas and coal reserves. The comptroller shall, in accordance with sound investment criteria and consistent with his or her fiduciary obligations, divest any such stocks or other securities whether they are owned directly or held through separate accounts or any commingled funds. Divestment pursuant to this subdivision must be completed within five years of the effective date of this subdivision, with the exception of companies engaged in the mining, extraction or production of coal, divestment from which must be completed no later than one year after the effective date of this subdivision.

(b) The comptroller shall be permitted to cease divesting from companies under paragraph (a) of this subdivision, reinvest in companies from which it divested under paragraph (a) of this subdivision, or continue to invest in companies from which it has not yet divested upon clear and convincing evidence showing that as a direct result of such divestment, the total and aggregate value of all assets under management by, or on behalf of, the common retirement fund becomes or shall become: (i) equal to or less than ninety-nine and one-half percent; or (ii) one hundred percent less fifty basis points of the hypothetical value of all assets under management by, or on behalf of, the common retirement fund assuming no divestment from any company had occurred under said paragraph (a) of this subdivision. Cessation of divestment, reinvestment or any subsequent ongoing investment authorized by this section shall be strictly limited to the minimum steps necessary to avoid the contingency set forth in the preceding sentence. For any cessation of divestment, and in advance of such cessation, authorized by this subdivision, the comptroller shall provide a written report to the attorney general, the senate standing committee on civil service and pensions, and the assembly standing committee on governmental employees, updated semi-annually thereafter as applicable, setting forth the reasons and justification.

1 supported by clear and convincing evidence, for its decisions to cease
2 divestment, to reinvest or to remain invested in fossil fuel companies.

3 (c) Within sixty days of the effective date of this subdivision, the
4 comptroller shall facilitate the identification of fossil fuel companies
5 from which the common retirement fund is required to divest under para-
6 graph (a) of this subdivision, and file a copy of this list with the
7 attorney general, the senate standing committee on civil service and
8 pensions, and the assembly standing committee on governmental employees.
9 Annually thereafter, the public fund shall file a report with the attor-
10 ney general, the senate standing committee on civil service and
11 pensions, and the assembly standing committee on governmental employees
12 that includes: (i) all investments sold, redeemed, divested or withdrawn
13 in compliance with paragraph (a) of this subdivision; and (ii) all
14 prohibited investments from which the common retirement fund has not yet
15 divested under paragraph (a) of this subdivision.

16 § 3. This act shall take effect immediately.
