AN ACT to amend the environmental conservation law, in relation to wildlife damage management

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The environmental conservation law is amended by adding a 2 new section 11-0522 to read as follows: 3 § 11-0522. Cull permits to certified nuisance wildlife specialists. 1. For the purposes of this section, "certified nuisance wildlife 4 specialist" shall mean an employee of a land grant university, or an 5 б employee of or a contractor for the federal or state government or any 7 city, town, village or county, responsible for wildlife management and 8 acting pursuant to a wildlife management plan, who complies with the 9 criteria established by the department, in rules and regulations, that 10 at a minimum require: a. a minimum level of marksmanship certification, including ongoing 11 12 certification; 13 b. liability insurance coverage levels or other financial arrangements 14 approved by the department; and 15 c. reporting requirements. 2. The department may, after reviewing the site-specific wildlife 16 management plan, and upon a finding that wildlife has become a nuisance, 17 18 destructive to public or private property or a threat to public health 19 or welfare, issue a certified nuisance wildlife specialist a cull permit 20 for the following wildlife: a. for areas at an airport, wildlife shall mean wild game and all 21 22 other animal life existing in a wild state at an airport, as defined in

subdivision five of section two hundred forty of the general business 1 2 law, that may pose a risk to aircraft. b. for all other areas, wildlife shall mean only deer and coyote. 3 3. Each cull permit application shall comply with the criteria estab-4 5 lished by the department in rules and regulations that at a minimum б include requirements for: the timeframe during which the permit must be 7 used, a site-specific wildlife management plan, a geographic description 8 of the area for which the permit is being requested, a written contract 9 with the airport or entity requesting the cull, requests for any author-10 ization pursuant to subdivisions three and nine of section 11-0505 of 11 this title, subdivision two of section 11-0901 of this article, and subdivisions two and four of section 11-0931 of this article, provided 12 that any such authorization subsequently granted shall be explicitly 13 14 included on any cull permit, and details regarding expected local law 15 enforcement participation. 16 4. Nothing in this section shall be construed as requiring or obligat-17 ing the department to issue a permit to take wildlife or direct the taking of any wildlife when in its opinion the nuisance, destruction of 18 19 property or threat to public health and welfare will not be effectively 20 abated thereby. 21 2. Subdivision 3 of section 11-0505 of the environmental conserva-§ 22 tion law, as amended by chapter 135 of the laws of 1982, is amended and a new subdivision 9 is added to read as follows: 23 3. No deer or bear traps shall be made, set or used upon land inhabit-24 25 ed by deer or bear. No salt lick shall be made, set or used upon land 26 inhabited by deer or bear, except that: 27 a. the department may do so on state wildlife refuges and wildlife 28 management areas; and 29 b. a certified nuisance wildlife specialist with a permit issued 30 pursuant to paragraph a or b of subdivision two of section 11-0522 of 31 this title may do so provided that such activities are in furtherance of 32 the site-specific wildlife management plan. 33 9. A certified nuisance wildlife specialist with a permit issued pursuant to paragraph a or b of subdivision two of section 11-0522 of 34 35 this title may, in accordance with the parameters of such permit and the participation of local law enforcement, entice deer in the manner 36 37 prohibited in subdivision eight of this section provided that such 38 activities are in furtherance of the site-specific wildlife management 39 <u>plan.</u> § 3. Subdivision 2 of section 11-0901 of the environmental conserva-40 tion law is amended to read as follows: 41 42 2. Wildlife shall not be taken on or from any public highway, except: 43 a. that in the forest preserve counties it may be taken from highways 44 other than state, county or town highways; and 45 b. by a certified nuisance wildlife specialist with a permit issued 46 pursuant to paragraph a or b of subdivision two of section 11-0522 of 47 this article provided that such activities are in furtherance of the site-specific wildlife management plan. 48 § 4. Subdivision 2 and subparagraph 1 of paragraph b of subdivision 4 49 50 of section 11-0931 of the environmental conservation law, as amended by 51 section 8 of part EE of chapter 55 of the laws of 2014, are amended to 52 read as follows: 53 2. <u>a.</u> No crossbow or firearm except a pistol or revolver shall be 54 carried or possessed in or on a motor vehicle unless it is uncocked, for 55 a crossbow or unloaded, for a firearm in both the chamber and the maga-56 zine, except that a loaded firearm which may be legally used for taking

migratory game birds may be carried or possessed in a motorboat while 1 2 being legally used in hunting migratory game birds, and **b.** no person except a law enforcement officer in the performance of his official 3 4 duties or a certified nuisance wildlife specialist with a permit issued 5 pursuant to paragraph a or b of subdivision two of section 11-0522 of б this article, provided that such activities are in furtherance of the site-specific wildlife management plan, shall, while in or on a motor 7 8 vehicle, use a jacklight, spotlight or other artificial light upon lands 9 inhabited by deer if he or she is in possession or is accompanied by a 10 person who is in possession, at the time of such use, of a longbow, 11 crossbow or a firearm of any kind except a pistol or revolver, unless such longbow or crossbow is unstrung or such firearm or crossbow is 12 13 taken down or securely fastened in a case or locked in the trunk of the 14 vehicle. For purposes of this subdivision, motor vehicle shall mean 15 every vehicle or other device operated by any power other than muscle 16 power, and which shall include but not be limited to automobiles, 17 trucks, motorcycles, tractors, trailers and motorboats, snowmobiles and 18 snowtravelers, whether operated on or off public highways. Notwithstand-19 ing the provisions of this subdivision, the department may issue a 20 permit to any person who is non-ambulatory, except with the use of a 21 mechanized aid, to possess a loaded firearm in or on a motor vehicle as defined in this section, subject to such restrictions as the department 22 may deem necessary in the interest of public safety. Nothing in this 23 24 section permits the possession of a pistol or a revolver contrary to the penal law. 25

26 (1) The owner or lessee of the dwelling house, or members of his imme-27 diate family actually residing therein, or a person in his employ, or the guest of the owner or lessee of the dwelling house acting with the 28 29 written consent of said owner or lessee, including a certified nuisance 30 wildlife specialist with a permit issued pursuant to paragraph b of 31 subdivision two of section 11-0522 of this article, provided that such 32 activities are in furtherance of the site-specific wildlife management 33 plan, provided however, that nothing herein shall be deemed to authorize 34 such persons to discharge a firearm within five hundred feet, a long bow 35 within one hundred fifty feet, or a crossbow within two hundred fifty 36 feet of any other dwelling house, or a farm building or farm structure 37 actually occupied or used, or a school building or playground, public 38 structure, or occupied factory or church;

39 § 5. This act shall take effect on the ninetieth day after it shall 40 have become a law. Effective immediately the addition, amendment and/or 41 repeal of any rule or regulation necessary for the implementation of 42 this act on its effective date are authorized to be made and completed 43 on or before such effective date.
