1 authority having control of a fire department of fire company and the  
2 fire department or fire company itself. The acceptance by any fire-  
3 fighter of any personal remuneration or gratuity, directly or indirect-  
4 ly, from a person served shall be a ground for his or her expulsion or  
5 suspension as a member of the fire department or fire company.

6 (b) Notwithstanding the provisions of paragraph (a) of this subdivi-  
7 sion, a basic life support service which establishes a schedule of fees  
8 for service shall enter into a contract with a provider or providers of  
9 advanced life support services to provide such advanced life support  
10 services. Such contract shall at a minimum establish the fees for  
11 advanced life support services and the means by which said provider will  
12 be reimbursed when the ambulance service bills for emergency medical  
13 service.

14 (c) An emergency and general ambulance service, including emergency  
15 medical service as defined by this section which does not establish a  
16 schedule of fees for service, requesting an Advanced Life Support (ALS)  
17 intercept from another furnishing service in an area that is designated  
18 as a rural area by any law or regulation of the state or that is located  
19 in a rural census tract of a metropolitan statistical area (as deter-  
20 mined under the most recent Goldsmith Modification) shall be subject to  
21 payment of an ALS Rural Intercept Fee to such furnishing service at  
22 rates negotiated between the providers of such services. In the absence  
23 of any agreed upon rates, the service receiving such intercept shall pay  
24 for such services at the usual and customary rate, which shall not be  
25 excessive or unreasonable. Nothing in this section shall restrict any  
26 ambulance providers from establishing mutually agreeable alternate fees  
27 for services provided to and/or for each respective ambulance service.

28 § 2. Paragraph (e) of subdivision 1 of section 122-b of the general  
29 municipal law, as amended by chapter 303 of the laws of 1980, is amended

56 made for the furnishing within the district of emergency ambulance

13 have become a law.
