9 the committee in carrying out its responsibilities.

12 principal proponents and opponents of each measure. Such principal  
13 proponent or opponent may be a member of the committee or any registered  
14 voter in the state.

15 4. The committee shall announce with such notice as the state board

28 selection, the committee may reserve the responsibility for composition  
29 of either or both. In making its selections, the committee shall give  
30 priority to arguments advanced by organizations over consideration of  
31 arguments advanced by individuals. The state board shall include in the  
32 ballot pamphlet on the same page as the printed argument relating to the  
33 measure, the name of the organization, if any, advancing the argument  
34 and whether the argument supports or opposes the measure. If the commit-  
35 tee itself has written the argument, a disclaimer in substantially the  
36 same form shall be printed immediately below the argument:

37 The printing of this argument does not constitute an endorsement by  
38 the state of New York, nor does the state warrant the accuracy or truth  
39 of any statement made in the argument.

51 concurred on and certified by the committee or at least by four of its  
52 members. If a member does not concur, a statement shall show only that  
53 he dissents and where applicable, that he was appointed as a proponent  
54 or opponent of the measure.

1     9. The state board shall certify and make public the final contents of  
2 the ballot pamphlet no later than sixty days before the election at  
3 which the measure is to appear on the ballot.

5 state of New York or any agency or employee thereof with respect to such  
6 ballot pamphlet except as caused by the negligence or willful acts of  
7 the state or of its agents or employees, nor may a cause of action arise  
8 against the state of New York or any agency or employee thereof by  
9 virtue of statements prepared by any committee constituted under section  
10 7-306 of this title.

11     § 7-310. Printing. 1. The state board shall cause the ballot pamphlet  
12 to be printed in as legible a manner as possible consistent with the  
13 purpose of this title. In the event that the state board determines that  
14 the printing of the ballot pamphlet would be more efficient and econom-  
15 ical if done by the local boards of elections, the state board is hereby  
16 authorized to instruct all boards of elections to print the ballot  
17 pamphlet. Should the state board so instruct the boards of elections, it  
18 shall promptly reimburse each board for the actual cost of production  
19 incurred by said board.

20     2. The state board or the local boards of elections as provided for in  
21 subdivision one of this section, shall also prepare and cause to be  
22 printed, and distribute to such voters as it deems appropriate, a trans-  
23 lation of the ballot pamphlet into Spanish and any other languages  
24 required to comply with the Voting Rights Act of 1965, as amended.

25     § 7-312. Distribution. 1. There shall be no charge for single copies  
26 of the ballot pamphlet.

27     2. In every general election in which a ballot proposal is on the  
28 statewide ballot, the state board shall cause a copy of the ballot  
29 pamphlet to be distributed to at least one registered voter in each  
30 household. In the event the state board determines that distribution of  
31 the ballot pamphlet would be more efficient and economical if done by  
32 the local boards of elections, the state board is hereby authorized to  
33 instruct all boards of elections to distribute the ballot pamphlet to at  
34 least one registered voter in each household. Should the state board so  
35 instruct the boards of elections, it shall provide a sufficient number  
36 of ballot pamphlets to each board of elections and shall promptly reim-  
37 burse each board for the actual cost of postage incurred by said board  
38 in distributing the pamphlet provided that said board utilize the lowest  
39 feasible postage rate charged by the United States postal service. The  
40 distribution of the ballot pamphlets to registered voters or households  
41 shall be made between twenty and forty days before the election to which  
42 they pertain.

43     3. Sufficient copies shall also be provided to boards of elections to  
44 permit each such board to supply five copies to each election district.

45     4. In addition to providing a sufficient number of copies of the  
46 pamphlet to comply with subdivisions two and three of this section, the  
47 state board shall cause to be printed at least fifty thousand additional  
48 copies and provide them to those persons, organizations and other enti-  
49 ties that request them, at no charge, provided that the state board may  
50 impose a charge for bulk orders of greater than five copies and may set  
51 limits on the total number of copies that any single individual, organ-  
52 ization or other entity may obtain upon request.

53     § 7-314. Authorization to local communities. The legislative bodies of  
54 all cities, towns and counties are hereby authorized to enact legis-  
55 lation consistent with the provisions of this title which would enable  
56 questions, propositions, and issues on the ballot in such cities, towns

1 and counties to be presented to voters by means of a ballot pamphlet.  
2 Any such pamphlet may, with the approval of the state board, be mailed  
3 together with the statewide ballot pamphlet. The additional expense of

26 2. A proceeding pursuant to subdivision one of this section must be  
27 instituted no later than ten days after the state board certifies the

29 and contents do not comply with the requirements of article seven of  
30 this chapter, or finds by clear and convincing evidence that the  
31 language of the pamphlet is false or misleading, it shall order such
