(ii) the first distributor has a geographically exclusive distributorship for the sale of such beverage; and

(iii) the manufacturer and the first distributor have a written agreement detailing the specific geographic areas in the state of such exclusive distributorship.

c. The person, firm or corporation who bottles, cans or otherwise packages beverages in beverage containers may initiate the deposit for a brand owner for whose exclusive account beverage containers bearing the brand name or trademark are bottled, canned or packaged if the person, firm or corporation is the exclusive bottler and there is a written agreement establishing who is responsible for the pick-up and redemption of empty containers.

2. For a beverage manufactured outside the United States, the deposit on each filled beverage container must be initiated by the person, firm, or corporation who imports filled beverage containers into the United States.

3. Except as provided by this section, or as provided in rules or regulations promulgated by the department, no other person may initiate a deposit on a beverage container sold in New York state.

4. Paragraph (a) of subdivision 1, subdivisions 3, 5, 7, 8, 9, 10, 11 and 12 of section 27-1007 of the environmental conservation law, paragraph (a) of subdivision 1, subdivisions 3, 5, 7, 8, 9, 10 and 11 as added by section 4 of part SS of chapter 59 of the laws of 2009, and subdivision 12 as added by section 3 of part F of chapter 58 of the laws of 2013, are amended and two new subdivisions 13 and 14 are added to read as follows:

(a) A dealer shall accept at his or her place of business from a redeemer any empty beverage containers of the design, shape, size, color, composition and brand sold or offered for sale by the dealer, and shall pay to the redeemer the refund value of each such beverage container as established in section 27-1005 of this title. Redemptions of refund value must be in legal tender, or a scrip or receipt from a reverse vending machine, provided that the scrip or receipt can be exchanged for legal tender for a period of not less than sixty days without requiring the purchase of other goods. If the scrip or receipt from a reverse vending machine expires, the expiration date must be indicated on such scrip or receipt, or the dealer must post a conspicuous sign indicating how many days a redeemer has to exchange the scrip or receipt for legal tender. If notification of an expiration is not provided, a dealer must redeem the full refund value indicated on any legible scrip or receipt. The use or presence of a reverse vending machine shall not relieve a dealer of any obligations imposed pursuant to this section. If a dealer utilizes a reverse vending machine to redeem containers, the dealer shall provide redemption of beverage containers when the reverse vending machine is full, broken, under repair or does not accept a type of beverage container sold or offered for sale by such dealer and may not limit the hours or days of redemption except as provided by subdivision three of this section.

3. ~~[On or after June first, two thousand nine, a]~~ A dealer whose primary business is the sale of food or beverages for consumption off-premises and whose place of business is less than ten thousand square feet in size may limit the number of empty beverage containers to be accepted for redemption at the dealer's place of business to no less than seventy-two containers per visit, per redeemer, per day~~[, provided that:~~

~~(a) The dealer has a written agreement with a redemption center, be it either at a fixed physical location within the same county and within one-half mile of the dealer's place of business, or a mobile redemption center, operated by a redemption center, that is located within one-quarter mile of the dealer's place of business. The redemption center must have a written agreement with the dealer to accept containers on behalf of the dealer; and the redemption center's hours of operation must cover at least 9:00 a.m. through 7:00 p.m. daily or in the case of a mobile redemption center, the hours of operation must cover at least four consecutive hours between 8:00 a.m. and 8:00 p.m. daily. The dealer must post a conspicuous, permanent sign, meeting the size and color specifications set forth in subdivision two of this section, open to public view, identifying the location and hours of operation of the affiliated redemption center or mobile redemption center; and~~

~~(b) The dealer provides, at a minimum, a consecutive two hour period between 7:00 a.m. and 7:00 p.m. daily whereby the dealer will accept up to two hundred forty containers, per redeemer, per day, and posts a conspicuous, permanent sign, meeting the size and color specifications set forth in subdivision two of this section, open to public view, iden-~~

~~tifying those hours. The dealer may not change the hours of redemption without first posting a thirty day notice; and~~

~~(c) The dealer's primary business is the sale of food or beverages for consumption off premises, and the dealer's place of business is less than ten thousand square feet in size].~~

5. [A] The failure of a deposit [initiator's] initiator, a deposit initiator's agent, or [distributor's failure] a distributor to pick up empty beverage containers~~[, including containers processed in a reverse vending machine,]~~ from a redemption center, dealer or the operator of a reverse vending machine, shall be a violation of this title.

7. A deposit initiator ~~[on a brand]~~ who initiates a deposit on a beverage container shall accept from ~~[a]~~ any other deposit initiator or distributor who [does] did not initiate [deposits] a deposit on that ~~[brand any empty]~~ beverage [containers of that brand] any empty beverage container accepted by the other deposit initiator or distributor from a dealer or operator of a redemption center and shall reimburse the other deposit initiator or distributor the refund value of each such beverage container, as established by section 27-1005 of this title. In addition, the deposit initiator shall reimburse such other deposit initiator or distributor for each such beverage container the handling fee established under subdivision six of this section that was paid by the redeeming distributor or deposit initiator. Without limiting the rights of the department or any person, firm or corporation under this subdivision or any other provision of this ~~[section]~~ title, a distributor shall have a civil right of action to enforce this subdivision, including, upon three days notice, the right to apply for temporary and preliminary injunctive relief against continuing violations, and until arrangements for collection and return of empty containers or reimbursement of ~~[such]~~ the redeeming distributor for such deposits and handling fees are made.

8. It shall be the responsibility of the deposit initiator or distributor to provide to a dealer or redemption center a sufficient number of bags, cartons, or other suitable containers, at no cost, for the packaging, handling and pickup of empty beverage containers that are not redeemed through a reverse vending machine. The bags, cartons, or containers must be provided by the deposit initiator or distributor on a schedule that allows the dealer or redemption center sufficient time to sort the empty beverage containers prior to pick up by the deposit initiator or distributor. In addition:

(a) When picking up empty beverage containers, a deposit initiator or distributor shall not require a dealer or redemption center to load their own bags, cartons or containers onto or into the deposit initiator's or distributor's vehicle or vehicles or provide the staff or equipment needed to do so. However, where pallets or skids, bags, cartons or containers are readily movable only by means of a forklift or similar equipment, a deposit initiator or distributor may require a dealer or redemption center to move or load such items at no cost using a forklift or similar equipment belonging to the dealer or redemption center.

(b) For empty containers not processed through a reverse vending machine, a dealer or redemption center may provide to a deposit initiator or a distributor a signed, written statement attesting to the count of the number of containers tendered for redemption. If such statement is provided, the deposit initiator or distributor shall pay the redemption center or dealer all applicable refunds and handling fees for the containers as indicated on such statement, unless discrepancies discovered during the course of an audit are documented by the deposit initi-

1 ator or distributor and the reasons for the discrepancies are provided
2 in writing to the redemption center or dealer. A deposit initiator or
3 distributor ~~[shall not]~~ may require a redemption center or dealer's
4 count of empty containers to be ~~[counted]~~ audited at a location other
5 than the redemption center or dealer's place of business, if the redemp-
6 tion center or dealer refuses to allow an audit to be conducted at the
7 redemption center or dealer's place of business, if there is insuffi-
8 cient space to conduct an audit, or if an audit cannot be completed in a
9 safe, secure location protected from weather conditions. The dealer or
10 redemption center shall have the right to be present at ~~[the count]~~ an
11 audit conducted at a location other than the redemption center or deal-
12 er's place of business.

13 (c) A deposit initiator or distributor shall pick up empty beverage
14 containers from the dealer or redemption center at reasonable times and
15 intervals as determined in rules or regulations promulgated by the
16 department.

17 9. No person shall return or assist another to return to a dealer or
18 redemption center an empty beverage container for its refund value if
19 such container had previously been accepted for redemption by a dealer,
20 redemption center, ~~[or]~~ distributor, a deposit initiator who initiates
21 deposits on beverage containers of the same brand, or an agent of a
22 deposit initiator, or if such empty container was previously accepted by
23 a reverse vending machine.

24 10. A redeemer, dealer, distributor, deposit initiator or redemption
25 center shall not knowingly redeem an empty beverage container that was
26 not sold as a filled container in the state and on which a deposit was
27 never paid in New York state, and shall only pay deposits on the actual
28 number of empty beverage containers tendered and accepted for
29 redemption.

30 11. ~~[Notwithstanding the provisions of subdivision two of section~~
31 ~~27-1000 of this title, a deposit initiator or distributor shall accept~~
32 ~~and redeem beverage containers as provided in this title, if the dealer~~
33 ~~or operator of a redemption center shall have accepted and paid the~~
34 ~~refund value of such beverage containers.]~~ Once the refund value of an
35 empty beverage container has been paid by a deposit initiator who initi-
36 ates deposits on that type of beverage container, no person may knowin-
37 gly accept that empty beverage container from, or give or sell it to, any
38 person for the purpose of obtaining the refund value from any person.

39 12. No person shall ~~[intentionally]~~ program, tamper with, render inac-
40 curate, or circumvent the proper operation of a reverse vending machine
41 ~~[to wrongfully elicit deposit monies when no valid, redeemable beverage~~
42 ~~container has been placed in and properly processed by the reverse vend-~~
43 ~~ing machine].~~

44 13. No person shall transport empty beverage containers from out of
45 state into New York state for the purpose of tendering such beverage
46 containers for redemption.

47 14. a. Reverse vending machines shall be designed to prevent the frau-
48 dulent redemption of containers by utilizing the best available technol-
49 ogy and provide an accurate report containing the following information:

50 (i) the number of containers placed in the reverse vending machine
51 over a predetermined time period;

52 (ii) the product name of each beverage container placed in the reverse
53 vending machine; and

54 (iii) the material type and size of each beverage container placed in
55 the reverse vending machine.

1 b. All reverse vending machines shall be audited by an independent
2 third-party auditor at least twice per year, but not within any four
3 consecutive months.

4 c. A reverse vending machine, any report provided from such machine,
5 and any audit of a reverse vending machine, are subject to inspection
6 and audit by the department. The department of taxation and finance is
7 authorized to audit any report from a reverse vending machine.

8 § 4. Section 27-1009 of the environmental conservation law, as amended
9 by section 4 of part F of chapter 58 of the laws of 2013, is amended to
10 read as follows:

11 § 27-1009. Refusal of acceptance.

12 1. A dealer or operator of a redemption center ~~[may]~~ shall refuse to
13 accept from a redeemer, and a deposit initiator or distributor ~~[may]~~
14 shall refuse to accept from a dealer or operator of a redemption center
15 any empty beverage container which does not state thereon a refund value
16 as established by section 27-1005 and provided by section 27-1011 of
17 this title.

18 2. A dealer ~~[or]~~, operator of a redemption center, distributor, or
19 deposit initiator may also refuse to accept any broken bottle, any
20 corroded, crushed or dismembered container, or any beverage container
21 which ~~[contains a significant amount of foreign material]~~ is otherwise
22 altered so that it is rendered unredeemable, as determined in rules and
23 regulations to be promulgated by the commissioner. Such refusal must
24 occur at the time the beverage container is tendered for redemption.
25 Notwithstanding the foregoing, containers processed through a reverse
26 vending machine authorized by a distributor or deposit initiator, as
27 documented through reverse vending machine reconciliation statements or
28 other reasonable documentation, shall be accepted by a distributor or
29 deposit initiator.

30 § 5. Paragraph b of subdivision 1 of section 27-1011 of the environ-
31 mental conservation law, as amended by section 5 of part F of chapter 58
32 of the laws of 2013, is amended and a new subdivision 4 is added to read
33 as follows:

34 b. Such embossing or permanent imprinting on the beverage container
35 shall be the responsibility of the person, firm or corporation which
36 bottles, cans or otherwise fills or packages a beverage container or a
37 brand owner for whose exclusive account private label beverages are
38 bottled, canned or otherwise packaged; provided, however, that the duly
39 authorized agent of any such person, firm or corporation may indicate
40 such refund value by a label securely affixed on any beverage container
41 containing beverages imported into the United States. Private label
42 beverages shall be defined as beverages ~~[purchased from a bottler]~~ in
43 beverage containers bearing a brand name or trademark for sale ~~[at~~
44 ~~retail]~~ or distribution, directly by the owner or licensee of such brand
45 name or trademark; or through ~~[retail]~~ dealers affiliated with such
46 owner or licensee by a cooperative ~~[or]~~, franchise, or other agreement.

47 4. No person shall sell in this state a drink container that indicates
48 a New York state refund value if the container is not a "beverage
49 container," as that term is defined by section 27-1003 of this title.

50 § 6. Subdivision 1, paragraphs a and b of subdivision 4, subdivisions
51 8 and 12 of section 27-1012 of the environmental conservation law,
52 subdivision 1, paragraphs a and b of subdivision 4 and subdivision 8 as
53 added by section 8 of part SS of chapter 59 of the laws of 2009, and
54 subdivision 12 as amended by section 6 of part F of chapter 58 of the
55 laws of 2013, are amended to read as follows:

1 1. Each deposit initiator shall deposit in a refund value account an
2 amount equal to the refund value initiated under section 27-1005 of this
3 title which is received with respect to each beverage container sold by
4 such deposit initiator. Such deposit initiator shall hold the amounts in
5 the refund value account in trust for the state. A refund value account
6 shall be an interest-bearing account established in a banking institu-
7 tion located in this state, the deposits in which are insured by an
8 agency of the federal government. Deposits of such amounts into the
9 refund value account shall be made not less frequently than every [five]
10 thirty business days. All interest, dividends and returns earned on the
11 refund value account shall be paid directly into said account. The
12 monies in such accounts shall be kept separate and apart from all other
13 monies in the possession of the deposit initiator. The commissioner of
14 taxation and finance may specify a system of accounts and records to be
15 maintained with respect to accounts established under this subdivision.

16 a. Quarterly payments. An amount equal to eighty percent of the
17 balance outstanding in the refund value account at the close of each
18 quarter shall be paid to the commissioner of taxation and finance at the
19 time the report provided for in subdivision three of this section is
20 required to be filed. However, a deposit initiator who initiates depos-
21 its on beverage containers with a universal product code and label
22 design that is unique to this state, or used only in this state and any
23 other states that have a law substantially similar to this title, shall
24 be entitled to pay an amount equal to only sixty percent of the balance
25 outstanding in the refund value account attributable to such beverage
26 containers at the close of each quarter to the commissioner of taxation
27 and finance at the time the report provided for in subdivision three of
28 this section is required to be filed. The commissioner of taxation and
29 finance may require that the payments be made electronically. The
30 remaining twenty percent of the balance outstanding at the close of each
31 quarter shall be the monies of the deposit initiator and may be with-
32 drawn from such account by the deposit initiator. If the provisions of
33 this section with respect to such account have not been fully complied
34 with, each deposit initiator shall pay to such commissioner at such
35 time, in lieu of the amount described in the preceding sentence, an
36 amount equal to the balance which would have been outstanding on such
37 date had such provisions been fully complied with. The commissioner of
38 taxation and finance may require that the payments be made electron-
39 ically.

40 b. Refund value account shortfall. In the event a deposit initiator
41 pays out more in refund values than it collects in deposits of refund
42 values during the course of a quarterly period as described in subdivi-
43 sion three of this section, the deposit initiator may apply to the
44 commissioner of taxation and finance for a refund of the amount of such
45 excess payment of refund values from sources other than the refund value
46 account, in the manner as provided by the commissioner of taxation and
47 finance. A deposit initiator must apply for a refund no later than
48 twelve months after the due date for filing the quarterly report for the
49 quarterly period for which the refund claim is made. No interest shall
50 be payable for any refund paid pursuant to this paragraph. However, a
51 deposit initiator who initiates deposits on beverage containers that do
52 not have a universal product code and label design that is unique to
53 this state or used only in this state and any other states that have a
54 law substantially similar to this title shall not be entitled to a
55 refund pursuant to this subdivision.

1 8. The commissioner of taxation and finance may require the maintenance of such accounts, records or documents relating to the sale of
2 beverage containers, by any deposit initiator, [~~bottler~~] beverage
3 manufacturer, distributor, dealer or redemption center as such commissioner may deem appropriate for the administration of this section. Such
4 commissioner may make examinations, including the conduct of facility
5 inspections during regular business hours, with respect to the accounts,
6 records or documents required to be maintained under this subdivision.
7 Such accounts, records and documents shall be preserved for a period of
8 three years, except that such commissioner may consent to their
9 destruction within that period or may require that they be kept longer.
10 Such accounts, records and documents may be kept within the meaning of
11 this subdivision when reproduced by any photographic, photostatic,
12 microfilm, micro-card, miniature photographic or other process which
13 actually reproduces the original accounts, records or documents.

16 12. a. Each deposit initiator shall provide a report to the department
17 describing all the types of beverage containers on which it initiates
18 deposits. The report shall include the product name, type of beverage,
19 size and composition of the beverage container, universal product code,
20 the ways in which the deposit initiator attempts to prevent the fraudulent
21 sale and redemption of brands of beverage containers it sells, and
22 any other information the department may require. Upon request, a deposit
23 initiator shall also provide to the department a copy of the container
24 label or a picture of any beverage container sold or offered for sale
25 in this state on which it initiates a deposit. Such information shall be
26 provided in a form as prescribed by the department. The department may
27 require that such forms be filed electronically.

28 b. A [~~bottler~~] beverage manufacturer may place on a beverage container
29 a universal product code or other distinctive marking that is specific
30 to the state or used only in the state and any other states with laws
31 substantially similar to this title as a means of preventing the sale or
32 redemption of beverage containers on which no deposit was initiated.

33 c. A [~~bottler~~] beverage manufacturer or deposit initiator shall notify
34 the department, in a form prescribed by the department, whenever a
35 beverage container or beverage container label is revised by altering
36 the universal product code, or whenever the container on which a
37 universal product code appears is changed in size, composition or glass
38 color, or whenever the container or container label on which a universal
39 product code appears is changed to include a universal product code that
40 is unique to the state or used only in the state and any other states
41 with laws substantially similar to this title.

42 d. The department may require the maintenance of such accounts,
43 records or documents relating to the sale and redemption of beverage
44 containers, by any deposit initiator, beverage manufacturer, distribu-
45 tor, dealer or redemption center as the department may deem appropriate
46 for the administration of this title. The department may make examina-
47 tions, including conducting facility inspections during regular busi-
48 ness hours, with respect to the accounts, records or documents required
49 to be maintained under this subdivision. Such accounts, records and
50 documents shall be preserved for a period of three years, except that
51 the department may consent to their destruction within that period or

47 § 8. Severability clause. If any clause, sentence, paragraph, subdivi-
48 sion, section or part of this act shall be adjudged by any court of
49 competent jurisdiction to be invalid, such judgment shall not affect,
50 impair, or invalidate the remainder thereof, but shall be confined in
51 its operation to the clause, sentence, paragraph, subdivision, section
52 or part thereof directly involved in the controversy in which such
53 judgement shall have been rendered. It is hereby declared to be in the
54 intent of the legislature that this act would have been enacted even if
55 such invalid provisions had not been included herein.

56 § 9. This act shall take effect immediately.

PART J

2 Section 1. Subdivisions 4 and 5 of section 24-0301 of the environ-
3 mental conservation law, as amended by chapter 16 of the laws of 2010,
4 are amended to read as follows:

5 4. Upon completion of the tentative freshwater wetlands map for a
6 particular area, the commissioner or his or her designated hearing offi-
7 cer shall hold a public hearing in that area in order to afford an
8 opportunity for any person to propose additions or deletions from such
9 map. The commissioner shall give notice of such hearing to each owner of
10 record as shown on the latest completed tax assessment rolls, of lands
11 designated as such wetlands as shown on said map and also to the chief
12 administrative officer and clerk of each local government within the
13 boundaries of which any such wetland or a portion thereof is located
14 and, in the case of a tentative freshwater wetlands map for any area
15 within the Adirondack park, to the Adirondack park agency, [~~by certified~~
16 ~~mail~~] not less than thirty days prior to the date set for such hearing
17 and shall assure that a copy of the relevant map is available for public
18 inspection at a convenient location in such local government. The map
19 filed with a local government may, at the local government's request, be
20 either a physical copy of the tentative freshwater wetlands map, or, if
21 available, a digital file that represents it. The commissioner shall
22 also cause notice of such hearing to be published at least once, not
23 more than thirty days nor fewer than ten days before the date set for
24 such hearing, in at least two newspapers having general circulation in
25 the area where such wetlands are located. The commissioner may post on
26 the department's website a digital image that represents the tentative
27 freshwater wetlands map.

28 5. After considering the testimony given at such hearing and any other
29 facts which may be deemed pertinent, after considering the rights of
30 affected property owners and the ecological balance in accordance with
31 the policy and purposes of this article, and, in the case of wetlands or
32 portions thereof within the Adirondack park, after consulting with the
33 Adirondack park agency, the commissioner shall promulgate by order the
34 final freshwater wetlands map. Such order shall not be promulgated less
35 than sixty days from the date of the hearing required by subdivision
36 four of this section. A copy of the order, together with a copy of such
37 map or relevant portion thereof shall be filed in the office of the
38 clerk of each local government in which each such wetland or a portion
39 thereof is located and, in the case of a map for any area within the
40 Adirondack park, with the Adirondack park agency. The map filed with a
41 local government may, at the local government's request, be either a
42 physical copy of the final freshwater wetlands map, or, if available, a
43 digital file that represents it. The commissioner shall simultaneously
44 give notice of such order to each owner of lands, as shown on the latest
45 completed tax assessment rolls, designated as such wetlands by mailing a
46 copy of such order to such owner [~~by certified mail in any case where a~~
47 ~~notice by certified mail was not sent pursuant to subdivision four of~~
48 ~~this section, and in all other cases by first class mail~~]. The commis-
49 sioner shall also give notice of such order at such time to the chief
50 administrative officer of each local government within the boundaries of
51 which any such wetland or a portion thereof is located. At the time of
52 filing with such clerk or clerks, the commissioner shall also cause a
53 copy of such order to be published in at least two newspapers having
54 general circulation in the area where such wetlands are located. The

1 commissioner may post on the department's website a digital image that
2 represents the final freshwater wetlands map.

3 § 2. Subdivisions 3 and 4 of section 25-0201 of the environmental
4 conservation law, as amended by chapter 598 of the laws of 1976, are
5 amended to read as follows:

6 3. Upon completion of a tentative tidal wetlands boundary map for a
7 particular area, the commissioner or his or her designated hearing offi-
8 cer shall hold a public hearing in order to afford an opportunity for
9 any person to propose additions or deletions from such map. The commis-
10 sioner shall give notice of such hearing to each owner of record of all
11 lands designated as such wetland as shown on such maps, and also to the
12 chief administrative officer of each municipality within whose boundary
13 any such wetland or portion thereof is located[~~, by certified mail,~~
14 ~~return receipt requested,~~] not less than thirty days prior to the date
15 set for such hearing. The commissioner shall also cause notice of such
16 hearing to be published [~~at least once~~], not [~~more than thirty days nor~~]
17 fewer than [~~ten~~] thirty days before the date set for such hearing, in at
18 least two newspapers having a general circulation in the area where such
19 wetlands are located.

20 4. After considering the testimony given at such hearing and any other
21 facts which may be deemed pertinent and after considering the rights of
22 affected property owners and the policy and purposes of this act, the
23 commissioner shall establish by order the final bounds of each such
24 wetland. A copy of the order, together with a copy of the map depicting
25 such final boundary lines, shall be filed in the office of the clerk of
26 the county in which each such wetland is located. The commissioner shall

33 published in at least two newspapers having a general circulation in the
34 area where such wetlands are located.

35 § 3. This act shall take effect immediately.

36 PART K

37 Section 1. Legislative intent. The legislature hereby finds that
38 consumers in the state do not have ready access to information about the
39 products they may use and the product ingredients they may be exposed to
40 every day. While the state has taken steps to ban certain product ingre-
41 dients known to be harmful to human health and the environment, more
42 must be done to give consumers real time access to product ingredient
43 information so consumers can make informed decisions about which
44 products to buy and use. Specifically, consumers should have the right
45 to know if a product contains a carcinogen, mutagen or endocrine disrupt-
46 tors and other chemicals of concern, the state, as trustee of its
47 natural resources should have the means to identify substances which may
48 be discharged to the environment.

49 § 2. Subdivision 1 of section 35-0103 of the environmental conserva-
50 tion law is amended to read as follows:

51 1. "[~~Household cleansing~~] Cleansing product" means any product,
52 including but not limited to soaps and detergents, containing a surfac-
53 tant as a wetting or dirt emulsifying agent and used primarily for
54 domestic [~~or~~], commercial, or industrial cleaning purposes, including

1 but not limited to, the cleansing of fabrics, dishes, food utensils and
2 household and commercial premises. [~~Household cleansing~~] **Cleansing** prod-
3 uct shall not mean foods, drugs, cosmetics, insecticides, fungicides and
4 rodenticides or cleansing products used primarily in industrial manufac-
5 turing, production and assembling processes as provided by the commis-
6 sioner by rule and regulation.

7 § 3. Section 35-0107 of the environmental conservation law is amended
8 to read as follows:

9 § 35-0107. Powers and duties of commissioner.

10 1. The commissioner is hereby authorized to promulgate regulations
11 requiring manufacturers of [~~household~~] cleansing products distributed,
12 sold or offered for sale in this state, to furnish to the commissioner
13 for the public record as herein provided information regarding such
14 products in a form prescribed by the commissioner including the nature
15 and extent of investigations and research performed by the manufacturer
16 concerning the effects of such products on human health and the environ-
17 ment. These reports shall be available to the public at the department
18 of environmental conservation, except those portions the manufacturer
19 determines, subject to the approval of the commissioner, would be, if
20 disclosed, seriously prejudicial to the manufacturer's legitimate inter-
21 est in trade secrets and economics of operation.

22 2. [~~No later than February 1, 1973 the commissioner shall prepare and~~
23 ~~submit a comprehensive report to the governor and legislature on the~~
24 ~~status of progress made in research and development to provide a safe~~
25 ~~and effective substitute for phosphates in household cleansing products.~~

26 3.] Whenever the commissioner finds, after investigation, that any
27 ingredient of [~~household~~] cleansing products distributed, sold, offered
28 or exposed for sale in this state, other than an ingredient for which
29 limitations are set forth in subdivision 2 of section 35-0105, will or
30 is likely to materially affect adversely human health or the environ-
31 ment, he may, after public hearing, restrict or limit by regulation the
32 use of such ingredient in such products.

33 § 4. Article 37 of the environmental conservation law is amended by
34 adding a new title 9 to read as follows:

35 **TITLE 9**

36 **CONSUMER PRODUCT DISCLOSURE**

37 **Section 37-0901. Short title.**

38 **37-0903. Definitions.**

39 **37-0905. Product labeling.**

40 **37-0907. Chemical disclosure.**

41 **37-0909. Public education.**

42 **37-0911. Rules and regulations.**

43 **37-0913. Enforcement.**

44 **37-0915. Severability.**

45 **§ 37-0901. Short title.**

46 **This title shall be known and may be cited as the "consumer chemical**
47 **awareness act".**

49 **As used in this title, the following terms shall mean:**

50 **1. "Consumer product" means any product sold or offered in the state,**
51 **including but not limited to (a) cleansing products as defined by**
52 **section 35-0103 of this chapter; (b) any product intended for use, or**
53 **that may be reasonably expected to be used, by children; (c) any other**
54 **such product that could, through normal use, expose the user to any**
55 **carcinogen, mutagen, endocrine disruptor or other chemicals of concern**
56 **identified by the department.**

2. "Manufacturer" means any person, firm, association, partnership, limited liability company, corporation, governmental entity, organization, combination or joint venture which is the last entity to produce or assemble a consumer product or, in the case of an imported consumer product, the importer or domestic distributor of such product.

3. "Retailer" means any person, firm, association, partnership, limited liability company, corporation, governmental entity, organization, combination or joint venture which sells or otherwise distributes consumer products to consumers or to any other person for any other purpose other than resale.

§ 37-0905. Product labeling.

Except where prohibited by federal law, the department, in consultation with the department of health and department of state, is hereby authorized to establish standards governing the labeling of consumer products identified by the department in regulations which informs consumers of the ingredients of such products including any carcinogen, mutagen, endocrine disrupter or other chemicals of concern identified by the department.

§ 37-0907. Chemical disclosure.

The commissioner is hereby authorized to require manufacturers of consumer products distributed, sold or offered for sale in this state, to furnish to the commissioner for the public record as herein provided information regarding such products in a form prescribed by the commissioner including the nature and extent of investigations and research performed by the manufacturer concerning the effects of such products on human health and the environment. These reports shall be available to the public at the department, except those portions the manufacturer determines, subject to the approval of the commissioner, would be, if disclosed, seriously prejudicial to the manufacturer's legitimate interest in trade secrets and economics of operation.

§ 37-0909. Public education.

The commissioner shall establish a public education program to disseminate information regarding implementation of this title. Such information may include, but not be limited to, publication of the website maintained by the state where information required to be disclosed pursuant to this title is maintained; publication of a manufacturer's website where disclosure pursuant to this title is effectuated; and, requirements for retailers to post information in a conspicuous location for the benefit of consumers.

§ 37-0911. Rules and regulations.

1. The department is authorized to promulgate such rules and regulations as it shall deem necessary to implement provisions of this title, and shall designate in such rules specific consumer products and chemicals of concern that trigger the labeling and disclosure requirements of this title taking into account factors such as levels of exposure and the feasibility of requiring labeling for such products.

2. Any regulations promulgated pursuant to section 37-0905 of this title shall specify the content of such label and shall at a minimum, direct consumers to where they can find additional information about the product and its ingredients.

§ 37-0913. Enforcement.

1. Any person who violates any of the provisions of or who fails to perform any duty imposed by this title or any rule or regulation promulgated pursuant hereto, shall be liable for a civil penalty not to exceed two thousand five hundred dollars for each such violation and an addi-

1 tional penalty of not more than five hundred dollars for each day during
2 which such violation continues.

3 § 37-0915. Severability.

4 The provisions of this title shall be severable and if any phrase,
5 clause, sentence or provision of this title, or the applicability there-
6 of to any person or circumstance shall be held invalid, the remainder of
7 this title and the application thereof shall not be affected thereby.

8 § 5. The public health law is amended by adding a new article 48-A to
9 read as follows:

10 ARTICLE 48-A

11 REGULATION OF PERSONAL CARE PRODUCTS

12 Section 4850. Declaration of legislative intent and findings.

13 4851. Definitions.

14 4852. Disclosure.

15 4853. Penalties.

16 4854. Severability.

17 § 4850. Declaration of legislative intent and findings. There are
18 tens of thousands of chemicals used commercially in the United States,
19 and each year approximately 1,000 chemicals are added for commercial
20 use. The majority of chemicals in commercial use in the United States,
21 including those used as ingredients in personal care products, have
22 never been fully tested for potential impacts on human health or the
23 environment.

24 Some chemicals used in personal care products have been identified
25 through scientific studies as being potential carcinogens, reproductive
26 or developmental toxicants, or endocrine disruptors. Some have also been
27 found through biomonitoring studies to be present in human blood, breast
28 milk, or urine. These findings have led national and international agen-
29 cies to develop lists of chemicals of concern based on the chemicals'
30 potential to impact human health, and their presence in products that
31 consumers use everyday.

32 Federal law requires personal care product labels to list ingredients.
33 However, information concerning the potential health effects of exposure
34 to these chemical ingredients is not widely available, chemicals used as
35 fragrances or flavoring are exempt from labelling requirements, and
36 personal care products sold for commercial use are not required to carry
37 any ingredient labelling. At present, the only way to identify a product
38 as containing a chemical of concern is to compare labeled product ingre-
39 dients with chemical lists developed by many different agencies.

40 Furthermore, independent testing and laboratory analyses by other
41 states have identified products that contain substances that could
42 potentially cause harmful health effects but that are not identified as
43 an ingredient on the product's label. Nevertheless, under the federal
44 Food, Drug and Cosmetic Act (21 U.S.C. Sec. 301 et seq.), many personal
45 care products and their ingredients are not subject to premarket safety
46 testing, review, or approval before they are sold to the public.

47 Therefore, the legislature hereby finds and declares that the disclo-
48 sures required under federal law of ingredients contained in personal
49 care products fail to adequately educate and protect consumers. In
50 order to empower consumers with the information needed to make well-in-
51 formed decisions regarding products that their families are exposed to
52 daily, it shall be the policy of the state to require the personal care
53 product industry to more fully disclose the ingredients they use and,
54 where applicable, identify ingredients that have been published as a
55 chemical of concern on one or more lists identified by the commissioner.
56 This will benefit consumers, encourage manufacturers to remove poten-

1 tially harmful chemicals from their products, and encourage development
2 of innovative methods including green chemistry to replace these ingre-
3 dients with more environmentally-preferable alternatives.

4 § 4851. Definitions. As used in this article, unless the context
5 requires otherwise:

6 1. "Ingredient" shall mean all of the following:

7 (a) An intentionally added ingredient present in any quantity in the
8 personal care product;

9 (b) A nonfunctional byproduct or nonfunctional contaminant, present in
10 a personal care product in any quantity exceeding one-half of one
11 percent (0.5%) of the content of the product by weight or other amount
12 determined by the commissioner;

13 (c) A nonfunctional byproduct present in a personal care product in
14 any quantity not exceeding one-half of one percent (0.5%) of the content
15 of the product by weight, provided such element or compound has been
16 published as a chemical of concern on one or more lists identified by
17 the commissioner;

18 (d) A nonfunctional contaminant present in a personal care product in
19 a quantity determined by the commissioner and not exceeding one-half of
20 one percent (0.5%) of the content of the product by weight, provided
21 such element or compound has been published as a chemical of concern on
22 one or more lists identified by the commissioner.

23 2. "Intentionally added ingredient" shall mean any element or compound
24 that a manufacturer has intentionally added to a personal care product,
25 and which has a functional or technical effect in the finished product,
26 including, but not limited to, the components of intentionally added
27 fragrance, flavoring and colorants, and the intentional breakdown
28 products of an added element or compound that also have a functional or
29 technical effect on the finished product.

30 3. "nonfunctional byproduct" shall mean any element or compound which
31 has no functional or technical effect in the finished product which (a)
32 was intentionally added during the manufacturing process for a personal
33 care product at any point in a product's, a raw material's or ingredi-
34 ent's supply chain or (b) was created for formed during the manufactur-
35 ing process as an intentional or unintentional consequence of the manu-
36 facturing process at any point in a product's, a raw material's, or an
37 ingredient's supply chain. This shall include, but is not limited to, an
38 unreacted raw material, a breakdown product of an intentionally added
39 ingredient, or a byproduct of the manufacturing process.

40 4. "Nonfunctional contaminant" shall mean any element or compound
41 present in a personal care product as an unintentional consequence of
42 manufacturing which has no functional or technical effect in the
43 finished product. Nonfunctional contaminants include, but are not limit-
44 ed to, elements or compounds present in the environment as contaminants
45 which were introduced into a product, a raw material, or a product
46 ingredient as a result of the use of an environmental medium, such as a
47 naturally occurring mineral, air, soil or water, in the manufacturing
48 process at any point in a product's, a raw material's, or an ingredi-
49 ent's supply chain.

50 5. "Manufacturer" shall mean any person, firm, association, partner-
51 ship, limited liability company, or corporation which produces,
52 prepares, formulates, or compounds a personal care product, or whose
53 brand name is affixed to such product. In the case of a personal care
54 product imported into the United States, "manufacturer" shall mean the
55 importer or first domestic distributor of the product if the entity that

1 manufactures the product or whose brand name is affixed to the product
2 does not have a presence in the United States.

3 6. "Personal care product" shall mean articles intended to be rubbed,
4 poured, sprinkled, or sprayed on, introduced into, or otherwise applied
5 to the human body or any part thereof for cleansing, beautifying,
6 promoting attractiveness, or altering the appearance, and articles
7 intended for use as a component of any such articles; except that such
8 term shall not include soap.

9 7. "Soap" shall mean articles comprised entirely of an alkali salt of
10 fatty acids where the detergent properties of the article are due to the
11 alkali-fatty acid compounds, and the article shall be labeled, sold, and
12 represented only as a soap.

13 § 4852. Disclosure. 1. Manufacturers of personal care products
14 distributed, sold or offered for sale in this state, whether at retail
15 or wholesale, for personal or commercial use, or distributed for promo-
16 tional purposes, shall furnish to the commissioner for public record and
17 post on the manufacturer's website, in a manner prescribed by the
18 commissioner that is readily accessible to the public and machine read-
19 able, such information regarding such products pursuant to rules and
20 regulations promulgated by the commissioner. For each personal care
21 product, such information shall include, but shall not be limited to:

22 (a) A list naming each ingredient, as defined in subdivision one of
23 section forty-eight hundred fifty-one of this article, of the product in
24 descending order of predominance by weight in the product, except that
25 ingredients present at a weight below one percent (1%) may be listed
26 following other ingredients without respect to the order of predominance
27 by weight;

28 (b) The nature and extent of investigations and research performed by
29 or for the manufacturer concerning the effects on human health and the
30 environment of such product or such ingredients; and

31 (c) Where applicable, a statement disclosing that an ingredient is
32 published as a chemical of concern on one or more lists identified by
33 the commissioner.

34 2. Such manufacturers shall furnish information on or before July
35 first, two thousand twenty and every two years thereafter. In addition,
36 such manufacturers shall furnish such information prior to the sale of
37 any new personal care product, when the formulation of a currently
38 disclosed product is changed such that the predominance of the ingredi-
39 ents in such product is changed, when any list of chemicals of concern
40 identified by the commissioner pursuant to this article is changed to
41 include an ingredient present in a personal care product subject to this
42 article, or at such other times as may be required by the commissioner.

43 3. Such information shall be made available to the public by the
44 commissioner and manufacturer, in accordance with this section, with the
45 exception of those portions which the manufacturer determines, subject
46 to the approval of the commissioner, is related to a proprietary process
47 the disclosure of which would compromise the manufacturer's competitive
48 position. The commissioner shall not approve any exceptions under this
49 subdivision with respect to any ingredient published as a chemical of
50 concern on one or more lists identified by the commissioner.

51 § 4853. Penalties. A manufacturer in violation of this article is
52 subject to a civil penalty not to exceed five thousand dollars for each
53 violation in the case of a first offense. Manufacturers who are repeat
54 violators are subject to a civil penalty not to exceed ten thousand
55 dollars for each repeat offense.

§ 4854. Severability. The provisions of this article shall be severable and if any phrase, clause, sentence or provision of this article, or the applicability thereof to any person or circumstance shall be held invalid, the remainder of this article and the application thereof shall not be affected thereby.

§ 6. This act shall take effect on the sixtieth day after it shall have become a law, provided, however, that any rule or regulation promulgated pursuant to this act shall not take effect prior to April 1, 2021; provided, however, that section five of this act shall take effect on January 1, 2020, provided that, effective immediately, the commissioner of health shall be authorized to promulgate any and all rules and regulations necessary to implement the provisions of section five on its effective date.

52 federal student loans in this state and comply with sections seven
53 hundred seventeen, seven hundred nineteen, seven hundred twenty-one,
54 seven hundred twenty-two, seven hundred twenty-three and seven hundred
55 twenty-five of this article and any regulation applicable to student
56 loan servicers promulgated by the superintendent. The provisions of

1 section thirty-three, thirty-nine, and forty-four of this chapter shall
2 apply to a person required to notify the superintendent under this
3 subdivision, as though they were a licensed student loan servicer.

4 § 712. Application for a student loan servicer license; fees. 1. The
5 application for a license to engage in the business of servicing student
6 loans shall be in writing, under oath, and in the form prescribed by the
7 superintendent. Notwithstanding article three of the state technology
8 law or any other law to the contrary, the superintendent may require
9 that an application for a license or any other submission or application
10 for approval as may be required by this article be made or executed by
11 electronic means if he or she deems it necessary to ensure the efficient
12 and effective administration of this article. The application shall
13 include a description of the activities of the applicant, in such detail
14 and for such periods as the superintendent may require; including:

15 (a) an affirmation of financial solvency noting such capitalization
16 requirements as may be required by the superintendent, and access to
17 such credit as may be required by the superintendent;

18 (b) a financial statement prepared by a certified public accountant,
19 the accuracy of which is sworn to under oath before a notary public by
20 an officer or other representative of the applicant who is authorized to
21 execute such documents;

22 (c) an affirmation that the applicant, or its members, officers, part-
23 ners, directors and principals as may be appropriate, are at least twenty-
24 one years of age;

25 (d) information as to the character, fitness, financial and business
26 responsibility, background and experiences of the applicant, or its
27 members, officers, partners, directors and principals as may be appro-
28 priate;

29 (e) any additional detail or information required by the superinten-
30 dent.

31 2. An application to become a licensed student loan servicer or any
32 application with respect to a student loan servicer shall be accom-
33 plished by a fee as prescribed pursuant to section eighteen-a of this
34 chapter.

35 § 713. Application process to receive license to engage in the busi-
36 ness of student loan servicing. 1. Upon the filing of an application for
37 a license, if the superintendent shall find that the financial responsi-
38 bility, experience, character, and general fitness of the applicant and,
39 if applicable, the members, officers, partners, directors and principals
40 of the applicant are such as to command the confidence of the community
41 and to warrant belief that the business will be operated honestly, fair-
42 ly, and efficiently within the purpose of this article, the superinten-
43 dent shall thereupon issue a license in duplicate to engage in the busi-
44 ness of servicing student loans described in section seven hundred ten
45 of this article in accordance with the provisions of this article. If
46 the superintendent shall not so find, the superintendent shall not issue
47 a license, and the superintendent shall so notify the applicant. The
48 superintendent shall transmit one copy of a license to the applicant and
49 file another in the office of the department of financial services. Upon
50 receipt of such license, a student loan servicer shall be authorized to
51 engage in the business of servicing student loans in accordance with the
52 provisions of this article. Such license shall remain in full force and
53 effect until it is surrendered by the servicer or revoked or suspended
54 as hereinafter provided.

55 2. The superintendent may refuse to issue a license pursuant to this
56 article if he or she shall find that the applicant, or any person who is

1 a director, officer, partner, agent, employee, member, or substantial
2 stockholder of the applicant:

3 (a) has been convicted of a crime involving an activity which is a
4 felony under this chapter or under article one hundred fifty-five, one
5 hundred seventy, one hundred seventy-five, one hundred seventy-six, one
6 hundred eighty, one hundred eighty-five, one hundred eighty-seven, one
7 hundred ninety, two hundred, two hundred ten or four hundred seventy of
8 the penal law or any comparable felony under the laws of any other state
9 of the United States, provided that such crime would be a felony if
10 committed and prosecuted under the laws of this state;

11 (b) has had a license or registration revoked by the superintendent or
12 any other regulator or jurisdiction;

13 (c) has been an officer, director, partner, member or substantial
14 stockholder of an entity which has had a license or registration revoked
15 by the superintendent or any other regulator or jurisdiction; or

16 (d) has been an agent, employee, officer, director, partner or member
17 of an entity which has had a license or registration revoked by the
18 superintendent where such person shall have been found by the super-
19 intendent to bear responsibility in connection with the revocation.

20 3. The term "substantial stockholder", as used in this section, shall
21 be deemed to refer to a person owning or controlling directly or indi-
22 rectly ten per centum or more of the total outstanding stock of a corpo-
23 ration.

24 § 714. Changes in officers and directors. Upon any change of any of
25 the executive officers, directors, partners or members of any student
26 loan servicer required to be licensed under section seven hundred eleven
27 of this article, the student loan servicer shall submit to the super-
28 intendent the name, address, and occupation of each new officer, direc-
29 tor, partner or member, and provide such other information as the super-
30 intendent may require.

31 § 715. Changes in control. 1. It shall be unlawful except with the
32 prior approval of the superintendent for any action to be taken which
33 results in a change of control of the business of a student loan servi-
34 cer required to be licensed under section seven hundred eleven of this
35 article. Prior to any change of control, the person desirous of acquir-
36 ing control of the business of a student loan servicer shall make writ-
37 ten application to the superintendent and pay an investigation fee as
38 prescribed pursuant to section eighteen-a of this chapter to the super-
39 intendent. The application shall contain such information as the super-
40 intendent, by rule or regulation, may prescribe as necessary or appro-
41 priate for the purpose of making the determination required by
42 subdivision two of this section. This information shall include but not
43 be limited to the information and other material required for a student
44 loan servicer by subdivision one of section seven hundred twelve of this
45 article.

46 2. The superintendent shall approve or disapprove the proposed change
47 of control of a student loan servicer required to be licensed under
48 section seven hundred eleven of this article in accordance with the
49 provisions of section seven hundred thirteen of this article.

50 3. For a period of six months from the date of qualification thereof
51 and for such additional period of time as the superintendent may
52 prescribe, in writing, the provisions of subdivisions one and two of
53 this section shall not apply to a transfer of control by operation of
54 law to the legal representative, as hereinafter defined, of one who has
55 control of a student loan servicer. Thereafter, such legal represen-
56 tative shall comply with the provisions of subdivisions one and two of

1 this section. The provisions of subdivisions one and two of this section
2 shall be applicable to an application made under such section by a legal
3 representative. The term "legal representative", for the purposes of
4 this subdivision, shall mean one duly appointed by a court of competent
5 jurisdiction to act as executor, administrator, trustee, committee,
6 conservator or receiver, including one who succeeds a legal represen-
7 tative and one acting in an ancillary capacity thereto in accordance
8 with the provisions of such court appointment.

9 4. As used in this section the term "control" means the possession,
10 directly or indirectly, of the power to direct or cause the direction of
11 the management and policies of a student loan servicer, whether through
12 the ownership of voting stock of such student loan servicer, the owner-
13 ship of voting stock of any person which possesses such power or other-
14 wise. Control shall be presumed to exist if any person, directly or
15 indirectly, owns, controls or holds with power to vote ten per centum or
16 more of the voting stock of any student loan servicer or of any person
17 which owns, controls or holds with power to vote ten per centum or more
18 of the voting stock of any student loan servicer, but no person shall be
19 deemed to control a student loan servicer solely by reason of being an
20 officer or director of such student loan servicer. The superintendent
21 may in his or her discretion, upon the application of a student loan
22 servicer or any person who, directly or indirectly, owns, controls or
23 holds with power to vote or seeks to own, control or hold with power to
24 vote any voting stock of such student loan servicer, determine whether
25 or not the ownership, control or holding of such voting stock consti-
26 tutes or would constitute control of such student loan servicer for
27 purposes of this section.

28 § 716. Grounds for suspension or revocation of license. 1. After
29 notice and hearing, the superintendent may revoke or suspend any license
30 to engage in the business of a student loan servicer issued pursuant to
31 this article if he or she shall find that:

32 (a) a servicer has violated any provision of this article, any rule or
33 regulation promulgated by the superintendent under and within the
34 authority of this article, or any other applicable law;

35 (b) any fact or condition exists which, if it had existed at the time
36 of the original application for such license, would have warranted the
37 superintendent refusing originally to issue such license;

38 (c) a servicer does not cooperate with an examination or investigation
39 by the superintendent;

40 (d) a servicer engages in fraud, intentional misrepresentation, or
41 gross negligence in servicing a student loan;

42 (e) the competence, experience, character, or general fitness of the
43 servicer, an individual controlling, directly or indirectly, ten percent
44 or more of the outstanding interests, or any person responsible for
45 servicing a student loan for the servicer indicates that it is not in
46 the public interest to permit the servicer to continue servicing student
47 loans;

48 (f) the servicer engages in an unsafe or unsound practice;

49 (g) the servicer is insolvent, suspends payment of its obligations, or
50 makes a general assignment for the benefit of its creditors; or

51 (h) a servicer has violated the laws of this state, any other state or
52 any federal law involving fraudulent or dishonest dealing, or a final
53 judgement has been entered against a student loan servicer in a civil
54 action upon grounds of fraud, misrepresentation or deceit.

55 2. The superintendent may, on good cause shown, or where there is a
56 substantial risk of public harm, suspend any license for a period not

1 exceeding thirty days, pending investigation. "Good cause", as used in
2 this subdivision, shall exist when a student loan servicer has defaulted
3 or is likely to default in performing its financial engagements or
4 engages in dishonest or inequitable practices which may cause substan-
5 tial harm to the persons afforded the protection of this article.

6 3. Except as provided in subdivision two of this section, no license
7 shall be revoked or suspended except after notice and hearing thereon.
8 Any order of suspension issued after notice and a hearing may include as
9 a condition of reinstatement that the student loan servicer make resti-
10 tution to consumers of fees or other charges which have been improperly
11 charged or collected, including but not limited to by allocating
12 payments contrary to a borrower's direction or in a manner that fails to
13 help a borrower avoid default, as determined by the superintendent. Any
14 hearing held pursuant to the provisions of this section shall be
15 noticed, conducted and administered in compliance with the state admin-
16 istrative procedure act.

17 4. Any student loan servicer may surrender any license by delivering
18 to the superintendent written notice that it thereby surrenders such
19 license, but such surrender shall not affect such servicer's civil or
20 criminal liability for acts committed prior to such surrender. If such
21 surrender is made after the issuance by the superintendent of a state-
22 ment of charges and notice of hearing, the superintendent may proceed
23 against the servicer as if such surrender had not taken place.

24 5. No revocation, suspension, or surrender of any license shall impair
25 or affect the obligation of any pre-existing lawful contract between the
26 student loan servicer and any person, including the department of finan-
27 cial services.

28 6. Every license issued pursuant to this article shall remain in force
29 and effect until the same shall have been surrendered, revoked or
30 suspended in accordance with any other provisions of this article.

31 7. Whenever the superintendent shall revoke or suspend a license
32 issued pursuant to this article, he or she shall forthwith execute in
33 duplicate a written order to that effect. The superintendent shall file
34 one copy of such order in the office of the department and shall forth-
35 with serve the other copy upon the student loan servicer. Any such order
36 may be reviewed in the manner provided by article seventy-eight of the
37 civil practice law and rules.

38 § 717. Books and records; reports and electronic filing. 1. Each
39 student loan servicer shall keep and use in its business such books,
40 accounts and records as will enable the superintendent to determine
41 whether such servicer or exempt organization is complying with the
42 provisions of this article and with the rules and regulations lawfully
43 made by the superintendent. Every servicer shall preserve such books,
44 accounts, and records, for at least three years.

45 2. (a) Each student loan servicer, other than an exempt organization,
46 shall annually, on or before a date to be determined by the superinten-
47 dent, file a report with the superintendent giving such information as
48 the superintendent may require concerning the business and operations
49 during the preceding calendar year of such servicer under authority of
50 this article. Such report shall be subscribed and affirmed as true by
51 the servicer under the penalties of perjury and shall be in the form
52 prescribed by the superintendent.

53 (b) In addition to annual reports, the superintendent may require such
54 additional regular or special reports as he or she may deem necessary to
55 the proper supervision of student loan servicers under this article.
56 Such additional reports shall be subscribed and affirmed as true by the

1 servicer under the penalties of perjury and shall be in the form
2 prescribed by the superintendent.

3 3. Notwithstanding article three of the state technology law or any
4 other law to the contrary, the superintendent may require that any
5 submission or approval as may be required by the superintendent be made
6 or executed by electronic means if he or she deems it necessary to
7 ensure the efficient administration of this article.

8 § 718. Rules and Regulations. 1. In addition to such powers as may
9 otherwise be prescribed by law, the superintendent is hereby authorized
10 and empowered to promulgate such rules and regulations as may in the
11 judgement of the superintendent be consistent with the purposes of this
12 article, or appropriate for the effective administration of this arti-
13 cle, including, but not limited to:

14 (a) Such rules and regulations in connection with the activities of
15 student loan servicers as may be necessary and appropriate for the
16 protection of borrowers in this state.

17 (b) Such rules and regulations as may be necessary and appropriate to
18 define unfair, deceptive or abusive acts or practices in connection with
19 the activities of student loan servicers.

20 (c) Such rules and regulations as may define the terms used in this
21 article and as may be necessary and appropriate to interpret and imple-
22 ment the provisions of this article.

23 (d) Such rules and regulations as may be necessary for the enforcement
24 of this article.

25 2. The superintendent is hereby authorized and empowered to make such
26 specific rulings, demands and findings as the superintendent may deem
27 necessary for the proper conduct of the student loan servicing industry.

28 § 719. Prohibited practices. No student loan servicer shall:

29 1. Employ any scheme, device or artifice to defraud or mislead a
30 borrower;

31 2. Engage in any unfair, deceptive or predatory act or practice toward
32 any person or misrepresent or omit any material information in
33 connection with the servicing of a student loan, including, but not
34 limited to, misrepresenting the amount, nature or terms of any fee or
35 payment due or claimed to be due on a student loan, the terms and condi-
36 tions of the loan agreement or the borrower's obligations under the
37 loan;

38 3. Misapply payments to the outstanding balance of any student loan or
39 to any related interest or fees;

40 4. Provide inaccurate information to a consumer reporting agency;

41 5. Refuse to communicate with an authorized representative of the
42 borrower who provides a written authorization signed by the borrower,
43 provided that the servicer may adopt procedures reasonably related to
44 verifying that the representative is in fact authorized to act on behalf
45 of the borrower;

46 6. Make any false statement or make any omission of a material fact in
47 connection with any information or reports filed with a governmental
48 agency or in connection with any investigation conducted by the super-
49 intendent or another governmental agency;

50 7. Fail to respond within fifteen calendar days to communications from
51 the department, or within such shorter, reasonable time as the depart-
52 ment may request in his or her communication; or

53 8. Fail to provide a response within fifteen calendar days to a
54 consumer complaint submitted to the servicer by the department. If
55 necessary, a student loan servicer may request additional time up to a
56 maximum of forty-five calendar days, provided that such request is

1 accompanied by an explanation why such additional time is reasonable and
2 necessary.

3 § 720. Servicing student loans without a license. 1. Whenever, in the
4 opinion of the superintendent, a person is engaged in the business of
5 servicing student loans, other than federal loans, either actually or
6 through subterfuge, without a license from the superintendent, the
7 superintendent may order that person to desist and refrain from engaging
8 in the business of servicing student loans in the state. If, within
9 thirty days after an order is served, a request for a hearing is filed
10 in writing and the hearing is not held within sixty days of the filing,
11 the order shall be rescinded.

12 2. This section does not apply to exempt organizations.

13 § 721. Responsibilities. 1. If a student loan servicer regularly
14 reports information to a consumer reporting agency, the servicer shall
15 accurately report a borrower's payment performance to at least one
16 consumer reporting agency that compiles and maintains files on consumers
17 on a nationwide basis as defined in Section 603(p) of the federal Fair
18 Credit Reporting Act (15 U.S.C. Sec. 1681a(p)), upon acceptance as a
19 data furnisher by that consumer reporting agency.

20 2. (a) Except as provided in federal law or required by a student loan
21 agreement, a student loan servicer shall inquire of a borrower how to
22 apply a borrower's nonconforming payment. A borrower's direction on how
23 to apply a nonconforming payment shall remain in effect for any future
24 nonconforming payment during the term of a student loan until the
25 borrower provides different directions.

26 (b) For purposes of this subdivision, "nonconforming payment" shall
27 mean a payment that is either more or less than the borrower's required
28 student loan payment.

29 3. (a) If the sale, assignment, or other transfer of the servicing of
30 a student loan results in a change in the identity of the person to whom
31 the borrower is required to send subsequent payments or direct any
32 communications concerning the student loan, a student loan servicer
33 shall transfer all information regarding a borrower, a borrower's
34 account, and a borrower's student loan, including but not limited to the
35 borrower's repayment status and any borrower benefits associated with
36 the borrower's student loan, to the new student loan servicer servicing
37 the borrower's student loan within forty-five days.

38 (b) A student loan servicer shall adopt policies and procedures to
39 verify that it has received all information regarding a borrower, a
40 borrower's account, and a borrower's student loan, including but not
41 limited to the borrower's repayment status and any borrower benefits
42 associated with the borrower's student loan, when the servicer obtains
43 the right to service a student loan.

44 4. If a student loan servicer sells, assigns, or otherwise transfers
45 the servicing of a student loan to a new servicer, the sale, assignment
46 or other transfer shall be completed at least seven days before the
47 borrower's next payment is due.

48 5. (a) A student loan servicer that sells, assigns, or otherwise
49 transfers the servicing of a student loan shall require as a condition
50 of such sale, assignment or other transfer that the new student loan
51 servicer shall honor all borrower benefits originally represented as
52 being available to a borrower during the repayment of the student loan
53 and the possibility of such benefits, including any benefits that were
54 represented as being available but for which the borrower had not yet
55 qualified.

1 (b) A student loan servicer that obtains the right to service a
2 student loan shall honor all borrower benefits originally represented as
3 being available to a borrower during the repayment of the student loan
4 and the possibility of such benefits, including any benefits that were
5 represented as being available but for which the borrower had not yet
6 qualified.

7 6. A student loan servicer shall respond within thirty days after
8 receipt to a written inquiry from a borrower or a borrower's represen-
9 tative.

10 7. A student loan servicer shall preserve records of each student loan
11 and all communications with borrowers for not less than two years
12 following the final payment on such student loan or the sale, assignment
13 or other transfer of the servicing of such student loan, whichever
14 occurs first, or such longer period as may be required by any other
15 provision of law.

16 § 722. Examinations. 1. The superintendent may at any time, and as
17 often as he or she may determine, either personally or by a person duly
18 designated by the superintendent, investigate the business and examine
19 the books, accounts, records, and files used therein of every student
20 loan servicer. For that purpose the superintendent and his or her duly
21 designated representative shall have free access to the offices and
22 places of business, books, accounts, papers, records, files, safes and
23 vaults of all such servicers. The superintendent and any person duly
24 designated by him or her shall have authority to require the attendance
25 of and to examine under oath all persons whose testimony he or she may
26 require relative to such business.

27 2. No person subject to investigation or examination under this
28 section may knowingly withhold, abstract, remove, mutilate, destroy or
29 secrete any books, records, computer records or other information.

30 3. The expenses incurred in making any examination pursuant to this
31 section shall be assessed against and paid by the student loan servicer
32 so examined, except that travelling and subsistence expenses so incurred
33 shall be charged against and paid by servicers in such proportions as
34 the superintendent shall deem just and reasonable, and such propor-
35 tionate charges shall be added to the assessment of the other expenses
36 incurred upon each examination. Upon written notice by the superinten-
37 dent of the total amount of such assessment, the servicer shall become
38 liable for and shall pay such assessment to the superintendent.

39 4. In any hearing in which a department employee acting under authori-
40 ty of this chapter is available for cross-examination, any official
41 written report, worksheet, other related papers, or duly certified copy
42 thereof, compiled, prepared, drafted, or otherwise made by said depart-
43 ment employee, after being duly authenticated by said employee, may be
44 admitted as competent evidence upon the oath of said employee that said
45 worksheet, investigative report, or other related documents were
46 prepared as a result of an examination of the books and records of a
47 servicer or other person, conducted pursuant to the authority of this
48 chapter.

49 5. Unless it is an exempt organization, affiliates of a student loan
50 servicer are subject to examination by the superintendent on the same
51 terms as the servicer, but only when reports from, or examination of, a
52 servicer provides evidence of unlawful activity between a servicer and
53 affiliate benefitting, affecting, or arising from the activities regu-
54 lated by this article.

55 6. This section shall not apply to exempt organizations. To the extent
56 the superintendent is authorized by any other law to make an examination

1 into the affairs of any exempt organization, this subdivision shall not
2 be construed to limit in any way the superintendent's authority, regard-
3 ing the subjects of such an examination, or otherwise.

4 § 723. Penalties for violation of this article. 1. In addition to such
5 penalties as may otherwise be applicable by law, including but not
6 limited to the penalties available under section forty-four of this
7 chapter, the superintendent may, after notice and hearing, require any
8 person found violating the provisions of this article or the rules or
9 regulations promulgated hereunder to pay to the people of this state a
10 penalty for each violation of the article or any regulation or policy
11 promulgated hereunder a sum not to exceed the greater of (i) ten thou-
12 sand dollars for each offense; (ii) a multiple of two times the aggre-
13 gate damages attributable to the violation; or (iii) a multiple of two
14 times the aggregate economic gain attributable to the violation.

15 2. Nothing in this article shall limit any statutory or common-law
16 right of any person to bring any action in any court for any act, or the
17 right of the state to punish any person for any violation of any law.

18 § 724. Severability of provisions. If any provision of this article,
19 or the application of such provision to any person or circumstance,
20 shall be held invalid, illegal or unenforceable, the remainder of the
21 article, and the application of such provision to persons or circum-
22 stances other than those as to which it is held invalid, illegal or
23 unenforceable, shall not be affected thereby.

24 § 725. Compliance with other laws. 1. Student loan servicers shall
25 engage in the business of servicing student loans in conformity with the
26 provisions of the financial services law, this chapter, such rules and
27 regulations as may be promulgated by the superintendent thereunder and
28 all applicable federal laws and the rules and regulations promulgated
29 thereunder.

30 2. Nothing in this section shall be construed to limit any otherwise
31 applicable state or federal law or regulations.

32 § 2. Subdivision 10 of section 36 of the banking law, as amended by
33 chapter 182 of the laws of 2011, is amended to read as follows:

34 10. All reports of examinations and investigations, correspondence and
35 memoranda concerning or arising out of such examination and investi-
36 gations, including any duly authenticated copy or copies thereof in the
37 possession of any banking organization, bank holding company or any
38 subsidiary thereof (as such terms "bank holding company" and "subsidi-
39 ary" are defined in article three-A of this chapter), any corporation
40 or any other entity affiliated with a banking organization within the
41 meaning of subdivision six of this section and any non-banking subsid-
42 iary of a corporation or any other entity which is an affiliate of a
43 banking organization within the meaning of subdivision six-a of this
44 section, foreign banking corporation, licensed lender, licensed casher
45 of checks, licensed mortgage banker, registered mortgage broker,
46 licensed mortgage loan originator, licensed sales finance company,
47 registered mortgage loan servicer, licensed student loan servicer,
48 licensed insurance premium finance agency, licensed transmitter of
49 money, licensed budget planner, any other person or entity subject to
50 supervision under this chapter, or the department, shall be confidential
51 communications, shall not be subject to subpoena and shall not be made
52 public unless, in the judgment of the superintendent, the ends of
53 justice and the public advantage will be subserved by the publication
54 thereof, in which event the superintendent may publish or authorize the
55 publication of a copy of any such report or any part thereof in such
56 manner as may be deemed proper or unless such laws specifically author-

1 ize such disclosure. For the purposes of this subdivision, "reports of
2 examinations and investigations, and any correspondence and memoranda
3 concerning or arising out of such examinations and investigations",
4 includes any such materials of a bank, insurance or securities regulato-
5 ry agency or any unit of the federal government or that of this state
6 any other state or that of any foreign government which are considered
7 confidential by such agency or unit and which are in the possession of
8 the department or which are otherwise confidential materials that have
9 been shared by the department with any such agency or unit and are in
10 the possession of such agency or unit.

11 § 3. Section 39 of the banking law, as amended by section 1 of part FF
12 of chapter 59 of the laws of 2004, subdivisions 1, 2 and 5 as amended by
13 chapter 123 of the laws of 2009, subdivision 3 as amended by chapter 155
14 of the laws of 2012 and subdivision 6 as amended by chapter 217 of the
15 laws of 2010, is amended to read as follows:

16 § 39. Orders of superintendent. 1. To appear and explain an apparent

9 had been committed, though not in the police officer's presence, when he
10 or she has reasonable cause to believe that the violation was committed
11 by such person. For the purposes of this subdivision police officer
12 shall also include a peace officer authorized to enforce this chapter
13 when the alleged violation constitutes a crime.

34 such person and in accordance with the rules and regulations established
35 by the police force of which the officer is a member.

36 (b) For the purpose of this subdivision "reasonable cause" shall be
37 determined by viewing the totality of circumstances surrounding the

39 operating a locally authorized scooter in violation of any paragraph of
40 subdivision one of this section. Such circumstances may include, but are
41 not limited to: evidence that the operator was operating a locally
42 authorized scooter in violation of any provision of this chapter, local
43 law, ordinance, order, rule or regulation which regulates the manner in
44 which a locally authorized scooter be properly operated at the time of
45 the incident; any visible indication of alcohol or drug consumption or

4 was operating a locally authorized scooter:

5 (i) evidence that there was .05 of one per centum or less by weight of
6 alcohol in such person's blood shall be prima facie evidence that the
7 ability of such person to operate a locally authorized scooter was not
8 impaired by the consumption of alcohol, and that such person was not in
9 an intoxicated condition.

10 (ii) evidence that there was more than .05 of one per centum but less
11 than .07 of one per centum by weight of alcohol in such person's blood
12 shall be prima facie evidence that such person was not in an intoxicated
13 condition, but such evidence shall be relevant evidence but not be given
14 prima facie effect, in determining whether the ability of such person to
15 operate a locally authorized scooter was impaired by the consumption of
16 alcohol.

17 (iii) evidence that there was .07 of one per centum or more but less
18 than .08 of one per centum by weight of alcohol in his or her blood
19 shall be prima facie evidence that such person was not in an intoxicated

27 7. Limitations. (a) A locally authorized scooter operator may be
28 convicted of a violation of paragraphs (a), (b), (d), (e) and (f) of
29 subdivision one of this section, notwithstanding that the charge laid
30 before the court alleged a violation of paragraph (b), (d), (e) or (f)
31 of subdivision one of this section, and regardless of whether or not
32 such condition is based on a plea of guilty.

33 (b) In any case wherein the charge laid before the court alleges a
34 violation of paragraph (b), (c), (d), (e) or (f) of subdivision one of
35 this section, any plea of guilty thereafter entered in satisfaction of
36 such charge must include at least a plea of guilty to the violation of
37 the provisions of one of the paragraphs of such subdivision one and no
38 other disposition by plea of guilty to any other charge in satisfaction
39 of such charge shall be authorized; provided, however, if the district
40 attorney upon reviewing the available evidence determines that the
41 charge of a violation of subdivision one of this section is not
42 warranted, he or she may consent, and the court may allow, a disposition
43 by a plea of guilty to another charge in satisfaction of such charge.

47 or she has reasonable cause to believe that the violation was committed
48 by such person. For the purposes of this subdivision police officer

18 (b) For the purpose of this subdivision "reasonable cause" shall be
19 determined by viewing the totality of circumstances surrounding the

21 operating a locally authorized motorcycle in violation of any paragraph
22 of subdivision one of this section. Such circumstances may include, but
23 are not limited to: evidence that the operator was operating a locally
24 authorized motorcycle in violation of any provision of this chapter,

42 was operating a locally authorized motorcycle:

43 (i) evidence that there was .05 of one per centum or less by weight of
44 alcohol in such person's blood shall be prima facie evidence that the
45 ability of such person to operate a locally authorized motorcycle was
46 not impaired by the consumption of alcohol, and that such person was not
47 in an intoxicated condition.

48 (ii) evidence that there was more than .05 of one per centum but less
49 than .07 of one per centum by weight of alcohol in such person's blood
50 shall be prima facie evidence that such person was not in an intoxicated
51 condition, but such evidence shall be relevant evidence but not be given
52 prima facie effect, in determining whether the ability of such person to
53 operate a locally authorized motorcycle was impaired by the consumption
54 of alcohol.

55 (iii) evidence that there was .07 of one per centum or more but less
56 than .08 of one per centum by weight of alcohol in his or her blood

1 shall be prima facie evidence that such person was not in an intoxicated
2 condition, but such evidence shall be given prima facie effect in deter-

5 (c) Evidence of a refusal to submit to a chemical test or any portion
6 thereof shall be admissible in any trial or hearing provided the request
7 to submit to such a test was made in accordance with the provisions of
8 subdivision five of this section.

9 7. Limitations. (a) A locally authorized motorcycle operator may be
10 convicted of a violation of paragraphs (a), (b), (d), (e) and (f) of
11 subdivision one of this section, notwithstanding that the charge laid
12 before the court alleged a violation of paragraph (b), (d), (e) or (f)
13 of subdivision one of this section, and regardless of whether or not
14 such condition is based on a plea of guilty.

15 (b) In any case wherein the charge laid before the court alleges a
16 violation of paragraph (b), (c), (d), (e) or (f) of subdivision one of
17 this section, any plea of guilty thereafter entered in satisfaction of
18 such charge must include at least a plea of guilty to the violation of
19 the provisions of one of the paragraphs of such subdivision one and no
20 other disposition by plea of guilty to any other charge in satisfaction
21 of such charge shall be authorized; provided, however, if the district
22 attorney upon reviewing the available evidence determines that the
23 charge of a violation of subdivision one of this section is not
24 warranted, he or she may consent, and the court may allow, a disposition
25 by plea of guilty to another charge in satisfaction of such charge.

26 § 5. This act shall take effect immediately.

The New York state energy research and development authority is authorized and directed to: (1) transfer \$1 million to the state general fund for services and expenses of the department of environmental conservation, \$150,000 to the state general fund for services and expenses of the department of agriculture and markets, and \$825,000 to the University of Rochester laboratory for laser energetics from the funds received; and (2) commencing in 2016, provide to the chair of the public service commission and the director of the budget and the chairs and secretaries of the legislative fiscal committees, on or before August first of each year, an itemized record, certified by the president and chief executive officer of the authority, or his or her designee, detailing any and all expenditures and commitments ascribable to moneys received as a result of this assessment by the chair of the department of public service pursuant to section 18-a of the public service law. This itemized record shall include an itemized breakdown of the programs being funded by this section and the amount committed to each program. The authority shall not commit for any expenditure, any moneys derived from the assessment provided for in

3 financial plan encompassing all moneys available to and all anticipated
4 commitments and expenditures by such authority from any source for the
5 operations of such authority. Copies of the approved comprehensive
6 financial plan shall be immediately submitted by the chair to the chairs
7 and secretaries of the legislative fiscal committees. Any such amount
8 not committed by such authority to contracts or contracts to be awarded
9 or otherwise expended by the authority during the fiscal year shall be
10 refunded by such authority on a pro-rata basis to such gas and/or elec-
11 tric corporations, in a manner to be determined by the department of
12 public service, and any refund amounts must be explicitly lined out in

16 PART X

17 Section 1. Short title. This act shall be known and may be cited as
18 the "climate leadership act".

19 § 2. Legislative findings. The legislature finds and declares that:

20 1. New York state is on the front lines of the battle against climate
21 change, recognizing the moral imperative for this generation to protect
22 the next.

23 2. New York state has already experienced firsthand the damaging
24 consequences of a changing climate along with the economic impacts of
25 increasingly frequent and violent weather.

26 3. New York state accepts its responsibility to lead the fight to
27 address climate change, and as the world's thirteenth largest economy,
28 embraces this responsibility and the need for greater climate action and
29 leadership.

30 4. New York state accepts the findings of the United Nations Intergov-
31 ernmental Panel on Climate Change and the international scientific
32 community that global temperature must not increase by more than 2
33 degrees Celsius above preindustrial levels in order to avert the most
34 damaging effects of a changing climate.

35 5. New York state is mindful of the federal government's fourth
36 National Climate Assessment, which predicts that if significant steps
37 are not taken, the damage from climate change will reduce the size of
38 the U.S. economy by century's end as a result of severe weather and
39 natural disasters.

40 6. New York state is a national and international leader in addressing
41 climate change and has adopted ambitious policies and initiatives to
42 dramatically reduce greenhouse gas emissions, including a target to
43 reduce greenhouse gas emissions by 40% from 1990 levels by 2030, and 80%
44 from 1990 levels by 2050.

45 7. New York state is a founding participant in the U.S. Climate Alli-
46 ance, Regional Greenhouse Gas Initiative, and Zero Emissions Vehicles
47 Initiative.

48 8. New York state's Reforming the Energy Vision is a nationally recog-
49 nized initiative to fundamentally transform the state's energy economy
50 into one that is increasingly clean, resilient and affordable.

51 9. New York state's Clean Energy Standard was one of the first
52 programs in the nation to mandate that 50% of electricity come from
53 renewable energy sources by 2030.

10. New York state's offshore wind, solar, energy storage, and energy efficiency targets and programs are leading the nation in propelling the rapid growth of clean energy industries across the state.

11. New York state is committed to achieving carbon neutrality as soon as practicable and to ensuring that the transition to a carbon neutral economy is equitable for all New Yorkers and a transitioning workforce.

12. New York state acknowledges that worsening climate impacts will disproportionately affect low-income and disadvantaged communities, and is committed to making systemic changes to address the unequal impacts of negative environmental burdens on distressed communities and sharing the burdens and benefits of addressing climate change equitably and fairly.

13. New York state is committed to ensuring that by the year 2040 one hundred percent of its electricity is generated by clean sources, that by 2030 seventy percent of its electricity is generated by renewable sources and that the state is on a path to becoming carbon neutral economy-wide as soon as practicable.

§ 3. The energy law is amended by adding a new section 6-105 to read as follows:

§ 6-105. Climate action council and roadmap for statewide carbon neutrality. 1. It is hereby established as state policy that, as soon as practicable, the state must sequester or offset a greater quantity of atmospheric greenhouse gases than are emitted within the state, and that in the consideration of carbon neutrality, the state must take into account both atmospheric carbon and greenhouse gas emissions as well as offsets from the local sequestration of atmospheric carbon and greenhouse gases through long-term sinks and reservoirs.

2. In furtherance of state policy provided in subdivision one of this section, there is hereby established a climate action council, which shall consist of the following members or their designees:

(a) the commissioner of the state department of environmental conservation;

(b) the president of the energy research and development authority;

(c) the chair of the public service commission;

(d) the commissioner of labor of the state of New York;

(e) the commissioner of the state department of transportation;

29 as well as in other states, regions and nations;

30 (e) evaluate, using economic models, emission estimation techniques
31 and other scientific methods, the potential costs and potential economic
32 and non-economic benefits of transitioning to a carbon-neutral economy
33 on a statewide and multistate basis, taking into account the impact on
34 consumers and any regional variations and make such evaluation publicly
35 available;

36 (f) evaluate, using economic models, emission estimation techniques
37 and other scientific methods the economic, environmental, and public
38 health benefits and co-benefits of greenhouse gas emissions reductions
39 on a statewide and multistate basis, taking into account the value of

39 of this section to the governor, the speaker of the assembly, and the
40 temporary president of the senate. The council shall prepare and submit
41 a report, by December thirty-first, two thousand nineteen, and annually
42 thereafter, until completion of the roadmap required by subdivision four
43 of this section, detailing the progress of the council and identify any

55 required by subdivision four of this section.

11. Staff services shall be performed by the departments of public service, environmental conservation, transportation, agriculture and markets, labor, and the New York state energy research and development authority, as directed by the council. Assistance shall also be made available, as requested by the council, from other agencies, departments and public authorities of the state. The council may provide for its own representation in all actions or proceedings in which it is a party.

§ 4. The energy law is amended by adding a new section 6-110 to read as follows:

§ 6-110. Environmental justice and just transition working group. 1. 13 units of carbon dioxide equivalent for the year two thousand thirty, at
14 which statewide greenhouse gas emissions would achieve a forty percent
15 reduction from nineteen hundred ninety emission levels based on an
16 inventory of statewide emissions developed or approved by the depart-
17 ment. The department may periodically revise the limit based on new
18 information.

19 § 75-0105. Regulations to achieve statewide greenhouse gas emissions

42 phere, but are not intended for end-use combustion; and

43 (d) mechanisms to minimize leakage.

44 § 75-0107. Value of carbon.

45 1. No later than one year after the effective date of this article,

47 authority, shall establish a social cost of carbon for use by New York
48 state agencies, expressed in terms of dollars per ton of carbon dioxide
49 equivalent.

50 2. The social cost of carbon shall serve as a monetary estimate of the
51 value of not emitting a ton of greenhouse gas emissions. As determined
52 by the department, the social cost of carbon may be based on marginal
53 greenhouse gas abatement costs or on the global economic, environmental,
54 and social impacts of emitting a marginal ton of greenhouse gas emis-
55 sions into the atmosphere, utilizing a range of appropriate discount
56 rates, including a rate of zero.

9 2-a. The director shall promulgate rules and regulations that will
10 accomplish the following:

14 (b) require that each contract solicitation document accompanying each
15 solicitation set forth the expected degree of minority and women-owned

17 (i) the potential subcontract opportunities available in the prime
18 procurement contract; [~~and~~]

23 prises; and

24 (iii) the findings of the disparity study;

25 (c) require that each agency provide a current list of certified

27 them to the division's directory of certified minority and women-owned
28 business enterprises for such purpose;

29 (d) allow a contractor that is a certified minority-owned or women-

33 (e) establish criteria for agencies to credit the participation of

40 [~~(f)~~] (g) consistent with subdivision six of this section, provide for
41 circumstances under which an agency or state-funded entity may waive
42 obligations of the contractor relating to minority and women-owned busi-
43 ness enterprise participation;

44 [~~(g)~~] (h) require that an agency or state-funded entity verify that
45 minority and women-owned business enterprises listed in a successful bid
46 are actually participating to the extent listed in the project for which
47 the bid was submitted;

48 [~~(h)~~] (i) provide for the collection of statistical data by each agen-

51 [~~(i)~~] (j) require each agency to consult the most current disparity
52 study when calculating [~~agency-wide and contract specific~~] participation
53 goals pursuant to this article; and

54 (k) provide for the periodic collection of reports from state-funded
55 entities in such form and at such time as the director shall require.

1 3. Solely for the purpose of providing the opportunity for meaningful
2 participation by certified businesses in the performance of state
3 contracts as provided in this section, state contracts shall include
4 leases of real property by a state agency to a lessee where: the terms
5 of such leases provide for the construction, demolition, replacement,
6 major repair or renovation of real property and improvements thereon by
7 such lessee; and the cost of such construction, demolition, replacement,
8 major repair or renovation of real property and improvements thereon
9 shall exceed the sum of one hundred thousand dollars. Reports to the
10 director pursuant to section three hundred fifteen of this article shall
11 include activities with respect to all such state contracts. Contracting
12 agencies shall include or require to be included with respect to state
13 contracts for the acquisition, construction, demolition, replacement,
14 major repair or renovation of real property and improvements thereon,
15 such provisions as may be necessary to effectuate the provisions of this
16 section in every bid specification and state contract, including, but
17 not limited to: (a) provisions requiring contractors to make a good
18 faith effort to solicit active participation by enterprises identified
19 in the directory of certified businesses [~~provided to the contracting~~
20 ~~agency by the office~~]; (b) requiring the parties to agree as a condition
21 of entering into such contract, to be bound by the provisions of section
22 three hundred sixteen of this article; and (c) requiring the contractor
23 to include the provisions set forth in paragraphs (a) and (b) of this
24 subdivision in every subcontract in a manner that the provisions will be
25 binding upon each subcontractor as to work in connection with such
26 contract. Provided, however, that no such provisions shall be binding
27 upon contractors or subcontractors in the performance of work or the
28 provision of services that are unrelated, separate or distinct from the
29 state contract as expressed by its terms, and nothing in this section
30 shall authorize the director or any contracting agency to impose any
31 requirement on a contractor or subcontractor except with respect to a
32 state contract.

33 4. In the implementation of this section, the contracting agency shall
34 (a) consult the findings contained within the disparity study evidencing
35 relevant industry specific [~~availability of certified businesses~~
36 disparities in the utilization of minority and women-owned businesses
37 relative to their availability;

38 (b) implement a program that will enable the agency to evaluate each
39 contract to determine the [~~appropriateness of the~~] appropriate goal
40 [~~pursuant to subdivision one of this section~~] for participation by
41 minority-owned business enterprises and women-owned business
42 enterprises;

43 (c) consider where practicable, the severability of construction
44 projects and other bundled contracts; and

45 (d) consider compliance with the requirements of any federal law
46 concerning opportunities for minority and women-owned business enter-
47 prises which effectuates the purpose of this section. The contracting
48 agency shall determine whether the imposition of the requirements of any
49 such law duplicate or conflict with the provisions hereof and if such
50 duplication or conflict exists, the contracting agency shall waive the
51 applicability of this section to the extent of such duplication or
52 conflict.

53 5. (a) Contracting agencies shall administer the rules and regulations
54 promulgated by the director in a good faith effort to [~~meet~~] achieve the
55 maximum feasible [~~portion of the agency's goals~~] participation by minor-
56 ity and women owned business enterprises adopted pursuant to this arti-

cle and the regulations of the director. Such rules and regulations: shall require a contractor to submit a utilization plan after bids are opened, when bids are required, but prior to the award of a state contract; shall require the contracting agency to review the utilization plan submitted by the contractor and to post the utilization plan and any waivers of compliance issued pursuant to subdivision six of this section on the website of the contracting agency within a reasonable period of time as established by the director; shall require the contracting agency to notify the contractor in writing within a period of time specified by the director as to any deficiencies contained in the contractor's utilization plan; shall require remedy thereof within a period of time specified by the director; shall require the contractor to submit periodic compliance reports relating to the operation and implementation of any utilization plan; shall not allow any automatic waivers but shall allow a contractor to apply for a partial or total waiver of the minority and women-owned business enterprise participation requirements pursuant to subdivisions six and seven of this section; shall allow a contractor to file a complaint with the director pursuant to subdivision eight of this section in the event a contracting agency has failed or refused to issue a waiver of the minority and women-owned business enterprise participation requirements or has denied such request for a waiver; and shall allow a contracting agency to file a complaint with the director pursuant to subdivision nine of this section in the event a contractor is failing or has failed to comply with the minority and women-owned business enterprise participation requirements set forth in the state contract where no waiver has been granted.

(b) The rules and regulations promulgated pursuant to this subdivision regarding a utilization plan shall provide that where enterprises have been identified within a utilization plan, a contractor shall attempt, in good faith, to utilize such enterprise at least to the extent indicated. A contracting agency may require a contractor to indicate, within a utilization plan, what measures and procedures he or she intends to take to comply with the provisions of this article, but may not require, as a condition of award of, or compliance with, a contract that a contractor utilize a particular enterprise in performance of the contract.

(c) Without limiting other grounds for the disqualification of bids or proposals on the basis of non-responsibility, a contracting agency may disqualify the bid or proposal of a contractor as being non-responsible for failure to remedy notified deficiencies contained in the contractor's utilization plan within a period of time specified in regulations promulgated by the director after receiving notification of such deficiencies from the contracting agency. Where failure to remedy any notified deficiency in the utilization plan is a ground for disqualification, that issue and all other grounds for disqualification shall be stated in writing by the contracting agency. Where the contracting agency states that a failure to remedy any notified deficiency in the utilization plan is a ground for disqualification the contractor shall be entitled to an administrative hearing, on a record, involving all grounds stated by the contracting agency. Such hearing shall be conducted by the appropriate authority of the contracting agency to review the determination of disqualification. A final administrative determination made following such hearing shall be reviewable in a proceeding commenced under article seventy-eight of the civil practice law and rules, provided that such proceeding is commenced within thirty days of the notice given by certified mail return receipt requested

1 rendering such final administrative determination. Such proceeding shall
2 be commenced in the supreme court, appellate division, third department
3 and such proceeding shall be preferred over all other civil causes
4 except election causes, and shall be heard and determined in preference
5 to all other civil business pending therein, except election matters,
6 irrespective of position on the calendar. Appeals taken to the court of
7 appeals of the state of New York shall be subject to the same prefer-
8 ence.

9 6. Where it appears that a contractor cannot, after a good faith
10 effort, comply with the minority and women-owned business enterprise
11 participation requirements set forth in a particular state contract, a
12 contractor may file a written application with the contracting agency
13 requesting a partial or total waiver of such requirements setting forth
14 the reasons for such contractor's inability to meet any or all of the
15 participation requirements together with an explanation of the efforts
16 undertaken by the contractor to obtain the required minority and women-
17 owned business enterprise participation. In implementing the provisions
18 of this section, the contracting agency shall consider the number and
19 types of minority and women-owned business enterprises ~~[located]~~ avail-
20 able to provide goals or services required under the contract in the
21 region in which the state contract is to be performed, the total dollar
22 value of the state contract, the scope of work to be performed and the
23 project size and term. If, based on such considerations, the contracting
24 agency determines there is not a reasonable availability of contractors
25 on the list of certified business to furnish services for the project,
26 it shall issue a waiver of compliance to the contractor. In making such
27 determination, the contracting agency shall first consider the avail-
28 ability of other business enterprises located in the region and shall
29 thereafter consider the financial ability of minority and women-owned
30 businesses located outside the region in which the contract is to be
31 performed to perform the state contract.

32 7. For purposes of determining a contractor's good faith effort to
33 comply with the requirements of this section or to be entitled to a
34 waiver therefrom the contracting agency shall consider, among other
35 things:

36 (a) whether the contractor has advertised in general circulation
37 media, trade association publications, and minority-focus and women-fo-
38 cus media or other forms of advertisement and, in such event, (i) wheth-
39 er or not certified minority or women-owned businesses which have been
40 solicited by the contractor exhibited interest in submitting proposals
41 for a particular project by communication or other form of contract with
42 the contractor or attending a pre-bid conference, if any, scheduled by
43 the state agency awarding the state contract with certified minority and
44 women-owned business enterprises; and

45 (ii) whether certified businesses which have been solicited by the
46 contractor have responded in a timely fashion to the contractor's solici-
47 tations for timely competitive bid quotations prior to the contracting
48 agency's bid date; and

49 (b) whether ~~[there has been]~~ the contractor provided timely written
50 notification of subcontracting opportunities on the state contract to
51 appropriate certified businesses that appear in the directory of certi-
52 fied businesses prepared pursuant to paragraph (f) of subdivision three
53 of section three hundred eleven of this article; and

54 (c) whether the contractor can reasonably structure the amount of work
55 to be performed under subcontracts in order to increase the likelihood
56 of participation by certified businesses.

1 8. In the event that a contracting agency fails or refuses to issue a
2 waiver to a contractor as requested within twenty days after having made
3 application therefor pursuant to subdivision six of this section or if
4 the contracting agency denies such application, in whole or in part, the
5 contractor may file a complaint with the director pursuant to section
6 three hundred sixteen of this article setting forth the facts and
7 circumstances giving rise to the contractor's complaint together with a
8 demand for relief. The contractor shall serve a copy of such complaint
9 upon the contracting agency by personal service or by certified mail,
10 return receipt requested. The contracting agency shall be afforded an
11 opportunity to respond to such complaint in writing.

12 9. If, after the review of a contractor's minority and [~~women-owned~~]
13 ~~women-owned~~ business utilization plan or review of a periodic compliance
14 report and after such contractor has been afforded an opportunity to
15 respond to a notice of deficiency issued by the contracting agency in
16 connection therewith, it appears that a contractor is failing or refus-
17 ing to comply with the minority and women-owned business participation
18 requirements as set forth in the state contract and where no waiver from
19 such requirements has been granted, the contracting agency may file a
20 written complaint with the director pursuant to section three hundred
21 sixteen of this article setting forth the facts and circumstances giving
22 rise to the contracting agency's complaint together with a demand for
23 relief. The contracting agency shall serve a copy of such complaint
24 upon the contractor by personal service or by certified mail, return
25 receipt requested. The contractor shall be afforded an opportunity to
26 respond to such complaint in writing.

27 § 6. Section 314 of the executive law, as added by chapter 216 of the
28 laws of 1988, subdivision 2-a as amended by chapter 175 of the laws of

30 subdivision 4 as amended and subdivision 5 as added by chapter 399 of
31 the laws of 2014, is amended to read as follows:

32 § 314. Statewide certification program. 1. The director shall promul-

34 wide certification program including rules and regulations governing the
35 approval, denial or revocation of any such certification including revo-
36 cations for felony convictions for fraudulently misrepresenting the
37 status of minority or women-owned business enterprises. Such rules shall
38 set forth the maximum personal net worth of a minority group member or
39 woman who may be relied upon to certify a business as a minority-owned
40 business enterprise or women-owned business enterprise, and may estab-
41 lish different maximum levels of personal net worth for minority group
42 members and women on an industry-by-industry basis for such industries
43 as the director shall determine. Such rules and regulations shall
44 include, but not be limited to, such matters as may be required to
45 ensure that the established procedures thereunder shall at least be in
46 compliance with the code of fair procedure set forth in section seven-
47 ty-three of the civil rights law and consistent with the provisions of
48 article twenty-three of the correction law.

49 2. For the purposes of this article, the office shall be responsible
50 for verifying businesses as being owned, operated, and controlled by
51 minority group members or women and for certifying such verified busi-
52 nesses. The director shall prepare a directory of certified businesses
53 for use by contracting agencies and contractors in carrying out the
54 provisions of this article. The director shall periodically update the
55 directory.

2-a. (a) The director shall establish a procedure enabling the office to accept New York municipal corporation certification verification for minority and women-owned business enterprise applicants in lieu of requiring the applicant to complete the state certification process. The director shall promulgate rules and regulations to set forth criteria for the acceptance of municipal corporation certification. All eligible municipal corporation certifications shall require business enterprises seeking certification to meet the following standards:

11 and women as employees to the contractor, or, if the state agency has
12 specifically indicated that such documentation is not required as part
13 of the response to the invitation for bids, request for proposals, or
14 other solicitation, a date certain for the submission of such documenta-
15 tion after the award of the state contract;

16 (iii) A list of all subcontractors anticipated to perform work on the
17 state contract and the level of anticipated participation by minority
18 group members and women as employees to each subcontractor, or, if the
19 state agency has specifically indicated that such documentation is not
20 required as part of the response to the invitation for bids, request for
21 proposals, or other solicitation, a date certain for the submission of
22 such documentation after the award of the state contract; and

23 (iv) Such other information as the contracting state agency shall
24 require.

25 (b) A contractor that requests a waiver of a workforce participation
26 goal shall provide with its response to the applicable invitation for
27 bids, request for proposals, or other solicitation:

28 (i) Numerical evidence setting forth why the achievement of the work-
29 force participation goal is not practical, feasible, or appropriate in
30 light of the trades, professions, and occupations required to perform
31 the work of the state contract;

32 (ii) Documentation of the contractor's efforts, and any efforts by
33 subcontractors to the contractor, to promote the inclusion of minority
34 group members and women in trades, professions, and occupations required
35 in the performance of the state contract;

36 (iii) The maximum feasible level of participation by minority group
37 members and women in each of the trades, professions, and occupations
38 required in the performance of the work of the state contract;

39 (iv) The level of anticipated participation by minority group members
40 and women as employees to the contractor;

41 (v) A list of all subcontractors anticipated to perform work on the
42 state contract and the level of anticipated participation by minority
43 group members and women as employees to each subcontractor; and

44 (vi) Any other relevant information evidencing that the contractor's
45 achievement of the workforce participation goal would not be practical,
46 feasible, or appropriate.

47 4. A state agency shall not award a state contract to a contractor
48 unless the contractor has (i) certified that it will make a good faith
49 effort to achieve the applicable workforce participation goal and
50 provided documentation of the workforce anticipated to perform the work
51 of the state contract or (ii) submitted a waiver request which the state
52 agency deems to reflect the maximum feasible participation of minority
53 group members and women in each of the trades, professions, and occupa-
54 tions required in performance of the work of the state contract.

55 (a) In the event that a contractor submits a certification or waiver
56 request that is accepted by the state agency, the state agency shall

1 establish in the state contract the expected level of participation by
2 minority group members and women in each of the trades, professions, and
3 occupations required in performance of the work of the state contract,
4 require that the contractor make good faith efforts to achieve such
5 workforce participation goals, require that the contractor require any
6 subcontractors to make a good faith effort to achieve the applicable
7 workforce participation goal in any subcontracted work, and indicate
8 that the failure of the contractor or any of its subcontractors to make
9 a good faith effort to achieve the workforce participation goal may
10 result in the contractor or subcontractor being deemed a non-compliant
11 contractor.

12 (b) In the event that a contractor fails to submit a certification,
13 waiver request, or any other information required by the state agency,
14 or the state agency determines that a contractor's waiver request does
15 not demonstrate that the applicable workforce participation goal is
16 impractical, unfeasible, or inappropriate, the state agency shall notify
17 the contractor of the deficiency in writing and provide the contractor
18 five business days to remedy the noticed deficiency. A state agency
19 shall reject any bid or proposal of a contractor that fails to timely
20 respond to a notice of deficiency or to provide documentation remedying
21 the deficiency to the satisfaction of the state agency.

22 (i) Where failure to remedy any notified deficiency in the workforce
23 utilization plan is a ground for disqualification, that issue and all
24 other grounds for disqualification shall be stated in writing by the
25 contracting state agency. The contractor shall be entitled to an admin-
26 istrative hearing, on the record, involving all grounds stated by the
27 contracting state agency in its notice of the contractor's disqualifica-
28 tion. Such hearing shall be conducted by the appropriate authority of
29 the contracting agency to review the determination of disqualification.
30 A final administrative determination made following such hearing shall
31 be reviewable in a proceeding commenced under article seventy-eight of
32 the civil practice law and rules, provided that such proceeding is
33 commenced within thirty days of the notice given by certified mail
34 return receipt requested rendering such final administrative determi-
35 nation. Such proceeding shall be commenced in the supreme court, appel-
36 late division, third department and such proceeding shall be preferred
37 over all other civil causes except election causes, and shall be heard
38 and determined in preference to all other civil business pending there-
39 in, except election matters, irrespective of position on the calendar.
40 Appeals taken to the court of appeals of the state of New York shall be
41 subject to the same preference.

42 § 823. Reporting. 1. State contracts shall require contractors to
43 submit, and to require any subcontractors to submit, to the contracting
44 state agency reports documenting the hours worked by employees of the
45 contractor and any subcontractors in the performance of the work of the
46 state contract. Such reports shall be submitted no less frequently than
47 monthly for state contracts for construction and quarterly for all other
48 state contracts. Such reports shall identify the race, ethnicity,
49 gender, and trade, profession, or occupation of each employee performing
50 work on a state contract.

51 2. State agencies shall submit periodic reports to the director, or
52 the designee of the director, concerning the participation of minority
53 group members and women in state contracts let by such agencies and such
54 state agencies' compliance with this article. Such reports shall be
55 submitted at such time, and include such information, as the director
56 shall require in regulations. State agencies shall make available their

1 facilities, books, and records for inspection, upon reasonable notice,
2 by the director or the director's designee.

3 3. The department shall provide such assistance as the director shall
4 require in carrying out the requirements of this section.

5 § 824. Enforcement. 1. Where it appears that a contractor cannot,
6 after a good faith effort, meet the workforce participation goals set
7 forth in a particular state contract, a contractor may file a written
8 application with the contracting state agency requesting a partial or
9 total waiver of such requirements. Such request shall set forth the
10 reasons for such contractor's inability to meet the workforce partic-
11 ipation goal, specifically describe the reasons for any deviations from
12 the anticipated workforce participation goal set forth in the contrac-
13 tor's bid or proposal leading to the award of the state contract, and
14 describe the efforts by the contractor and any subcontractors to achieve
15 the maximum feasible participation of minority group members and women
16 in the performance of the work of the state contract. Where the contrac-
17 tor's inability to achieve the workforce participation goal on a state
18 contract is attributable to the failure of one or more subcontractors to
19 make good faith efforts to achieve the maximum feasible participation of
20 minority group members and women in the performance of the work of the
21 state contract, the contractor shall identify such subcontractor or
22 subcontractors to the contracting state agency.

23 2. A state agency shall grant a request for a waiver of workforce
24 participation goals on a state contract where:

25 (a) The contractor demonstrates that the contractor and its subcon-
26 tractors made good faith efforts to achieve the workforce participation
27 goal on the state contract, and that insufficient minority group members
28 or women were available in the trades, professions, and occupations
29 required to perform the work of the state contract; or

30 (b) The contractor contractually required each of its subcontractors
31 to make a good faith effort to achieve the maximum feasible partic-
32 ipation of minority group members and women in the performance of the
33 subcontracted work, periodically monitored such subcontractors' deploy-
34 ment of minority group members and women in the performance of the
35 subcontracted work, provided notice to such subcontractors of any defi-
36 ciencies in their deployment of minority group members and women in the
37 performance of such subcontracted work, and could not achieve the work-
38 force participation goal for one or more trades, professions, or occupa-
39 tions without the good faith efforts of such subcontractors.

40 3. Where a state agency denies a contractor's request for a waiver of
41 workforce participation goals pursuant to this section, the state agency
42 shall recommend to the director and the department that the contractor
43 be deemed a non-compliant contractor.

44 4. Where a state agency grants a request for a waiver of workforce
45 participation goals pursuant to this section based on one or more
46 subcontractors' failure to make good faith efforts to achieve the maxi-
47 mum feasible participation of minority group members and women in the
48 performance of the subcontracted work, the state agency shall recommend
49 to the director and the department that the subcontractor be deemed a
50 non-compliant contractor.

51 5. Upon receipt of a recommendation from a state agency that a
52 contractor or subcontractor should be deemed a non-compliant contractor,
53 the director shall, with the assistance of the department, review the
54 facts and circumstances forming the basis of the recommendation and
55 issue a determination as to whether or not the contractor or subcontrac-
56 tor should be deemed a non-compliant contractor and, if so, the duration

1 of such status as a non-compliant contractor. In determining the dura-
2 tion of a contractor's or subcontractor's status as a non-compliant
3 contractor, the director shall consider:

4 (i) whether the contractor or subcontractor has previously been deemed
5 a non-compliant contractor;

6 (ii) the number of hours of expected participation by minority group
7 members and women lost as a result of the contractor's or subcontrac-
8 tor's failure to make good faith efforts to include minority group
9 members or women in the performance of one or more state contracts; and

10 (iii) whether the contractor or subcontractor has offered to provide
11 employment opportunities, training, or other remedial benefits to minor-
12 ity group members or women in relevant trades, professions, or occupa-
13 tions.

14 6. A contractor or subcontractor deemed a non-compliant contractor by
15 the director may request an administrative hearing before an independent
16 hearing officer to appeal the determination of the director. The deci-
17 sion of the hearing officer shall be final and may only be vacated or
18 modified as provided in article seventy-eight of the civil practice law
19 and rules upon an application made within the time provided by such
20 article.

21 7. Upon a final determination that a contractor or subcontractor is a
22 non-compliant contractor, the director shall list the contractor or
23 subcontractor as such on its website and indicate the term of such
24 contractor's or subcontractor's status as a non-compliant contractor. A
25 non-compliant contractor shall be ineligible to participate as a
26 contractor or subcontractor on any state contract.

27 § 825. Powers and responsibilities of the division. 1. The director
28 shall post to the website of the division on or before October first of
29 each year the aspirational goals for the utilization of minority group
30 members and women in certain trades, professions and/or occupations as
31 required pursuant to section eight hundred twenty-two of this article.

32 2. The director shall promulgate rules and regulations for the imple-
33 mentation of this article, including, but not limited to, procedures for
34 the submission of certifications and workforce utilization plans by
35 contractors, criteria for granting waivers of workforce participation
36 goals, and the contents of reports by state agencies concerning their
37 implementation of the requirements of this article.

38 3. The division shall, from time to time, review the facilities,
39 books, and records of state agencies to ascertain the accuracy of their
40 reports and their compliance with the requirements of this article. The
41 department shall provide such assistance as the director shall require
42 in carrying out the requirements of this section.

43 § 826. Severability. If any clause, sentence, paragraph, section or
44 part of this article shall be adjudged by any court of competent juris-
45 isdiction to be invalid, the judgment shall not affect, impair or invali-
46 date the remainder thereof, but shall be confined in its operation to
47 the clause, sentence, paragraph, section or part of this article direct-
48 ly involved in the controversy in which the judgment shall have been
49 rendered.

50 § 16. This act shall take effect immediately, and shall be deemed to
51 have been in full force and effect on and after April 1, 2019; provided,
52 however, that:

53 (a) the amendments to article 15-A of the executive law, made by
54 sections one, two, three, four, five, six, seven and eight of this act,
55 shall not affect the expiration of such article and shall expire and be
56 deemed expired therewith;

(b) the amendments to section 163 of the state finance law, made by section nine of this act, shall not affect the expiration and repeal of such section, and shall expire and be deemed repealed therewith;

(c) the amendments to section 139-j of the state finance law, made by section eleven of this act, shall not affect the expiration and repeal of such section, and shall expire and be deemed repealed therewith;

(d) subdivision 2-b of section 314 of the executive law shall take effect on the same date and in the same manner as section 1 of chapter 409 of the laws of 2018 takes effect; and

(e) section fifteen of this act shall expire and be deemed repealed December 31, 2024.

PART BB

Section 1. The vehicle and traffic law is amended by adding a new article 44-C to read as follows:

ARTICLE 44-C

CONGESTION TOLLING PROGRAM

Section 1701. Legislative findings and declaration.

1702. Short title.

1703. Definitions.

1704. Establishment of congestion tolling program.

1704-a. Congestion toll.

1705. Disposition of revenue and penalties.

1706. Reporting.

§ 1701. Legislative findings and declaration. The ongoing failures of the tracks, signals, switches and other transportation infrastructure throughout the subway system in the city of New York continue to pose an imminent threat and have a vast and deleterious impact on the health, safety, and livelihood of commuters, tourists, resident New Yorkers, as well as business and commerce in the metropolitan commuter transportation district, which is the recognized economic engine of the state of New York, and thereby have adversely affected the economy of the state of New York. Temporary actions have been taken to address the safety of subway riders short term including an emergency declaration and increased capital funding for the subways in the most recently adopted state budget. The legislature, however, determines that a long-term and sustainable solution is necessary in order to ensure stable and reliable funding to repair and revitalize this significantly important mass transit asset.

The legislature further finds and declares that traffic congestion in the city of New York ranks second worst among cities in the United States and third worst among cities in the world, and results in significant cost to the New York metropolitan area economy and in turn the state's economy at estimates exceeding one hundred million dollars over the next five years. Travel speeds in the city of New York's central business district have dropped more than seventeen percent in two thousand sixteen to an average of 6.8 miles per hour and in Midtown Manhattan, the most congested area of the city-the area from fifty-ninth street to thirty-fifth street and from ninth avenue to the east river-the average vehicular speed is 4.7 miles per hour. Congestion in these areas is crippling and impacts the everyday lives of residents, commuters, taxi and for-hire vehicle traffic, bus transit and emergency services.

1 These issues have been recognized by both the Fix NYC Advisory Panel
2 and the MTA Sustainability Advisory Workgroup as significant impediments
3 to everyday New Yorkers.

4 In order to ensure a safe and efficient mass transit system within the
5 city of New York and to protect the public health and safety of New
6 York's residents, a program to establish fees for vehicles entering or
7 remaining in the most congested area of the state is found to be neces-
8 sary and to be a matter of substantial state concern.

9 § 1702. Short title. This act shall be known as and may be cited as
10 "the congestion tolling program".

11 § 1703. Definitions. For the purposes of this article, unless the

26 bridge or tunnel authority may implement.

27 (e) All procurements of goods, services or construction of any kind by
28 the Triborough bridge and tunnel authority for the congestion tolling
29 program shall be deemed to be subject only to the same requirements that
30 otherwise apply to procurements by the Triborough bridge and tunnel

33 collection system and the congestion tolling customer service center
34 shall be completed by the operation date.

36 tructure after the operation date shall be performed by the Triborough
37 bridge and tunnel authority.

8 authorities law, necessary to fund fifteen billion dollars for capital
9 projects.

32 and on mass transit use including the vehicle-miles traveled for each
33 trip within the congestion tolling zone for taxis and for-hire vehicles;
34 the volume and type of vehicles entering the congestion tolling zone;
35 and transit ridership and average bus speeds within the congestion toll-
36 ing zone, and on all receipts and expenditures relating to the
37 congestion tolling program. The department of transportation of the city
38 of New York shall be required to assist in gathering and providing to
39 the Triborough bridge and tunnel authority congestion data and other
40 related data as directed by the Triborough bridge and tunnel authority
41 for purposes of compiling such report. The report shall be readily

53 plate be covered by glass or any plastic material, and shall not be
54 knowingly covered or coated with any artificial or synthetic material or
55 substance that conceals or obscures such number plates or that distorts
56 a recorded or photographic image of such number plates, and the view of

1 such number plates shall not be obstructed by any part of the vehicle or
2 by anything carried thereon, except for a receiver-transmitter issued by
3 a publicly owned tolling facility in connection with electronic toll
4 collection when such receiver-transmitter is affixed to the exterior of
5 a vehicle in accordance with mounting instructions provided by the toll-
6 ing facility. For purposes of this paragraph, "tolling authority" shall
7 mean every public authority which operates a toll highway, bridge and/or
8 tunnel facility or which charges and collects congestion tolls as well

14 PART DD

15 Section 1. Short title. This act shall be known and may be cited as
16 the "Gateway Development Commission Act".

17 § 2. Gateway Development Commission. 1. Legislative findings and
18 intent. The legislature finds and declares: that the states of New
19 Jersey and New York and their respective citizens share a common concern
20 to preserve the functionality and strengthen the resiliency of long-dis-
21 tance and commuter rail infrastructure between New Jersey and New York,
22 including passenger rail infrastructure owned, controlled or utilized by
23 the National Railroad Passenger Corporation, also known as "Amtrak";
24 that the two states and their respective citizens share the benefits of
25 existing interstate passenger rail infrastructure between the two
26 states, including the existing North River tunnel; that interstate
27 passenger rail service and infrastructure is vital to the economies of
28 New Jersey and New York; that, because of the passage of time and damage
29 caused by natural disasters, both states recognize the existing inter-
30 state passenger rail infrastructure, including the existing North River
31 tunnel, is at risk of system failures that could result in prolonged
32 service disruptions that would severely damage the economies of the two
33 states and many other participants in the economy of the northeast
34 corridor; that both states recognize the urgent need to undertake
35 projects necessary to create passenger rail capacity under the Hudson
36 River, rehabilitate passenger rail infrastructure, maintain current
37 levels of long-distance and commuter rail service between the two states
38 and provide additional reliability, safety and security; that the citi-
39 zens of both states will share the benefits of expanded capacity and
40 rehabilitated passenger rail infrastructure between the two states; and
41 that there has been a long history of cooperation among state and local
42 governmental entities, Amtrak and various private organizations and
43 individuals in the two states to ensure the preservation of a variety of
44 passenger rail service options. The legislature therefore determines
45 that there is a need to endorse and formalize that bi-state cooperative
46 effort to help ensure that the functionality of long-distance and commu-
47 ter rail infrastructure between New Jersey and New York and thence
48 throughout the northeast corridor, is preserved and maintained for the
49 benefit of the economy of New Jersey and New York and for the well-being
50 of present and future generations of citizens in both states; and that
51 the creation of a bi-state commission that shall be a body corporate and
52 politic established by the states of New Jersey and New York, acting in
53 the public interest and exercising essential governmental functions, is
54 an appropriate means to accomplish these very important goals. It is the

1 intention of the legislature that the commission so created constitute
2 an institution which has been established by the states to effectuate a
3 public purpose and is therefore eligible to apply for transportation
4 assistance from the United States government, including the agencies
5 thereof.

27 achieve greater coordination between intercity and commuter rail passen-

48 incurred for project purposes, including establishment of prudent
49 reserves, and provided that such tolls, fees, rates, charges and rentals
50 do not conflict with applicable federal law and the laws of the states
51 of New Jersey and New York.

52 4. Board of commissioners. (a) The commission shall act through a
53 vote of its three commissioners: one of which will be directly appointed
54 by the commissioner of the New York state department of transportation;
55 one of which will be directly appointed by the board of directors of the
56 New Jersey transit corporation; and one of which will be directly

1 appointed by Amtrak. The commissioner appointed by Amtrak will serve to
2 represent Amtrak's interest, as owner-operator or user of the northeast
3 corridor, in the work to be undertaken by the commission.

4 (b) The commission's initial commissioners shall be the individuals
5 serving as trustees of the Gateway Program Development Corporation, a
6 New Jersey non-profit corporation, at the time of the effective date of
7 this act. The Gateway Program Development Corporation trustees
8 appointed by New Jersey and New York shall each serve an initial term as
9 commissioners of the commission expiring on December 31, 2019. The Gate-

13 all other commissioners shall serve for a term of three years.

14 (c) At the conclusion of a commissioner's term, including an initial
15 commissioner's term, the commissioner may be reappointed for a succes-
16 sive three year term at the pleasure of the party who originally
17 appointed that commissioner, or in the case of the initial commis-
18 sioners, the party who originally appointed that individual as a trustee of
19 the Gateway Program Development Corporation. A commissioner shall auto-
20 matically continue to serve following the expiration of his term until a
21 successor is appointed in accordance with paragraph (a) of this subdivi-
22 sion and seated.

23 (d) In the event that a commissioner ceases to serve before the stated
24 expiration of his term, the party that originally appointed the commis-
25 sioner may appoint a replacement to serve out the remainder of the
26 replaced commissioner's term and thereafter, the vacancy shall be filled
27 as provided for in paragraph (a) of this subdivision.

28 (e) Commissioners shall serve without compensation, but the commission
29 may, within the limits of funds appropriated or otherwise made available
30 to it, reimburse commissioners for actual expenses necessarily incurred
31 in the discharge of their official duties.

32 (f) The commissioner from the state of New Jersey and the commissioner
33 from state of New York shall be indemnified by the state of New Jersey
34 and the state of New York, respectively, to the same extent as such
35 state indemnifies a public officer for any claim or judgment arising out
36 of such public officer's official duties.

37 5. Organization of the commission; meetings. (a) The commissioners
38 shall select a chairperson. The chairperson shall be elected from the
39 representatives of New Jersey and New York, and shall hold office for
40 one year. The initial chairperson shall be the commissioner who was
41 serving as chairperson of the board of trustees of the Gateway Program
42 Development Corporation whose term as chairperson shall continue until
43 the earlier to occur of (i) the date on which such commissioner's term
44 as the Gateway Program Development Corporation chairperson would have
45 expired; or (ii) the date on which that commissioner is otherwise termi-
46 nated as a commissioner. Thereafter, the commissioner appointed by the
47 state which did not appoint the initial chairperson shall succeed as
48 chairperson. The chairpersonship shall be alternated between the two
49 states. The commissioner appointed by Amtrak shall serve as vice-chair-
50 person.

51 (b) The commission shall meet regularly as it may determine. Meetings
52 of the commission shall be held at such times and places as the chair-
53 person of the commission deems appropriate, but to the maximum extent
54 practicable and feasible, meetings shall be held on an alternating basis
55 in New Jersey and New York.

(c) The powers of the commission may be exercised by the commissioners at a meeting duly called and held where a quorum of all three commissioners are present; provided, however, that in the event a vacancy remains for ninety days, the powers of the commission may be exercised by the commissioners at a meeting duly called and held where all remaining commissioners are present. Action may be taken and motions and resolutions adopted by the commission at any meeting thereof by unanimous affirmative vote of the commissioners. The commissioners shall adopt bylaws providing for attendance protocols, voting procedures and other matters related to the conduct of the business of the commission.

(e) The commission may, within the limits of funds appropriated or otherwise made available to it for those purposes, employ such professional, technical, clerical staff and consultants and incur such expenses as it may deem necessary or appropriate in order to perform its duties.

(f) The legislature finds and declares that the right of the public to be present at meetings of the commission, and to witness the deliberation, policy formulation, and decision making of the commission, is vital to the enhancement and proper functioning of the democratic process, and that secrecy in public affairs undermines the faith of the public in government and the public's effectiveness in fulfilling its role in a democratic society; and declares it to be the public policy of this state to ensure the right of its citizens to have adequate advance notice of and the right to attend all meetings of the commission at which any public business is acted upon in any way, except only in those circumstances where the public interest would be clearly endangered, the relevant matters are made confidential by federal or state law, or the personal privacy of individuals would be clearly in danger of unwarranted invasion.

(g) The commission shall adopt and promulgate appropriate bylaws, rules and regulations concerning the right of the public to be present at meetings of the commission and to obtain records of the commission's activities or public business. Any rules or regulations adopted hereunder shall become a part of the minutes of the commission and be posted on its website.

6. Duties of the commission. The duties of the commission shall be to use its efforts to accomplish, at such times as it is appropriate to do so, the following actions, provided that the commission shall not be in dereliction of its duties so long as it acts in good faith to accomplish such:

(a) make appropriate application for, and act as a coordinating, distributing, or recipient agency for, federal, state, or private funding and authorizations necessary or appropriate to facilitate the project;

(b) "owner" shall mean any person, corporation, partnership, firm, agency, association, lessor or organization who, at the time of incurring an obligation to pay a toll at a cashless tolling facility, and with respect to the vehicle identified in the toll bill or notice of violation: (i) is the beneficial or equitable owner of such vehicle; or (ii) has title to such vehicle; or (iii) the registrant or co-registrant of such vehicle which is registered with the department of motor vehicles of this state or any other state, territory, district, province, nation or other jurisdiction; or (iv) is subject to the limitations set forth in subdivision ten of section twenty-nine hundred eighty-five of this title, uses such vehicle in its vehicle renting and/or leasing business; or (v) is a person entitled to the use and possession of a vehicle subject to a security interest in another person;

(d) "notice of violation" shall mean a notice sent to an owner notifying such owner that a toll incurred at a cashless tolling facility by the owner has not been paid at the place and time and in the manner established for collection of such toll in the toll bill and that an administrative violation fee is being imposed for each such unpaid toll;

(e) "billing cycle" shall mean a period not to exceed thirty calendar days for purposes of consolidated toll billing;

(f) "initial billing cycle" shall mean a period not to exceed fifteen calendar days after identifying the owner or other party responsible for paying the toll for the purpose of consolidated toll billing for an obligation to pay a toll for the first time at a cashless tolling facility in a six-month period; and

3 2. In the case of an owner who incurs an obligation to pay a toll
4 under the Tolls by Mail program at a cashless tolling facility, a toll
5 bill shall be sent within six calendar days of the end of the initial
6 billing cycle and each subsequent billing cycle. Unless the owner
7 consents to have toll bills sent by electronic means of communication,
8 toll bills shall be sent to the owner by first class mail by or on
9 behalf of the public authority which operates such cashless tolling
10 facility. The owner shall have thirty days from the date of the toll
11 bill to pay the incurred toll. The toll bill shall include: (i) the

21 class mail may instead be sent, with consent, by electronic means of
22 communication by or on behalf of the public authority, which consent can
23 be revoked at any time by the owner with notice to the public authority
24 or its agent. Such consent shall be deemed to be revoked when any toll
25 bill is unable to be delivered by electronic means of communication. It

48 collecting any toll, fee, or penalty in the event that an owner does not
49 properly register a vehicle pursuant to the laws, rules and regulations
50 of this state, or any other state, territory, district, province, nation
51 or other jurisdiction.

52 6. Any owner or responsible party who incurs an obligation to pay a
53 toll under the Tolls by Mail program at a public authority's cashless
54 tolling facility shall have an option to receive text message or elec-
55 tronic mail alerts that a toll has been incurred. Such alerts shall be
56 provided to the owner no more than seventy-two hours after the owner or

1 responsible party is identified. Each public authority shall create an
2 online registration for text message or electronic mail alerts that a
3 toll has been incurred under the Tolls by Mail program at a cashless
4 tolling facility. In the event an owner chooses to receive text message
5 or electronic mail alerts of a toll incurred, it shall be the owner's
6 sole responsibility to provide and then update any mobile numbers and
7 any electronic mail addresses to which alerts are sent. A manual or

16 shall establish procedures for owners to dispute any tolls and violation
17 fees incurred in connection with toll bills. Such procedures shall be
18 prominently displayed on such public authority's toll bills, notices of
19 violation and website.

20 9. Any public authority which operates a cashless tolling facility
21 shall conspicuously and prominently display the amount of tolls for
22 passenger vehicles and violation fees at that facility on signage of a
23 reasonable size in a manner reasonably calculated to provide ample and
24 adequate notice.

25 10. Nothing in this section shall require a public authority to
26 perform any action or forebear from performing an action that would in
27 the public authority's sole discretion impair any covenant with the
28 holders of any of the public authority's bonds, notes or other obli-
29 gations.

30 11. This section shall not apply to the payment of the tolls by means
31 of an electronic toll device that transmits information through an elec-
32 tronic toll collection system as defined in subdivision twelve of
33 section twenty-nine hundred eighty-five of this title.

34 12. Every public authority which operates a cashless tolling facility
35 shall undertake a public awareness campaign regarding the use of and
36 process involved with the payment of tolls under the Tolls by Mail
37 program at cashless tolling facilities. Each public authority shall
38 provide for sufficient methods to obtain an electronic device for the
