Means -- committee discharged, bill amended, ordered reprinted as  
amended and recommitted to said committee

AN ACT to establish a commission to be known as the "New York seawall  
study commission"; and providing for the repeal of such provisions  
upon expiration thereof

The People of the State of New York, represented in Senate and Assem-  
bly, do enact as follows:

1 Section 1. New York seawall study commission. 1. There is hereby  
2 established, within the department of environmental conservation, a  
3 seawall study commission ("commission") which shall consist of 15  
4 members who shall be appointed as follows:  
5 (a) the commissioner of environmental conservation or his or her  
6 designee;  
7 (b) the secretary of state or his or her designee;  
8 (c) two members appointed by the governor;  
9 (d) two members to be appointed by the temporary president of the  
10 senate;  
11 (e) two members to be appointed by the speaker of the assembly;  
12 (f) one member to be appointed by the minority leader of the senate;  
13 (g) one member to be appointed by the minority leader of the assembly;  
14 (h) two members to be appointed by the mayor of the city of New York;  
15 (i) one member to be appointed by the county executive of the county  
16 of Nassau;  
17 (j) one member to be appointed by the county executive of the county  
18 of Suffolk; and

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD02238-03-9

1 (k) one member to be appointed by the county executive of the county  
2 of Westchester.

3 2. The at large members should include individuals with expertise in  
4 one or more of the following areas: climatology; hydrology; environ-  
5 mental; aquaculture; oceanography or coastal ocean science; and engi-  
6 neering.

7 3. Commission members shall receive no compensation for their services  
8 but shall be reimbursed for actual and necessary expenses incurred in  
9 the performance of their duties.

10 4. The chairperson of the commission shall be the commissioner of  
11 environmental conservation or his or her designee. The commission shall  
12 meet no less than four times and at other times at the call of the  
13 chairperson.

14 5. Any vacancies on the commission shall be filled in the manner  
15 provided for in the initial appointment.

16 6. The commission shall be authorized to hold public hearings and  
17 meetings to enable it to accomplish its duties.

18 7. The commission may consult with any organization, educational  
19 institution, other government entity or agency or person including, but  
20 not limited to, the army corps of engineers, in the development of its  
21 report required by subdivision 10 of this section.

22 8. The department of environmental conservation shall provide the  
23 commission with such facilities, assistance and data as will enable the  
24 commission to carry out its powers and duties. Additionally, all other  
25 agencies of the state or subdivisions thereof may, at the request of the  
26 chairperson, provide the commission with such facilities, assistance,  
27 and data as will enable the commission to carry out its powers and  
28 duties.

29 9. The purpose of the New York seawall study commission shall be to  
30 identify the feasibility, costs, impacts, and best locations for  
31 construction of a seawall or sea gate to protect the city of New York  
32 from sea level rise and storm surge along the entire coastline.

33 10. No later than December 31, 2022, the commission shall transmit to  
34 the governor, the temporary president of the senate and the speaker of  
35 the assembly a report containing the following:

36 (a) coastal areas at greatest risk from sea level rise based on  
37 projections established pursuant to section 3-0319 of the environmental  
38 conservation law;

39 (b) areas at risk from storm surge based on current sea levels;

40 (c) areas that are more likely to be at risk from coastal hazards  
41 including rising groundwater levels, saltwater intrusion, coastal flood-  
42 ing, and extreme weather events including coastal storms, with such  
43 projections extending through year 2100;

44 (d) the locations for construction of a seawall or sea gate;

45 (e) the costs of such construction of a seawall or sea gate; and

46 (f) recommendations on state and local regulatory and/or statutory  
47 alterations.

48 § 2. This act shall take effect immediately and shall expire and be  
49 deemed repealed January 1, 2023.
