Introduced by M. of A. GUNTHER, ROZIC, COLTON, JAFFEE, COOK, RAIA, MONTESANO -- Multi-Sponsored by -- M. of A. BARNWELL -- read once and referred to the Committee on Insurance

AN ACT to amend the insurance law, in relation to coverage for the HALO breast pap test to detect risk of developing breast cancer

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subsection (i) of section 3216 of the insurance law is amended by adding a new paragraph 35 to read as follows:

(35) (A) Every policy which provides coverage for hospital, surgical, or medical care coverage shall provide coverage for the HALO breast pap test to detect a woman's risk of developing breast cancer, when such test is recommended by a physician or certified nurse practitioner.

(B) Such coverage may be subject to annual deductibles and coinsurance as may be deemed appropriate by the superintendent and as are consistent with those established for other benefits within a given policy.

(C) For purposes of this section, "HALO breast pap test" means a procedure that entails collection of nipple aspirate fluid for cytological evaluation.

§ 2. Subsection (l) of section 3221 of the insurance law is amended by adding a new paragraph 21 to read as follows:

(21) (A) A group or blanket accident or health insurance policy or issuing a group blanket policy for delivery in this state which provides coverage for hospital, surgical, or medical care coverage shall provide coverage for the HALO breast pap test to detect a woman's risk of developing breast cancer, when such test is recommended by a physician or certified nurse practitioner.

(B) Such coverage may be subject to annual deductibles and coinsurance as may be deemed appropriate by the superintendent and as are consistent with those established for other benefits within a given policy.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
