AN ACT to amend the multiple dwelling law and the multiple residence law, in relation to the collection of charges for heat-related residential utility service

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Legislative findings and intent. The legislature hereby finds that assessment and collection by multiple dwelling owners of separate charges for electricity, electric service, natural gas, and natural gas service or other fuel used to heat living quarters is not in the public interest and should be prohibited.

§ 2. Subdivision 1 of section 79 of the multiple dwelling law, as amended by chapter 225 of the laws of 1982, is amended to read as follows:

three of this chapter, and (b) at least fifty-five degrees Fahrenheit during the hours between ten o'clock in the evening and six o'clock in 3 the morning, whenever the outdoor temperature falls below forty degrees Fahrenheit. Nothing in this section shall be deemed to relieve any owner of the duty of providing centrally supplied or other approved source of heat prior to November first, nineteen hundred fifty-nine in any case 7 where such heat is required by this chapter or any other law, ordinance, rule or regulation to be supplied in a dwelling prior to said date. The 9 heating system in dwellings used for single room occupancy shall be in 10 conformity with the requirements of section two hundred forty-eight of 11 this chapter. No owner or agent of any owner shall separately charge tenants or occupants for any electricity, electric service, natural gas 12 13 or natural gas service or other fuel utilized to heat living quarters. 14

- § 3. Section 173 of the multiple residence law, as amended by chapter 225 of the laws of 1982, is amended to read as follows:
- 16 § 173. Heating. Every new dwelling shall be provided with heat in all 17 living rooms sufficient to maintain the minimum temperatures required by 18 local law, ordinances, rules or regulation, or by the local public 19 health officer, provided, however, that such minimum temperature shall, 20 notwithstanding the provisions of subdivision one of section three hundred twenty-nine of this chapter, be sixty-eight degrees Fahrenheit during the hours between six o'clock in the morning and ten o'clock in 22 the evening during the months between October first and May thirty-23 first, whenever the outdoor temperature falls below fifty-five degrees 24 25 Fahrenheit. No owner or agent of any owner shall separately charge tenants or occupants for any electricity, electric service, natural gas 27 or natural gas service or other fuel utilized to heat living quarters. 28
  - § 4. This act shall take effect immediately.
