§ 50. Definitions. For the purposes of this article, the following terms shall have the following meanings:
1. "Office" refers to the office of the correctional ombudsman.
2. "Ombudsman" refers to the commissioner of the office of the correctional ombudsman.

§ 51. Office of the correctional ombudsman; organization. 1. In order to achieve transparency, fairness, impartiality and accountability in our state correctional facilities, there shall be an independent office of the correctional ombudsman within the executive department. The ombudsman shall report to the correctional oversight board established pursuant to section fifty-two of this article, provided, however, that administrative matters of general application within the executive department shall be also applicable to the office.

(a) Following the initial appointment of the members of the correctional oversight board established pursuant to section fifty-two of this article, such board shall promptly nominate a full-time ombudsman and notify the governor of such nomination. Nothing in this paragraph shall prohibit the board from appointing an interim ombudsman if there is a vacancy.

(b) The governor, within thirty days after receiving written notice of any nomination of an ombudsman made pursuant to paragraph (a) of this subdivision, may approve or disapprove such nomination. If the governor approves such nomination, or fails to act on such nomination within such thirty day period, the nominee shall thereupon commence his or her term as ombudsman. If, within such thirty day period, the governor serves upon the chair of such board a written notice disapproving such nomination, the nominee shall not be authorized to serve as ombudsman provided, however, that such board may authorize an interim ombudsman appointed pursuant to paragraph (a) of this subdivision to serve or continue to serve as interim ombudsman until such time as an ombudsman is approved, or not timely disapproved, by the governor. Following any disapproval, the board shall have sixty days to submit another nominee, although such period may be extended, upon request of the board, by the governor. A person appointed as interim ombudsman may exercise all of the powers available to the ombudsman.

(c) The ombudsman may not have worked for the department within the last ten years and may not hold any public office or other employment. The ombudsman shall serve a six-year term and may only be removed for good cause shown, after notice and an opportunity to be heard, by a vote of two-thirds or more of the twelve members of the board.

§ 52. Correctional oversight board. 1. There is hereby created the correctional oversight board hereinafter referred to in this section as the "board". The purpose of such board shall be to monitor, study and make efforts to improve the transparency, fairness, impartiality and accountability in state correctional facilities and to appoint the ombudsman. No current employee of the department shall be appointed to or serve on such board. The board shall consist of twelve members who shall be appointed as follows:

2. All members of the board shall be appointed for terms of three years with such terms to commence on August first, and expire July thirty-first, provided, however, that the inspector general shall serve ex officio. Initial appointments must be made within sixty days of the effective date of this subdivision. Any member chosen to fill a vacancy created otherwise than by expiration of term shall be appointed for the unexpired term of the member whom he or she is to succeed. Vacancies caused by expiration of a term or otherwise shall be filled promptly and in the same manner as original appointments. Any member may be reappointed for additional terms. A member of the board shall continue in such position upon the expiration of his or her term until such time as he or she is reappointed or his or her successor is appointed, as the case may be.

3. Membership on the board shall not constitute the holding of an office, and members of the board shall not be required to take and file oaths of office before serving on the board. The board shall not have the right to exercise any portion of the sovereign power of the state.

4. The board shall meet at least two times in each year. The first meeting of the board shall be held within thirty days of the appointment of the full board or within sixty days after the effective date of this subdivision, whichever occurs earlier. Special meetings may be called by the chair and shall be called by the chair upon the request of at least five members of the board. The board may establish its own procedures with respect to the conduct of its meetings and other affairs; provided, however, that the quorum and majority provisions of section forty-one of the general construction law shall govern all actions taken by the board.

5. The members of the board shall receive no compensation for their services but shall be allowed their actual and necessary expenses incurred in the performance of their functions hereunder.

6. No member of the board shall be disqualified from holding any public office or employment outside of the department, nor shall he or she forfeit any such office or employment, by reason of his or her appointment pursuant to this section, notwithstanding the provisions of any other general, special or local law, ordinance or city charter.

7. The board shall make recommendations to the ombudsman for the improvement of the department's policies and consult with and advise the office of the correctional ombudsman in carrying out the duties and responsibilities of such office. The ombudsman shall report to the board fully on the activities of the office and shall seek board approval on all major decisions or policy changes, including any stand-
ards or protocols adopted by the ombudsman for the inspection and moni-
toring of correctional facilities or the resolution of complaints
received by the office.

8. Each member of the board shall tour a correctional facility with
the ombudsman at least annually.

§ 53. Powers of the ombudsman. 1. The ombudsman shall have the
authority to hire and retain counsel to provide confidential advice or
to represent the ombudsman if the attorney general has a conflict in
representing the ombudsman in any litigation.

2. The office of the ombudsman shall not be located in the same build-
ing or buildings as the department but shall be wholly independent of
the department except that the department shall provide it with office
space, equipment and furnishings within any department facility as need-
ed to carry out its functions and duties.

3. The ombudsman may appoint such assistants, officers, investigators,
monitors, employees and consultants as he or she shall determine neces-
sary, prescribe their duties and powers, provide them with appropriate
training, fix their compensation and provide for reimbursement of their
expenses within the amounts appropriated therefor except that the
ombudsman shall not hire any person known to be directly or indirectly
involved in an open internal affairs investigation conducted by any
federal, state or local agency or who is a named defendant in a pending
federal or state lawsuit or criminal proceeding relating to his or her
prior work for a state, local or federal correctional or law enforcement
agency. The ombudsman may appoint a representative to carry out any of
his or her duties under this article except that the ombudsman must
attend meetings with the correctional oversight board.

4. The ombudsman may create, abolish, transfer and consolidate bureaus
and other units within the office as he or she may determine necessary
for the efficient operation of the office, subject to the approval of
the director of the budget.

5. The ombudsman may request and shall receive from any department,
division, bureau, commission or any other agency of the state or poli-
tical subdivision thereof or any public authority such assistance,
information and data as will enable the office to carry out its func-
tions, powers and duties.

6. The ombudsman shall be responsible for the contemporaneous public
oversight of internal affairs and the disciplinary process of the
department of corrections and community supervision. The ombudsman
shall have discretion to provide oversight of any department investi-
gation relating to the well-being, treatment, discipline, safety or any
other matter concerning inmates or persons under community supervision
as needed, including personnel investigations.

7. The ombudsman may review specific policies, practices, programs and
procedures of the department that raise a significant correctional issue
relevant to the well-being, treatment, discipline, safety, rehabili-
tation or any other matter concerning inmates or persons under community
supervision. The ombudsman is authorized to inspect, investigate or
examine all aspects of the department’s operations and conditions,
including, but not limited to, staff recruitment, training, supervision,
discipline, inmate deaths, medical and mental health care, use of force,
inmate violence, conditions of confinement, inmate disciplinary process,
inmate grievance process, substance-abuse treatment, educational, voca-
tional and other programming and re-entry planning. During the course of
a review the ombudsman shall identify areas of full and partial compli-
ance or noncompliance with departmental policies and procedures, specify
deficiencies in the completion and documentation of processes and recom-
mend corrective actions, including, but not limited to, additional
training, additional policies or changes in policies, as well as any
other findings or recommendations he or she deems appropriate.
8. The ombudsman may place such members of his or her staff as he or
she deems appropriate as monitors in any correctional facility which, in
the judgment of the ombudsman, presents an imminent danger to the health
safety or security of inmates or employees of such correctional facility
or the public.
9. The ombudsman shall accept, with the approval of the governor, as
agent of the state any grant, including federal grants, or any gift for
any of the purposes of this article. Any moneys so received may be
expended by the ombudsman to effectuate any purpose of this article,
subject to the same limitations as to approval of expenditures and audit
as are prescribed for state moneys appropriated for the purposes of this
article.
10. The ombudsman may enter into contracts with any person, firm,
corporation, municipality, or governmental agency.
11. The ombudsman shall adopt, amend or rescind such rules and regu-
lations, in accordance with applicable state law, as may be necessary or
convenient to the performance of the functions, powers and duties of the
office.
12. The ombudsman shall do all other things necessary or convenient to
carry out its functions, powers and duties expressly set forth in this
article.
13. When exigent circumstances of unsafe or life threatening situ-
ations arise involving inmates, staff, people on community supervision
or other individuals, the ombudsman shall notify the governor, temporary
president of the senate and speaker of the assembly and commence an
immediate review of such circumstances. Upon completion of a review, the
ombudsman shall prepare a complete written report which shall be
disclosed with the underlying materials that the ombudsman deems appro-
priate to the commissioner, the requesting entity and any appropriate
law enforcement agency.
14. (a) The ombudsman shall interview and review all candidates for
appointment to serve as the superintendent of any state correctional
facility. The commissioner shall submit the names of such candidates to
the ombudsman who shall review such candidates' qualifications and
employ confidential procedures to evaluate the qualifications of each
candidate with regard to his or her ability to discharge the duties of
the office to which he or she is being appointed. Within ninety days of
the submission of a candidate's name, the ombudsman shall confidentially
advise the commissioner as to whether such candidate is well-qualified,
qualified or not qualified and the reasons therefore and may report, in
confidence, any other information that the ombudsman deems pertinent to
the qualification of the candidate. The ombudsman shall establish and
adopt rules and procedures regarding the review of candidates for the
position of superintendent and for maintaining the confidentiality of
any interviews, documents or other information relied upon in his or her
review. All such information shall be privileged and not subject to
disclosure.
(b) If the commissioner appoints a superintendent who the ombudsman
found was not qualified, the ombudsman shall make public that finding
after due notice to the appointee. Any candidate found to be not quali-
fied by the ombudsman shall have the right to withdraw from consider-
ation before the ombudsman makes such public finding and in that case
the finding shall not be published. Such notice and public finding
shall not constitute a waiver of privilege or breach of confidentiality
concerning the ombudsman's review of the appointee's qualifications
pursuant to this section.

15. Notwithstanding any law to the contrary, the ombudsman shall
periodically, but not less than every three years, conduct inspections
of each correctional facility and shall periodically review delivery of
medical and mental health care at each correctional facility. The
ombudsman shall issue a public report on each correctional facility at
least every three years. The ombudsman need not notify the department
before commencing such inspection or review.

16. All records, correspondence, videotapes, audiotapes, photographs,
notes, electronic communications, books, memoranda, papers or other
documents or objects used as evidence to support a completed review or
investigation must be retained for three years after a report is issued
unless handed over to a law enforcement agency for criminal investi-
gation. No such documents or evidence shall be destroyed pending the
completion of an investigation or review. Such documents or evidence
shall be publicly available unless confidential and not subject to
disclosure under the freedom of information law or by court order.

17. Notwithstanding any other provision of the law the ombudsman shall
have complete access and authority to examine and reproduce any and all
past and current books, accounts, reports, medical and mental health
records, vouchers, correspondence files, computer files, computer data
bases, documents, video and audio tape recordings, statistics and
performance based outcome measures and any and all other past and
current records and to examine the bank accounts, money or property of
the department. Any state office or agency of a political subdivision
of the state or other public entity or employee or officer thereof
possessing such records or property shall permit access to, and examina-
tion and reproduction thereof, consistent with the provisions of this
article, upon the request the ombudsman or his or her designee. Access,
examination and reproduction consistent with the provision of this
section shall not result in the waiver of any confidentiality or privi-
lege regarding any records or property.

18. The ombudsman may require any state employee to be interviewed on
a confidential basis. Such employee must comply with the request to be
interviewed and must be given time off from his or her employment for
the purposes of attending such an interview and may be accompanied by
counsel acting on his or her behalf. The ombudsman may also conduct a
confidential interview of any inmate or other person upon consent.

19. The ombudsman may enter anywhere on the grounds of any department
facility or office for the purposes of observation, inspection and
investigation and shall have unfettered access to all areas of the
department and any facility at any time.

20. The ombudsman may cause the body of a deceased inmate to undergo
such examinations, including an autopsy, as he or she deems necessary to
determine the cause of death, irrespective of whether any such examina-
tion or autopsy shall have been previously performed.

21. (a) In the exercise of its functions, powers and duties, the
ombudsman and any attorney employed by the office is authorized to issue
and enforce a subpoena and a subpoena duces tecum, administer oaths and
examine persons under oath, in accordance with and pursuant to civil
practice law and rules. A person examined under oath pursuant to this
subdivision shall have the right to be accompanied by counsel who shall
advise the person of his or her rights subject to reasonable limitations
to prevent obstruction of, or interference with, the orderly conduct of
the examination. Notwithstanding any other provision of law, a subpoena
may be issued and enforced pursuant to this subdivision for the medical
records of an inmate of a correctional facility, regardless of whether
such medical records were made during the course of the inmate’s incar-
ceration.

(b) In any case where a person in charge or control of a correctional
facility or an officer or employee thereof shall fail to comply with the
provisions of paragraph (a) of this subdivision, or in any case where a
coroner, coroner’s physician or medical examiner shall fail to comply
with the provisions of subdivision six of section six hundred seventy-
seven of the county law, the ombudsman may apply to the supreme court
for an order directed to such person requiring compliance therewith.
Upon such application the court may issue such order as may be just and
a failure to comply with the order of the court shall be a contempt of
court and punishable as such.

22. The ombudsman shall not be compelled to testify or release records
without a court order that are otherwise exempt from public disclosure,
including documents pertaining to any investigation that has not been
completed or any identifying information, personal papers or correspond-
ence with any person who has requested assistance from the office unless
that person consents in writing to the release of such information,
papers or correspondence.

23. The ombudsman may hold public hearings.

§ 54. Additional functions, powers and duties of the office of the
ombudsman. 1. The office may receive communications from any individual
who believes he or she may have information that may describe improper
governmental activities or wrongdoing within the department. Inmate
mail to and from the ombudsman shall be treated in the same manner as
legal mail and may not be restricted by the department, the office of
mental health or any other entity.

(a) The ombudsman shall establish a toll-free telephone number for the
purpose of identifying any alleged wrongdoing by an employee of the
department. This telephone number shall be posted by the department in
clear view of employees, inmates and the public, and inmates shall be
permitted to call such number during normal hours for telephone usage or
within twenty-four hours of admission to a special housing unit or other
unit with restricted telephone access. Telephone calls made to such
toll-free number from a correctional facility shall not be recorded by
the department and are protected confidential communications. The
ombudsman shall also maintain a website with a complaint form that may
be filled out online and shall also accept complaints by mail or other
means alleging wrongdoing by an employee of the department. When
requested, the ombudsman shall initiate a review of any such alleged
wrongdoing which may result in an investigation of the alleged wrongdo-
ing at the ombudsman’s discretion.

(b) At the conclusion of an investigation of a complaint, the ombuds-
man shall report his or her findings to the complainant and any person
designated to receive such findings by the complainant. If the ombudsman
does not investigate a complaint, he or she shall notify the complainant
and such other person of the decision not to investigate and the reasons
for the decision. If the complainant is deceased at the time of the
completion of an investigation, the ombudsman shall report his or her
findings to the complainant’s next of kin when such person is known to
the ombudsman or to the department.
(c) The ombudsman may act informally to resolve a complaint including providing referrals or information to complainants, expediting individual matters, mediating or providing other assistance.

(d) All identifying information and any personal records or correspondence from any person who initiated the review of such alleged wrongdoing shall be confidential unless the person consents to disclosure in writing.

(e) Where the ombudsman believes that an allegation of criminal misconduct has been made by a complainant, he or she shall report such allegation to the appropriate law enforcement agency.

2. Upon receiving a complaint of retaliation for complaining to or cooperating with the ombudsman, the ombudsman shall commence an inquiry into the complaint and conduct a formal investigation. Should the ombudsman find that a complaint of retaliation is founded as a result of an investigation, he or she shall so notify the department and make recommendations for corrective action to be taken by the department. The ombudsman shall make the results and supporting evidence of its formal investigation available to the division of human rights should an employee file a retaliation complaint with such agency and consent to such disclosure in writing.

3. To facilitate oversight, the office shall be immediately notified by the department of all unusual and significant incidences including, but not limited to, riots or fights involving multiple combatants, use of force, inmate deaths, serious physical assaults on employees or inmates, work stoppages and escapes and shall be given monthly aggregated reports of unusual incidents and inmate grievances by the department. Employees of the office shall be permitted to be present in any department internal investigation or inquiry. The office shall be responsible for reporting such unusual and significant incidents and the outcome of its investigations into such incidents to the public no less than quarterly.

4. (a) The ombudsman shall annually prepare a public report and summary of all investigations and reviews, including a list of significant problems discovered by the office, whether or not the recommendations made by the office have been implemented, and a list of the office's high priorities for the following year. The ombudsman shall submit such report to the governor, the temporary president of the senate, and speaker of the assembly by December thirty-first of each year. Such report shall be posted in electronic form on the office's public website. The ombudsman shall be authorized to redact portions of such report in a manner consistent with article six of the public officers law or where disclosure is otherwise prohibited by law.

(b) Upon review of the cause of death and circumstances surrounding the death of any inmate in a correctional facility, the ombudsman shall submit its report thereon to the governor, the speaker of the assembly, the temporary president of the senate, the chairperson of the assembly correction committee, the chairperson of the senate crime and correction committee, and the commissioner, and, where appropriate, make recommendations to prevent the recurrence of such deaths. Such reports shall be published on the office's website and shall otherwise be made available to the public.

(c) The ombudsman shall make an annual report to the governor, the speaker of the assembly, the temporary president of the senate, the chairperson of the assembly correction committee and the chairperson of the senate crime and correction committee on the condition of systems for the delivery of medical care to inmates of correctional facilities
and, where appropriate, recommend such changes as it shall deem neces-
sary and proper to improve the quality and availability of such medical
care. Such report shall be published on the office's website and shall
otherwise be made available to the public.

(d) All public reports by the ombudsman shall not disclose information
where prohibited by law.

§ 55. Additional duties of the department. 1. State employees operat-
ing within a correctional facility must cooperate fully and promptly
with the ombudsman.

2. The department shall respond in writing to any recommendations made
by the ombudsman or his or her designee within forty-five days and shall
state with specificity its reasons for failing to act on any such recom-
mendation. Such writings shall be made public by the ombudsman except
that information which would reveal confidential material that may not
be released pursuant to federal or state law shall be reacted by the
ombudsman from any such report or recommendation.

3. The commissioner shall immediately report to the ombudsman the
death of an inmate of any such facility in such manner and form as the
ombudsman shall prescribe and shall provide him or her with an autopsy
report when available.

§ 56. Obstructing an investigation by the correctional ombudsman. A
person is guilty of obstructing an investigation by the correctional
ombudsman when, with intent to obstruct or impede an inquiry or investi-
