- 1. The local social services official and, subject to the provisions of subdivision four of this section, the commissioner of health shall have responsibility for prior authorizing transportation of eligible persons and for limiting the provision of such transportation to those recipients and circumstances where such transportation is essential, 9 medically necessary and appropriate to obtain medical care, services or 10 supplies otherwise available under this title. However, prior authori-11 <u>zation shall not be required for transportation to obtain emergency</u> 12 care, including emergency medical transportation by an ambulance service certified under article thirty of the public health law.
- 6. With respect to transportation and care provided to an eligible person by an ambulance service certified under article thirty of the 15 public health law, the commissioner of the department of health shall establish a reimbursement methodology that ensures that providers are 18 reimbursed at the greater of the medical assistance rate in effect on 19 the effective date of this subdivision, or the medicare allowable charge 20 (pursuant to title XVIII of the federal social security act) for such 21 transportation and care. The amount of increase in reimbursement 22 produced by this methodology over what would otherwise have been paid
