IN ASSEMBLY

January 25, 2019

Introduced by M. of A. KOLB, BRABENEC, GIGLIO -- read once and referred to the Committee on Higher Education

AN ACT to amend the education law, in relation to creating the affordable college education scholarship program

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. This act shall be known and may be cited as the "affordable college education scholarship program".

§ 2. Legislative intent. The legislature finds that higher education 3 4 is critical to the future of many New Yorkers and a highly educated 5 workforce is paramount to bolstering a healthy economy in New York State. Unfortunately, the rising cost of college is placing a financial б strain on students and families and jeopardizing the future of the 7 state's economy. Addressing that financial strain and the need to invest 8 9 in New York's workforce are necessary steps in securing New York's 10 future economy. Therefore the affordable college education scholarship 11 program is established to provide families with the ability to send 12 their children to college to earn a bachelor's degree for \$10,000. The 13 affordable college education scholarship program will provide deserving 14 students and their families an affordable pathway to a college educa-15 tion.

16 § 3. The education law is amended by adding a new article 14-B to read 17 as follows:
