AN ACT to amend the public health law, in relation to establishing a central registry of medical personnel terminated for cause

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public health law is amended by adding a new section
2 2827 to read as follows:

3 § 2827. Central state registry of employees of medical facilities
4 terminated for cause. 1. Notwithstanding any provision of law to the
5 contrary, the department is authorized to and shall establish and main-
6 tain a central state registry identifying personnel employed by medical
7 facilities within the state who have been terminated from their employ-
8 ment by a medical facility for cause. The registry shall maintain such
9 information as the commission requires, including, at a minimum, the
10 name, address, date of birth, and social security number of each person
11 so terminated, the name, address and telephone number of the terminating
12 facility, the date and reasons for the termination, and, to the extent
13 known by the medical facility, whether criminal charges were filed
14 against the person terminated. The department shall continue to maintain
15 in the registry the information required to be kept pursuant to this
16 section for employees of medical facilities for a period of not less
17 than five years following termination, resignation or retirement, or
18 failure to be hired or renewed at which time the department shall purge
19 from the registry such information.

20 2. Each medical facility shall transmit the requisite information, in
21 such form as is prescribed by the commissioner, to the department, no
22 later than the fifteenth calendar day following the termination of
23 employment of any person who was terminated for cause or any person who
24 retired or resigned in order to avoid termination.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

1 3. Notwithstanding any other provision of law, medical facilities
2 shall, upon such terms and conditions as the department shall by rules
3 and regulations prescribe, have timely access to information contained
4 in the registry for the purpose of making such inquiries regarding
5 persons who are presently employed by the medical facility or who have
6 applied for employment with the medical facility.

7 4. The information required to be submitted pursuant to this section
8 which is required by law to be kept confidential shall be kept confiden-
9 tial and all other information shall be released only pursuant to the
10 provisions of this section. The department shall establish rules and
11 regulations to provide for a permanent system which will ensure the
12 security and privacy of information contained in the registry and to
13 ensure that such information is made available only for legitimate
14 purposes to qualified medical facilities as provided in this section.

15 5. As used in this section, "medical facility" means any hospital,
16 nursing home or residential health care facility as defined in section
17 twenty-eight hundred one of this article or a home care service agency
18 or limited home care service agency as defined in section thirty-six
19 hundred two of this chapter.

20 § 2. This act shall take effect January 1, 2021.
