services, by rule, regulation or resolution adopted at a public meeting. In any case where a responsible bidder's or responsible offerer's gross price is reducible by an allowance for the value of used machinery, 3 equipment, apparatus or tools to be traded in by a political subdivision, the gross price shall be reduced by the amount of such allowance, for the purpose of determining the best value. In cases where two or 7 more responsible bidders furnishing the required security submit identical bids as to price, such officer, board or agency may award the contract to any of such bidders. Such officer, board or agency may, in 9 10 his or her or its discretion, reject all bids or offers and readvertise 11 for new bids or offers in the manner provided by this section; provided, however, that in the city of Rochester, for public works and purchase 12 contracts up to one hundred thousand dollars, such contracts may be 13 14 awarded to a minority or woman-owned business certified as such by the 15 state of New York and located within the Rochester metropolitan statis-16 tical area, as long as such award is based on contractor submissions in 17 response to a request for proposals and made pursuant to a minority and woman-owned business enterprise program lawfully adopted by the city of 18 Rochester. In determining whether a purchase is an expenditure within 19 20 the discretionary threshold amounts established by this subdivision, the 21 officer, board or agency of a political subdivision or of any district therein shall consider the reasonably expected aggregate amount of all 22 purchases of the same commodities, services or technology to be made 23 within the twelve-month period commencing on the date of purchase. 24 25 Purchases of commodities, services or technology shall not be arti-26 ficially divided for the purpose of satisfying the discretionary buying 27 thresholds established by this subdivision. A change to or a renewal of a discretionary purchase shall not be permitted if the change or renewal 28 29 would bring the reasonably expected aggregate amount of all purchases of 30 the same commodities, services or technology from the same provider 31 within the twelve-month period commencing on the date of the first 32 purchase to an amount greater than the discretionary buying threshold 33 amount. For purposes of this section, "sealed bids" and "sealed offers", 34 as that term applies to purchase contracts, (including contracts for 35 service work, but excluding any purchase contracts necessary for the 36 completion of a public works contract pursuant to article eight of the 37 labor law) shall include bids and offers submitted in an electronic 38 format including submission of the statement of non-collusion required by section one hundred three-d of this article, provided that the 39 governing board of the political subdivision or district, by resolution, 40 has authorized the receipt of bids and offers in such format. Submission 41 42 in electronic format may, for technology contracts only, be required as 43 the sole method for the submission of bids and offers. Bids and offers 44 submitted in an electronic format shall be transmitted by bidders and 45 offerers to the receiving device designated by the political subdivision 46 or district. Any method used to receive electronic bids and offers shall 47 comply with article three of the state technology law, and any rules and regulations promulgated and guidelines developed thereunder and, at a 48 minimum, must (a) document the time and date of receipt of each bid and 49 offer received electronically; (b) authenticate the identity of the 50 51 sender; (c) ensure the security of the information transmitted; and (d) ensure the confidentiality of the bid or offer until the time and date 52 established for the opening of bids or offers. The timely submission of 54 an electronic bid or offer in compliance with instructions provided for 55 such submission in the advertisement for bids or offers and/or the specifications shall be the responsibility solely of each bidder or offerer

or prospective bidder or offerer. No political subdivision or district therein shall incur any liability from delays of or interruptions in the receiving device designated for the submission and receipt of electronic bids and offers.

5 § 2. This act shall take effect immediately; provided that the amend-6 ments to subdivision 1 of section 103 of the general municipal law made 7 by section one of this act shall not affect the expiration of such 8 subdivision and shall be deemed to expire therewith.
