Introduced by M. of A. STECK -- read once and referred to the Committee on Energy

AN ACT to amend the public service law, in relation to ensuring net metering is maintained as a compensation floor for residential producers of energy

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 6 of section 66-j of the public service law, as amended by chapter 355 of the laws of 2009, is amended to read as follows:

6. Electric restructuring. Notwithstanding the provisions of this section, including, but not limited to paragraph (b) of subdivision three of this section, a customer-generator shall comply with any applicable determinations of the commission relating to restructuring of the electric industry. **However, customer-generators shall never be compensated at a value less than would exist under net energy metering.**

§ 2. Subdivision 6 of section 66-l of the public service law, as amended by chapter 721 of the laws of 2006, is amended to read as follows:

6. Electric restructuring. Notwithstanding the provisions of this section, including, but not limited to paragraph (c) of subdivision three of this section, a customer-generator shall comply with any applicable determinations of the commission relating to restructuring of the electric industry. **However, customer-generators shall never be compensated at a value less than would exist under net energy metering.**

§ 3. This act shall take effect immediately.

EXPLANATION--Matter in ***italics*** (underscored) is new; matter in brackets [-] is old law to be omitted.
