AN ACT to amend the administrative code of the city of New York, in relation to enacting the New York city department of buildings community accountability act

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The legislature hereby finds and  
2 declares that the health and safety of the population living in and  
3 around the many construction projects within the densely populated city  
4 of New York is a matter of state concern as pressure mounts to build  
5 more and more while completing projects in the shortest time possible.  
6 Construction is the most dangerous occupation, with death rates four  
7 times the average for other workers and conditions adjacent to  
8 construction sites dangerous to the public.  
9 A comprehensive public reporting system for the tracking of accidents,  
10 vacate orders, safety violations, and enforcement actions of the depart-  
11 ment of buildings is an essential component of assuring greater account-  
12 ability and transparency in assuring compliance with the building code  
13 and the zoning resolution to improve public safety.  
14 § 2. This act shall be known and may be cited as the "New York city  
15 department of buildings community accountability act".  
16 § 3. Section 28-103.18.1 of the administrative code of the city of New  
17 York, as added by local law number 33 of the city of New York for the  
18 year 2007, is amended to read as follows:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

9 tained by the city of New York, subject to such regulations as the  
10 commissioner shall prescribe.

12 adding a new section 28-103.18.2 to read as follows:

15 accidents resulting in either injury or death to persons or damage to  
16 property arising out of violations of the building code, including but  
17 not limited to unsafe building orders and stop work orders. Such record  
18 shall be posted on the department's information website maintained by  
19 the city of New York, subject to such regulations as the commissioner  
20 shall prescribe. The commissioner shall cause such accidents to be  
21 investigated and a written report prepared regarding the circumstances

26 dents. The department shall, not less than biannually, provide a report  
27 on department actions to each community board, for department actions  
28 within such board, and to the borough presidents, for actions in the  
29 borough of each borough president. The report shall show all specified  
30 immediately hazardous and specified major violations, the number of such  
31 violations corrected, enforcement actions commenced, and the disposition  
32 of enforcement actions, within the period, separated by community board  
33 and borough president. Such enforcement actions shall include court  
34 actions, orders of closure, and environmental control board actions and  
35 orders, including fines and penalties. The report shall further show all
