2019-2020 Regular Sessions

## IN ASSEMBLY

January 28, 2019

Introduced by M. of A. ORTIZ, WEPRIN -- read once and referred to the Committee on Energy

AN ACT to amend the energy law and the public authorities law, in relation to the availability of alternative fuels along the New York state thruway

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- Section 1. This act shall be known and may be cited as the "electric 2 super highway act of 2019".
- § 2. Section 1-103 of the energy law is amended by adding a new subdivision 14 to read as follows:
- 14. "Alternative fuel" shall mean ethanol, methanol, natural gas, propane, electricity (including electricity from solar energy), hydrogen, and any other fuel identified which is substantially not petroleum-based, which is consistent with the goals of protecting the safety 9 and health of the public and minimizing emissions of air pollutants, and 10 which is consistent with any applicable federal alternative fuel 11 requirements.
- $\S$  3. The energy law is amended by adding a new section 5-129 to read 12 13 as follows:

14

17

18

- § 5-129. Alternative fuels. State energy research and development 15 authority shall provide the New York state thruway authority with a list 16 of the most feasible alternative fuels, which shall number no fewer than three, and assist the authority in implementing the requirements of section three hundred fifty-four of the public authorities law.
- 19 § 4. Subdivision 10 of section 354 of the public authorities law, as 20 amended by section 2 of part TT of chapter 54 of the laws of 2016, is 21 amended to read as follows:
- 22 10. To construct, reconstruct or improve on or along the thruway in 23 the manner herein provided, suitable facilities for gas stations, 24 restaurants, and other facilities for the public, or to lease the right

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
