AN ACT to amend the education law, in relation to registered dental hygienists working without supervision but within a collaborative practice agreement with a licensed dentist

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The education law is amended by adding a new section 6607-a 2 to read as follows:

§ 6607-a. Practice of collaborative practice dental hygiene and use of title "registered dental hygienist, collaborative practice" (RDH-CP). 1. The practice of the profession of dental hygiene, as defined under this article, may be performed in collaboration with a licensed dentist provided such services are performed in accordance with a written practice agreement and written practice protocols to be known as a collabo-8 rative practice agreement. Under a collaborative practice agreement, dental hygienists may perform all services which are designated in requ-10 11 lation without prior evaluation of a dentist or medical professional and 12 may be performed without supervision in a collaborative practice setting.

- 2. (a) The collaborative practice agreement shall include consideration for medically compromised patients, specific medical conditions, 15 and age- and procedure-specific practice protocols, including, but not limited to recommended intervals for the performance of dental hygiene 18 services and a periodicity in which an examination by a dentist should 19 occur.
 - (b) The collaborative agreement shall be:

1 (ii) reviewed annually by the collaborating dentist and dental hygien-2 ist; and

- 3 (iii) made available to the department and other interested parties
 4 upon request.
- 5 (c) Only one agreement between a collaborating dentist and registered 6 dental hygienist, collaborative practice (RDH-CP) may be in force at a 7 time.
- 3. Before performing any services authorized under this section, a dental hygienist must provide the patient with a written statement advising the patient that the dental hygiene services provided are not a substitute for a dental examination by a licensed dentist. If the dental hygienist makes any referrals to the patient for further dental procedures, the dental hygienist must fill out a referral form and provide a copy of the form to the collaborating dentist.
 - 4. The collaborative practice dental hygienist may enter into a contractual arrangement with any New York state licensed and registered dentist, health care facility, program, and/or non-profit organization to perform dental hygiene services in the following settings: dental offices; longterm care facilities/skilled nursing facilities; public or private schools; public health agencies/federally qualified health centers; correctional facilities; public institutions/mental health facilities; and private settings in which homebound residents are unable to be relocated for necessary treatment.
 - 5. A collaborating dentist shall have collaborative agreements with no more than six collaborative practice dental hygienists. The department may grant exceptions to these limitations for public health settings on a case-by-case basis.
- 6. A dental hygienist must make application to the New York state 28 29 education department to practice as a registered dental hygienist, collaborative practice (RDH-CP) and pay a fee set by the department. As 30 31 a condition of collaborative practice, the dental hygienist must have 32 been engaged in practice for three years with a minimum of four thousand five hundred practice hours and must complete an eight hour continuing 33 34 education program that includes instruction in medical emergency proce-35 dures, risk management, dental hygiene jurisprudence and professional 36 ethics.
 - § 2. This act shall take effect immediately.
