Introduced by M. of A. PERRY -- Multi-Sponsored by -- M. of A. PEOPLES-STOKES -- read once and referred to the Committee on Governmental Operations

AN ACT to amend the executive law, in relation to traffic stops conducted by law enforcement officers

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The executive law is amended by adding a new section 837-t
2 to read as follows:

3 § 837-t. Prohibition of racial profiling in traffic stops. 1. For the
4 purposes of this section, "racial profiling" means the detention, inter-
5 dictation or other disparate treatment of an individual solely on the
6 basis of the racial or ethnic status of such individual.

7 2. No member of the division of state police, a sheriff's office, a
8 municipal police department or any other law enforcement agency shall
9 engage in racial profiling. The detention of an individual based on any
10 noncriminal factor or combination of noncriminal factors is inconsistent
11 with this policy.

12 3. The race or ethnicity of an individual shall not be the sole factor
13 in determining the existence of probable cause to place in custody or
14 arrest an individual or in constituting a reasonable and articulable
15 suspicion that an offense has been or is being committed so as to justi-
16 fy the detention of an individual or the investigatory stop of a motor
17 vehicle.

18 4. (a) Not later than January first, two thousand twenty-one, each
19 municipal police department, sheriff's office, and the division of state
20 police shall adopt a written policy that prohibits the stopping,
21 detention or search of any person when such action is solely motivated
22 by considerations of race, color, ethnicity, age, gender or sexual

2 rights of the person.

3 (b) Commencing on January first, two thousand twenty-one, each municipi-
4 pal police department, sheriff's office, and the division of state
5 police shall, using the form developed and promulgated pursuant to
6 subdivision five of this section, record and retain the following infor-
7 mation: (i) the number of persons stopped for traffic violations; (ii)
8 characteristics of race, color, ethnicity, gender and age of such
9 persons, provided the identification of such characteristics shall be
10 based on the observation and perception of the police officer responsi-
11 ble for reporting the stop and the information shall not be required to
12 be provided by the person stopped; (iii) the nature of the alleged traf-
13 fic violation that resulted in the stop; (iv) whether a warning or cita-
14 tion was issued, an arrest made or a search conducted as a result of the
15 stop; and (v) any additional information that such municipal police
16 department, sheriff's office, or the division of state police, as the
17 case may be, deems appropriate.

18 (c) Each municipal police department, sheriff's office, and the divi-
19 sion of state police shall provide to the division of criminal justice
20 services (i) a copy of each complaint received pursuant to this section,
21 and (ii) written notification of the review and disposition of such
22 complaint.

23 (d) Any police officer who in good faith records traffic stop informa-
24 tion pursuant to the requirements of this section shall not be held
25 civilly liable for the act of recording such information unless the
26 officer's conduct was unreasonable or reckless.

27 (e) If a municipal police department, sheriff's office, or the divi-
28 sion of state police fails to comply with the provisions of this
29 section, the division of criminal justice services shall order an appro-
30 priate penalty in the form of the withholding of state funds from such
31 municipal police department, sheriff's office or the division of state
32 police.

33 (f) On or before October first, two thousand twenty, and annually
34 thereafter, each municipal police department, sheriff's office and the
35 division of state police shall provide to the division of criminal
36 justice services, in such form as the division of criminal justice
37 services shall prescribe, a summary report of the information recorded
38 pursuant to paragraph (b) of this subdivision.

39 (g) The division of criminal justice services shall provide for a
40 review of the prevalence and disposition of traffic stops and complaints
41 reported pursuant to this section. Not later than January first, two
42 thousand twenty-two, the division of criminal justice services shall
43 report to the governor and the senate and the assembly the results of
44 such review, including any recommendations.

45 5. Not later than January first, two thousand twenty-one, the division
46 of criminal justice services shall develop and promulgate:

47 (a) A form, in both printed and electronic format, to be used by
48 police officers when making a traffic stop to record personal identify-
49 ing information about the operator of the motor vehicle that is stopped,
50 the location of the stop, the reason for the stop and other information
51 that is required to be recorded pursuant to paragraph (b) of subdivision
52 four of this section; and

53 (b) A form, in both printed and electronic format, to be used to
54 report complaints pursuant to subdivision four of this section by
55 persons who believe they have been subjected to a motor vehicle stop by

1 a police officer solely on the basis of their race, color, ethnicity,
2 age, gender or sexual orientation.

3 § 2. This act shall take effect immediately.
