3 registration, or otherwise, of the make, model and model year of such
4 applicant's motor vehicle. If such proof has been submitted, such appli-
5 cant's certificate of registration shall contain a distinguishing mark
6 which shall designate such applicant's motor vehicle as a "qualified
7 hybrid vehicle," and shall also display such motor vehicle's United

35 such plate or to the vehicle as prescribed by regulations of the commis-
36 sioner indicating the validity of the plate during a certain period and
37 the issuance of such a number plate with such date tag to a person
38 possessing such a number plate shall be deemed the issuance of a number
39 plate. An additional fee, not to exceed twenty-five dollars, shall be
40 paid to the commissioner whenever a set of reflectorized number plates
41 is issued for any vehicle for which a registration fee is normally
42 charged except that, with respect to any number plate which is specif-
43 ically requested by the applicant, such fee shall be paid to the commis-
44 sioner upon approval of such request. In the event of the loss, mutila-
45 tion or destruction of any certificate of registration, any number plate

49 facts as the commissioner shall require, with a fee of three dollars, in
50 the office of the commissioner, or, unless and until the commissioner
51 shall otherwise direct, in the office of the agent who issued the
52 certificate, plate, plates, tag or tags and the commissioner or his or
53 her agent, as the case may be, shall issue a duplicate or substitute. It
54 shall be the duty of every owner holding a certificate of registration
55 to notify the commissioner in writing of any change of residence of such
56 person within ten days after such change occurs, and to inscribe on such

1 certificate, in the place provided by the commissioner, a record of such
2 change of residence.

4 it shall have become a law.
