42 ing the tax records of an elderly person or a person who has a fiduciary
43 responsibility for any other action concerning the use or preservation
44 of an elderly adult's property, who has a reasonable basis to believe
45 that any elderly person has been abused, neglected, exploited or aban-
46 doned, or is in a condition which is the result of such abuse, neglect,
47 exploitation or abandonment, or who is in need of protective services,
48 or any attorney, accountant, trustee, guardian, conservator or other
49 person who has responsibility for preparing the tax records of an elder-
50 ly person or a person who has a fiduciary responsibility for any other
51 action concerning the use or retention of an elderly adult's property
52 who has a reasonable basis to believe that an elderly adult has been
53 exploited, shall within three calendar days report such information or
54 cause a report to be made in the following manner:

1 (a) if the abuse has occurred in a long-term care facility, except a
2 state mental hospital or a state development center, the report shall be
3 made to the commissioner of the office of children and family services;

4 (b) if the suspected or alleged abuse occurred in a state mental
5 health hospital or a state developmental center, the report shall be
6 made to the office of mental health or the office for people with devel-
7 opmental disabilities; or

8 (c) if the abuse has occurred any place other than one described in
9 paragraph (a) or (b) of this subdivision, the report shall be made to
10 the statewide central register.

11 Any person required to report under the provision of this section who
12 fails to make such report may be fined not more than five hundred
13 dollars.

14 2. Such report shall contain the name and address of the involved
15 elderly person, information regarding the nature and extent of the
16 abuse, neglect, exploitation or abandonment, and any other information
17 which the reporter believes might be helpful in an investigation of the
18 case and the protection of such elderly person.

19 3. Any other person having reasonable cause to believe that an elderly
20 person is being, or has been abused, neglected, exploited or abandoned
21 or who is in need of protective services may report such information in
22 any reasonable manner to the commissioner of the office of children and
23 family services or his or her designee.

24 4. Any person who makes any report pursuant to this title, or who
25 testifies in any administrative or judicial proceeding arising from such
26 report shall be immune from any civil or criminal liability on account
27 of such report or testimony, except for liability for perjury, unless
28 such person was grossly negligent or acted in bad faith or with mali-
29 cious purpose.

30 5. Any physician, surgeon, or psychotherapist shall not be required to
31 file a report pursuant to this section if all the following conditions
32 are met:

33 (a) such physician, surgeon, or psychotherapist has been told by an
34 elder or dependent adult that he or she has experienced behavior consti-
35 tuting physical abuse, abandonment, isolation, financial abuse, or
36 neglect;

37 (b) such physician, surgeon, or psychotherapist is not aware of any
38 independent evidence that corroborates the statement that abuse has
39 occurred;

40 (c) the elder or dependent adult has been diagnosed with a mental
41 illness or dementia, or is the subject of a court ordered conservator-
42 ship because of mental illness or dementia; and

43 (d) in the exercise of clinical judgment, such physician, surgeon, or
44 psychotherapist reasonably believes that such abuse did not occur.

45 6. In a long-term care facility, a person who otherwise would have
46 been required to report abuse pursuant to this section, shall not be
47 required to file a report if the following conditions are met:

48 (a) such person is aware that there is a proper plan of care;

49 (b) such person is aware that the plan of care was properly provided
50 or executed;

51 (c) a physical, mental, or medical injury occurred as a result of care
52 provided pursuant to paragraph (a) or (b) of this subdivision; and

53 (d) such person reasonably believes that the injury was not the result
54 of abuse.

55 7.(a) Any individual specified in subdivision one of this section who
56 has knowledge of, or reasonably suspects that, types of elder or depend-

ent adult abuse for which reports are not mandated have been inflicted upon an elder or dependent adult or that his or her emotional well-being is endangered in any other way, may report the known or suspected instance of abuse.

(b) If the suspected or alleged abuse occurred in a long-term care facility other than a state mental health hospital or a state developmental center, the report may be made to the commissioner of the office of children and family services.

(c) If the suspected or alleged abuse occurred in a state mental health hospital or a state developmental center, the report may be made to the office of mental health or the office for people with developmental disabilities.

(d) If the suspected or alleged abuse occurred in a place other than a place described in paragraph (b) or (c) of this subdivision, the report may be made to the statewide central register.

8. If the conduct involves criminal activity not covered in subdivision five or six of this section, it may be immediately reported to the appropriate law enforcement agency.

9. When two or more individuals specified in subdivision one of this section are present and jointly have knowledge or reasonably suspect that types of abuse of an elder or a dependent adult for which a report is or is not mandated have occurred, and when there is agreement among them, the telephone report may be made by a member of the team selected by mutual agreement, and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report.

10. A telephone report of a known or suspected instance of elder or dependent adult abuse shall include the name of the person making the report, the name and age of the elder or dependent adult, the present location of the elder or dependent adult, the names and addresses of family members or any other person responsible for the elder or dependent adult's care, if known, the nature and extent of the elder or dependent adult's condition, the date of the incident, and any other information, including information that led that person to suspect elder or dependent adult abuse, requested by the agency receiving the report.

§ 313. Action on reports. 1. The commissioner of the office of children and family services upon receiving a report that an elderly person allegedly is being, or has been, abused, neglected, exploited or abandoned, or is in need of protective services shall cause a prompt and thorough evaluation to be made, through the appropriate local or county department of social services to determine the situation relative to the condition of the elderly person and what action and services, if any, are required. The evaluation shall include a visit to the named elderly person and consultation with those individuals having knowledge of the facts of the particular case.

2. Upon probable cause to believe that an individual covered by this title is being abused, maltreated or neglected, a representative of the local or county department of social services, accompanied by a law enforcement officer, may enter a premises, after obtaining a court order and announcing their authority and purpose.

3. Upon completion of the evaluation of each case, written findings shall be prepared which shall include recommended action and a determination of whether protective services are needed.

4. Each local or county department of social services shall maintain a registry of the reports received, the evaluation and findings and the

1 actions recommended, and shall furnish copies of such data to the office
2 of children and family services for a statewide register.

3 5. Neither the original report nor the evaluation report of the local
4 or county department of social services shall be deemed a public record.
5 The name of the person making the original report or any person
6 mentioned in such report shall not be disclosed unless the person making
7 the original report specifically requests such disclosure or unless a
8 judicial proceeding results therefrom.

9 § 314. Judicial review. 1. If it is determined that an elderly person
10 is in need of protective services, the local or county department of
11 social services shall furnish the necessary services, provided the
12 elderly person consents.

13 2. If an elderly person does not consent to the receipt of reasonable
14 and necessary protective services, or if such person withdraws the
15 consent, such services shall not be provided or continued, except that
16 if the commissioner of the office of children and family services has
17 reason to believe that such elderly person is at risk of serious harm
18 and lacks capacity to consent, he or she may proceed to petition for an
19 order for short-term involuntary protective services pursuant to section
20 four hundred seventy-three-a of this chapter.

21 3. If the caretaker of an elderly person who has consented to the
22 receipt of reasonable and necessary protective services refuses to allow
23 the provision of such services to such elderly person, the commissioner
24 of the office of children and family services may petition the supreme
25 court or the surrogate's court for an order enjoining the caretaker from
26 interfering with the provision of protective services to the elderly
27 person. The petition shall allege specific facts sufficient to show that
28 the elderly person is in need of protective services and consents to
29 their provision and that the caretaker refuses to allow the provision of
30 such services. If the judge finds that the elderly person is in need of
31 such services and has been prevented by the caretaker from receiving the
32 same, the judge may issue an order enjoining the caretaker from inter-
33 fering with the provision of protective services to the elderly person.

34 § 315. Authority of office of children and family services. 1. Every
35 person, department, agency or commission authorized to carry out the
36 duties enumerated in this title shall have access to all relevant
37 records, except that records which are confidential to an elderly person
38 shall only be disclosed with the written consent of the elderly person
39 or his or her representative. The authority of the office of children
40 and family services under this title shall include, but not be limited
41 to, the right to initiate or otherwise take those actions necessary to
42 assure the health, safety and welfare of any elderly person, subject to
43 any specific requirement for individual consent, and the right to
44 authorize the transfer of an elderly person from an adult care facility,
45 intermediate or residential health care facility, nursing home, or
46 hospital.

47 2. The office of children and family services, within ten calendar
48 days of the referral of any cases for the provision of protective
49 services, shall furnish the local or county department of social
50 services a written report outlining the intended plan of services. The
51 local or county department of social services shall have the right to
52 comment on the proposed plan.

53 § 316. Assistance of other agencies. In performing the duties set
54 forth in this title, the local or county department of social services
55 may request the assistance of the staffs and resources of all appropri-

1 ate state departments, agencies and commissions and local health direc-
2 tors.

3 § 317. Review. Subsequent to the authorization for the provision of
4 reasonable and necessary protective services, the office of children and
5 family services shall initiate a review of each case within forty-five
6 days, to determine whether continuation of, or modification in, the
7 services provided is warranted. A decision to continue the provision of
8 such services should be made in concert with appropriate personnel from
9 other involved state and local groups, agencies and departments, and
10 shall comply with the consent provisions of this title. Reevaluations of
11 each such case shall be made every ninety days thereafter. The office of
12 children and family services shall advise the appropriate local or coun-
13 ty department of social services of the decisions relative to continua-
14 tion of protective services for each such elderly person.

15 § 318. Costs for providing protective services. Prior to implementa-
16 tion of any protective services, an evaluation shall be undertaken by
17 the office of children and family services pursuant to regulations which
18 shall be adopted by the commissioner of the office of children and fami-
19 ly services regarding the elderly person's financial capability for
20 paying for the protective services. If the person is so able, procedures
21 for the reimbursement for the costs of providing the needed protective
22 services should be initiated. If it is determined that the person is not
23 financially capable of paying for such needed services, the services
24 shall be provided in accordance with policies and procedures established
25 by the commissioner of the office of children and family services for
26 the provision of social services benefits under such circumstances.

27 § 319. Abuse of duties of caretaker. If as a result of any investi-
28 gation initiated under the provisions of this title, a determination is
29 made that a caretaker or other person has abused, neglected, exploited
30 or abandoned an elderly person, such information shall be referred in
31 writing to the attorney general or his or her designee, and the district
32 attorney in the county in which the abuse, neglect, exploitation or
33 abandonment is believed to have occurred which shall conduct such
34 further investigation, if any is deemed necessary and shall determine
35 whether criminal proceedings should be initiated against such caretaker
36 or other person, in accordance with applicable state law.

37 § 320. Statewide central register of elderly abuse. 1. There shall be
38 established in the office of children and family services a statewide
39 central register of elderly abuse reports made pursuant to this title.

40 2. The central register shall be capable of receiving oral and elec-
41 tronic reports of elderly abuse, neglect, exploitation or abandonment
42 and of immediately identifying prior reports of elderly abuse, neglect,
43 exploitation or abandonment and capable of monitoring the provision of
44 elderly protective services twenty-four hours a day, seven days a week.
45 To effectuate this purpose, but subject to the provisions of the appro-
46 priate local plan for the provision of elderly protective services,
47 there shall be a single statewide telephone number that all persons,
48 whether mandated by law or not, may use to report cases of suspected
49 elderly abuse, neglect, exploitation or abandonment and that all persons
50 so authorized by this title may use for determining the existence of
51 prior reports in order to evaluate the condition or circumstances of the
52 elderly person before them. Such oral reports shall be immediately
53 transmitted orally or electronically by the office of children and fami-
54 ly services to the appropriate local elderly protective service. If the
55 records indicate a previous report concerning a subject of the report,
56 other persons named in the report or other pertinent information, the

1 appropriate local elderly protective service shall be immediately noti-
2 fied of the fact.

3 3. The central register shall include but not be limited to the
4 following information: all the information in the written report; a
5 record of the final disposition of the report, including services
6 offered and services accepted; the plan for rehabilitative treatment;
7 the names and identifying data, dates and circumstances of any person
8 requesting or receiving information from the register; and any other
9 information which the commissioner of the office of children and family
10 services believes might be helpful in the furtherance of the purposes of
11 this chapter.

12 4. Reports made pursuant to this title as well as any other informa-
13 tion obtained, reports written or photographs taken concerning such
14 reports in the possession of the office of children and family services
15 or local departments shall be confidential and shall only be made avail-
16 able to (a) a physician who has before him or her an elderly person whom
17 he or she reasonably suspects may be abused, neglected, exploited or
18 abandoned; (b) a person authorized to place an elderly person in protec-
19 tive custody when such person has before him or her an elderly person
20 whom he or she reasonably suspects may be abused, neglected, exploited
21 or abandoned and such person requires the information in the record to
22 determine whether to place the elderly person in protective custody; (c)
23 a duly authorized agency having the responsibility for the care or
24 supervision of an elderly person who is reported to the central register
25 of elderly abuse; (d) any person who is the subject of the report or
26 other persons named in the report; (e) a court, upon a finding that the
27 information in the record is necessary for the determination of an issue
28 before the court; (f) a grand jury, upon a finding that the information
29 in the record is necessary for the determination of charges before the
30 grand jury; (g) any appropriate state legislative committee responsible
31 for elderly protective legislation and any temporary state commission
32 having the powers of a legislative committee and having the power to
33 review such legislation and make recommendations thereon to the governor
34 and legislature; (h) any person engaged in a bona fide research purpose,
35 provided, however, that no information identifying the subjects of the
36 report or other persons named in the report shall be made available to
37 the researcher unless it is absolutely essential to the research purpose
38 and the office of children and family services gives prior approval; (i)
39 authorized agencies and the office for the aging. However, no informa-
40 tion may be released unless the person or official's identity is
41 confirmed by the department and the released information states whether
42 the report is "indicated" or "under investigation," whichever the case
43 may be. A person given access to the names or other information identi-
44 fying the subjects of the report or other persons named in the report,
45 except the subject of the report or other persons named in the report,
46 shall not divulge or make public such identifying information unless he
47 or she is a district attorney or other law enforcement official and the
48 purpose is to initiate court action.

49 5. Unless an investigation of a report conducted pursuant to this
50 title determines that there is some credible evidence of the alleged
51 abuse, neglect, exploitation or abandonment, all information identifying
52 the subjects of the report and other persons named in the report shall
53 be expunged from the central register and from the records of all local
54 elderly protective services forthwith.

55 6. In all other cases, the record of the report to the central regis-
56 ter shall be expunged no later than ten years after the death of the

1 elderly person. In any case and at any time, the commissioner of the
2 office of children and family services may amend or expunge any record
3 upon good cause shown and notice to the subjects of the report and other
4 persons named in the report.

5 7. At any time, a subject of a report and other persons named in the
6 report may receive, upon request, a copy of all information contained in
7 the central register; provided, however, that the commissioner of the
8 office of children and family services is authorized to prohibit the
9 release of data that would identify the person who made the report or
10 who cooperated in a subsequent investigation, which he or she reasonably
11 finds will be detrimental to the safety or interests of such person.

12 8. At any time subsequent to the completion of the investigation but
13 in no event later than ninety days after the subject of the report is
14 notified that the report is indicated the subject may request the
15 commissioner of the office of children and family services to amend or
16 expunge the record of the report. If the commissioner of the office of
17 children and family services does not amend or expunge the report within
18 ninety days of receiving such request, the subject shall have the right
19 to a fair hearing to determine whether the record of the report in the
20 central register should be amended or expunged on the grounds that it is
21 inaccurate or it is being maintained in a manner inconsistent with this
22 title. The appropriate local elderly protective service shall be given
23 notice of the fair hearing. The burden of proof in such hearing shall be
24 on the office of children and family services and appropriate local
25 elderly protective service. In such hearings, the fact that there was a
26 court finding of abuse, neglect, exploitation or abandonment shall be
27 presumptive evidence that the report was substantiated. The commissioner
28 of the office of children and family services or his or her designated
29 agent is hereby authorized and empowered to make any appropriate order
30 respecting the amendment or expungement of the record to make it accu-
31 rate or consistent with the requirements of this title.

32 9. Written notice of any expungement or amendment of any record, made
33 pursuant to the provisions of this title, shall be served upon each
34 subject of such record, other persons named in the report and the appro-
35 priate local elderly protective service. The latter, upon receipt of
36 such notice, shall take the appropriate similar action in regard to the
37 local elderly abuse register and inform, for the same purpose, any other
38 agency which received such record pursuant to this title.

39 10. Any person who willfully permits and any person who encourages the
40 release of any data and information contained in the central register to
41 persons or agencies not permitted by this title shall be guilty of a
42 class A misdemeanor.

43 § 2. The sum of six hundred thousand dollars (\$600,000), or so much
44 thereof as may be necessary, is hereby appropriated to the office of
45 children and family services out of any moneys in the state treasury in
46 the general fund to the credit of the state purposes account not other-
47 wise appropriated, for its expenses, including personal service, mainte-
48 nance and operation in carrying out the provisions of this act. Such
49 moneys shall be payable on the audit and warrant of the comptroller on
50 vouchers certified or approved by the commissioner of the office of
51 children and family services or his or her designee, in the manner
52 prescribed by law.

53 § 3. This act shall take effect on the one hundred twentieth day after
54 it shall have become a law, except that any rules and regulations neces-
55 sary for the timely implementation of this act on its effective date
56 shall be promulgated on or before such date.
