11. 12. (a) Except as required for the commissioner to issue or renew a driver's license or learner's permit that meets federal standards for identification, the commissioner, and any agent or employee of the commissioner, shall not disclose or make accessible in any manner records or information that he or she maintains, to any agency that primarily enforces immigration law or to any employee or agent of such agency, unless the commissioner is presented with a lawful court order or judicial warrant signed by a judge appointed pursuant to article III of the United States constitution. Upon receiving a request for such records or information from an agency that primarily enforces immigration law, the commissioner shall, no later than three days after such request, notify the individual about whom such information was requested, informing such individual of the request and the identity of the agency that made such request.

(b) The commissioner shall require any person or entity that receives or has access to records or information from the department to certify
to the commissioner, before such receipt or access, that such person or entity shall not (i) use such records or information for civil immigration purposes or (ii) disclose such records or information to any agency that primarily enforces immigration law or to any employee or agent of any such agency unless such disclosure is pursuant to a cooperative arrangement between city, state and federal agencies which arrangement does not enfore immigration law and which disclosure is limited to the specific records or information being sought pursuant to such arrangement. (c) For purposes of this subdivision, the term "agency that primarily enforces immigration law" shall include, but not be limited to, United States immigration and customs enforcement and United States customs and border protection, and any successor agencies having similar duties.

§ 3. Subdivision 1 of section 502 of the vehicle and traffic law, as amended by chapter 465 of the laws of 2012, the third undesignated paragraph as amended by chapter 248 of the laws of 2016, is amended to read as follows:

1. Application for license. Application for a driver's license shall be made to the commissioner. The fee prescribed by law may be submitted with such application. The applicant shall furnish such proof of identity, age, and fitness as may be required by the commissioner. With respect to a non-commercial driver's license or learner's permit which does not meet federal standards for identification, in addition to the acceptable proofs of age and identity approved by the commissioner as of January first, two thousand nineteen, acceptable proof of identity shall also include, but not be limited to, a valid, unexpired foreign passport issued by the applicant's country of citizenship (which shall also be eligible as proof of age), a valid, unexpired consular identification document issued by a consulate from the applicant's country of citizenship, or a valid foreign driver's license that includes a photo image of the applicant and which is unexpired or expired for less than twenty-four months of its date of expiration, as primary forms of such proof. Nothing contained in this subdivision shall be deemed to preclude the commissioner from approving additional proofs of identity and age. The commissioner may also provide that the application procedure shall include the taking of a photo image or images of the applicant in accordance with rules and regulations prescribed by the commissioner. In addition, the commissioner also shall require that the applicant provide his or her social security number or, in lieu thereof, with respect to an application for a non-commercial driver's license or learner's permit which does not meet federal standards for identification, an affidavit signed by such applicant that they have not been issued a social security number. The commissioner shall provide space on the application so that the applicant may register in the New York state organ and tissue donor registry under section forty-three hundred ten of the public health law with the following stated on the application in clear and conspicuous type:
"You must fill out the following section: Would you like to be added to the Donate Life Registry? Check box for 'yes' or 'skip this question'."

The commissioner of health shall not maintain records of any person who checks "skip this question". Except where the application is made in person or electronically, failure to check a box shall not impair the validity of an application, and failure to check "yes" or checking "skip this question" shall not be construed to imply a wish not to donate. In the case of an applicant under eighteen years of age, checking "yes" shall not constitute consent to make an anatomical gift or registration in the donate life registry, except as otherwise provided pursuant to the provisions of paragraph (b) of subdivision one of section forty-three hundred one of the public health law. Where an applicant has previously consented to make an anatomical gift or registered in the donate life registry, checking "skip this question" or failing to check a box shall not impair that consent or registration. In addition, an applicant for a commercial driver's license who will operate a commercial motor vehicle in interstate commerce shall certify that such applicant meets the requirements to operate a commercial motor vehicle, as set forth in public law 99-570, title XII, and title 49 of the code of federal regulations, and all regulations promulgated by the United States secretary of transportation under the hazardous materials transportation act. In addition, an applicant for a commercial driver's license shall submit a medical certificate at such intervals as required by the federal motor carrier safety improvement act of 1999 and Part 383.71(h) of title 49 of the code of federal regulations relating to medical certification and in a manner prescribed by the commissioner. For purposes of this section and sections five hundred three, five hundred ten-a, and five hundred ten-aa of this title, the terms "medical certificate" and "medical certification" shall mean a form substantially in compliance with the form set forth in Part 391.43(h) of title 49 of the code of federal regulations. Upon a determination that the holder of a commercial driver's license has made any false statement, with respect to the application for such license, the commissioner shall revoke such license.

§ 4. Paragraph (a) of subdivision 6 of section 502 of the vehicle and traffic law, as amended by section 3 of part K of chapter 59 of the laws of 2009, is amended to read as follows:

(a) A license issued pursuant to subdivision five of this section shall be valid until the expiration date contained thereon, unless such license is suspended, revoked or cancelled. Such license may be renewed by submission of an application for renewal, the fee prescribed by law, proofs of prior licensing, fitness and acceptable vision prescribed by the commissioner, the applicant's social security number or, in lieu thereof, with respect to an application for a non-commercial driver's license or learner's permit which does not meet federal standards for identification, an affidavit signed by such applicant that they have not been issued a social security number, and if required by the commissioner, a photo image of the applicant in such numbers and form as the commissioner shall prescribe. In addition, an applicant for renewal of a license containing a hazardous material endorsement shall pass an examination to retain such endorsement. The commissioner shall, with respect to the renewal of a hazardous materials endorsement, comply with the requirements imposed upon states by sections 383.141 and 1572.13 of title 49 of the code of federal regulations. A renewal of such license shall be issued by the commissioner upon approval of such application,
except that no such license shall be issued if its issuance would be
inconsistent with the provisions of section five hundred sixteen of this
title, and except that the commissioner may refuse to renew such license
if the applicant is the holder of a currently valid or renewable license
to drive issued by another state or foreign country unless the applicant
surrenders such license.
§ 5. Subdivision 7 of section 502 of the vehicle and traffic law is
REPEALED and two new subdivisions 7 and 8 are added to read as follows:
7. Selective service act. The commissioner shall provide separate
space on the application for a learner's permit, driver's license, non-
driver identification card, or renewal thereof so that any person who is
at least eighteen years of age but less than twenty-six years of age who
applies to the commissioner for such permit, license, or card or renewal
thereof may opt to register with the selective service in accordance
with 50 U.S.C. App 451 et. seq., as amended, if such person is subject
to such act, and consent to have the commissioner forward the necessary
personal information in accordance with this subdivision. Such consent
shall be separate from any other certification or signature on such
application. The commissioner shall include on the application a brief
statement about the requirement of the law, a citation of the act, and
the consequences for failing to meet the same. The commissioner shall
forward to the selective service system, in an electronic format, the
necessary personal information required for registration only of indi-
viduals who have affirmatively opted and consented, pursuant to this
subdivision, to authorize the commissioner to forward such information
to the selective service system.
8. Non-commercial drivers' licenses and learners' permits which do not
meet federal standards for identification. (a) Non-commercial drivers'
licenses and learners' permits which do not meet federal standards for
identification shall be issued in such form as the commissioner shall
determine, provided that such licenses and permits shall be visually
identical to non-commercial drivers' licenses and learners' permits
which do meet federal standards for identification except that such
licenses and permits may state "Not for Federal Purposes". Provided,
however, that the commissioner may promulgate regulations providing for
additional design or color indicators for both such non-commercial driv-
ers' licenses and learners' permits if required to comply with federal
law.
(b) Applicants for a non-commercial driver's license or learner's
permit or a renewal thereof shall not be required to prove that they are
lawfully present in the United States.
(c) Application forms for non-commercial drivers' licenses and lear-
ers' permits which do not meet federal standards for identification or
for renewal thereof shall not state (i) the documents an applicant used
to prove age or identity, or (ii) an applicant's ineligibility for a
social security number where applicable, or (iii) an applicant's citi-
zenship or immigration status.
(d) The commissioner and any agent or employee of the commissioner
shall not retain the documents or copies of documents presented by
applicants for non-commercial drivers' licenses or learners' permits
which do not meet federal standards for identification to prove age or
identity except for a limited period necessary to ensure the validity
and authenticity of such documents.
(e) (i) A non-commercial driver's license or learner's permit which
does not meet federal standards for identification shall not be used as
evidence of a person's citizenship or immigration status, and shall not
be the basis for investigating, arresting, or detaining a person. (ii)
Neither the commissioner nor any agent or employee of the commissioner
shall inquire about the citizenship or immigration status of any appli-
cant for a non-commercial driver's license or learner's permit which
does not meet federal standards for identification.
§ 6. Subdivisions 2 and 3 of section 508 of the vehicle and traffic
law, as added by chapter 780 of the laws of 1972, are amended to read as
follows:
2. Any application required to be filed under this article shall be in
a manner and on a form or forms prescribed by the commissioner. The
applicant shall furnish all information required by statute and, except
as otherwise provided in this title, such other information as the
commissioner shall deem appropriate.
3. License record. The commissioner shall keep a record of every
license issued which record shall be open to public inspection during
reasonable business hours. Provided, however, that the following infor-
mation whenever contained within the record of non-commercial drivers'
licenses and learners' permits shall not be open to public inspection:
the photo image, social security number, client identification number,
name, address, telephone number, place of birth, country of origin,
place of employment, school or educational institution attended, source
of income, status as a recipient of public benefits, the customer iden-
tification number associated with a public utilities account, medical
information or disability information of any holders of, or applicants
for, such licenses and permits, and whether such licenses or permits
meet federal standards for identification or do not meet federal stand-
ards for identification. Neither the commissioner nor his agent shall be
required to allow the inspection of an application, or to furnish a copy
thereof, or information therefrom, until a license has been issued ther-
one.
§ 7. Any system or method established by the commissioner of motor
vehicles to determine eligibility for a non-commercial driver's license
or learner's permit which does not meet federal standards for identifi-
cation shall not be structured in a manner that substantially disadvan-
tages or denies such licenses or permits to applicants who do not have
social security numbers or who use documents issued by a foreign govern-
ment to prove age or identity.
§ 8. This act shall take effect on the one hundred eightieth day after
it shall have become a law. Effective immediately, the addition, amend-
ment and/or repeal of any rule or regulation necessary for the implemen-
tation of this act on its effective date are authorized to be made and
completed on or before such date.
