STATE OF NEW YORK

3710

2019-2020 Regular Sessions

IN ASSEMBLY

January 30, 2019

Introduced by M. of A. GUNTHER -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to school grade or age requirements for certain immunizations

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Paragraph b of subdivision 2 of section 2164 of the public health law, as amended by chapter 401 of the laws of 2015, is amended to read as follows:

b. Every person in parental relation to a child in this state born on or after January first, nineteen hundred ninety-four and entering [~~sixth~~] **seventh** grade or a comparable age level special education program with an unassigned grade on or after September first, two thousand [~~seven~~] **nineteen**, shall have administered to such child a booster immunization containing diphtheria and tetanus toxoids, and an acellular pertussis vaccine, which meets the standards approved by the United States public health service for such biological products, and which is approved by the department under such conditions as may be specified by the public health council.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
