6 2. Each application for state aid shall be submitted by the board of
7 trustees of the library or library system responsible for the operation
8 of the subject building to the commissioner for his or her review and
9 approval, after having been reviewed and approved by the governing board

52 5. In approving any application the commissioner shall consider the
53 condition of existing libraries and, where appropriate, the needs of
54 isolated or economically disadvantaged communities, provided that no
55 application shall be approved for a project that is deemed by the

1 commissioner to have been completed prior to the date of the applica-

8 this paragraph is no greater than the ratio of the population served by
9 such system to the population of the state;

10 b. forty percent of the funds appropriated pursuant to this section
11 shall be made available to library systems or libraries within each
12 system by the commissioner in such manner as to insure that an equal

15 subdivision which by April first of each succeeding fiscal year, are

18 reason, shall be made available by the commissioner to other eligible
19 libraries within such system, or if no such library can use such funds
20 shall be reallocated among the other library systems and their libraries
21 in a manner that will to the extent possible provide from such reallo-
22 cated funds an equal amount to each such system.

24 necessary to carry out the purposes and provisions of this section.
