IN ASSEMBLY

January 31, 2019

Introduced by M. of A. ENGLEBRIGHT -- read once and referred to the Committee on Governmental Operations

AN ACT to amend the executive law, in relation to establishing the commission on New York state history and providing for its powers and duties

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1	Section 1. The executive law is amended by adding a new article 28 to
2	read as follows:
3	ARTICLE 28
4	COMMISSION ON NEW YORK STATE
5	HISTORY
б	Section 825. Legislative findings and declaration of purpose.
7	826. Definitions.
8	827. Commission on New York state history.
9	828. Powers and duties.
10	829. Statewide cultural asset and heritage resources manage-
11	<u>ment plan.</u>
12	830. Annual state history conference.
13	<u>830-a. State history fellowship program.</u>
14	<u>§ 825. Legislative findings and declaration of purpose. The legisla-</u>
15	ture determines that the state's historical assets are major educa-
16	tional, inspirational and economic resources that should be preserved,
17	enhanced and fully promoted as special features of attraction and impor-
18	tance to the state and its political subdivisions. The state's histor-
19	ical assets are world class destinations for visitors from around the
20	world and should be promoted as such. Having the management, interpre-
21	tation and promotion of the state's historical assets spread among
22	several agencies and departments has often been detrimental to the full
23	utilization of these assets for the people of the state. Therefore, the
24	legislature finds that establishing a commission on New York state

2	to the best ways to protect, preserve and promote the invaluable histor-
3	ical assets of the state is in the best interest of the people of the
4	state.
5	The legislature further finds that the protection, preservation and
6	promotion of our historical assets is fundamental to the education of
7	the citizenry and our concern for the quality of life of the residents
8	of the state. It is hereby declared to be the policy of the state to
9	conserve, improve, beneficially use and protect its historical assets in
10	order to enhance the education, health, safety and welfare of the people
11	of the state, and their overall economic and social well-being. It shall
12	further be the policy of the state to improve and coordinate the histor-
13	ical asset plans, functions, powers and programs of the state, in coop-
14	eration with the federal government, regions, local governments, other
15	public and private organizations, and the concerned individual, and to
16	help develop and manage the historical assets to the end that the state
17	may fulfill its responsibility as trustee of our cultural and heritage
18	resources for the present and future generations. Furthermore, it shall
19	be the policy of the state to foster, promote, create and maintain
20	conditions under which man and nature can thrive in harmony with each
21	other, and achieve social, economic and technological progress for pres-
22	ent and future generations by:

27	unnecessary degradation, or other undesirable or unintended conse-
28	quences;
29	c. promoting patterns of development and technology which minimize
30	adverse impact on our cultural and heritage resources; and
31	d. preserving the unique qualities of special resources such as state
32	historic sites, state designated heritage areas, sites on the national
33	register of historic places, paintings, sculptures and other artistic
34	creations, museums, gardens and performing arts venues, providing that
35	care is taken for cultural and heritage resources that are shared with
36	the other states of the United States and with Canada in the manner of a
37	good neighbor.
38	e. promoting the maintenance and growth of historic assets as special
