AN ACT to amend the executive law, in relation to creating a database of technical and financial assistance programs

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The executive law is amended by adding a new section 209-u to read as follows:

§ 209-u. Database of technical and financial assistance. 1. The office shall create and maintain a registry of state, federal, private and non-profit technical and financial programs available to the political subdivisions of the state.

2. The office shall maintain the format and content of such registry on a computerized database which shall be updated at least monthly and shall provide a method for which registry information may be delivered to the office electronically. The office shall provide public access to such computerized database in a manner that allows individuals to search the registry by name, date or type of assistance.

3. The programs listed shall be divided into financial and technical assistance and further divided into programs available to rural areas, those available to urban areas and those of general application.

4. Each program listed shall contain identifying information including a program description, the type of assistance offered, instructions for application to such program, the deadline for such application, the name, address and phone number of a contact person at such state or federal agency or private foundation, and in the case of financial assistance the amount of such assistance available and the source of funds.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD07133-01-9

5. The database created by this section shall also maintain a directory of state and federal agencies, as well as the name, address and phone number of a contact person at such agency.

6. The database created by this section shall also maintain census data from the most recent United States census.

7. The chief information officer shall adopt rules and regulations to implement this section.

8. The database created by this section shall be publicly accessible within one year after this section shall have become a law.

§ 2. This act shall take effect immediately.
