13 objections to any such document shall do so in accordance with the
14 provisions of this subdivision. All such specifications shall substan-

16 (i) for specifications relating to any petition, the volume number,
17 page number, and line number of any signature objected to on any peti-

25 objections, provided that a sheet explaining the meaning of any such
26 symbols and/or abbreviations is attached to the specifications.

33 named as the committee to receive notices. In the case of a petition
34 containing candidates for party positions, service of the specifications
35 shall be made on either the named candidates or the first person named
36 on the petition's committee to fill vacancies. Service shall be made on
37 or before the date of filing of any specifications with the officer or
38 board. Proof of service shall accompany the specifications or be
39 received by the end of two business days following the filing of the
40 specifications, whichever is later.

41 4. (a) Such officer or board shall give notice by overnight mail to
42 the objector and the candidate named in such petition or certificate of

45 the specifications, and shall make a determination as to the sufficiency
46 of such petition or certificate and shall provide the objector and
47 candidate or their agent or agents an opportunity to be heard as to the
48 validity of each specific objection. Copies of the board's research of

52 candidate or their agent or agents an opportunity to be present when the
53 determination as to validity is made.

54 (b) For objections and specifications made to ballot access documents
55 filed with the state board of elections, the provisions of paragraph (a)
56 of this subdivision shall apply. However, the opportunity to be heard as

7 petition or certificate, and, if the determination is made upon speci-
8 fied objections, the objector shall be notified; provided that any such
9 candidate or objector may designate an attorney or agent to receive any
10 such notice and/or determination on his or her behalf. Any such desig-
11 nation shall be in writing and include the name, address, email and
12 telephone number of any such attorney or agent, and any such attorney
13 and/or agent shall be eligible to represent any such candidate or objec-
14 tor in any proceeding relating to the specifications.

15 6. Nothing in this section shall be construed to require an objection
16 or hearing if the board of elections by majority vote determines that a
17 filing does not meet the criteria of subdivision one of this section to
18 be presumptively valid.

19 § 2. This act shall take effect on the ninetieth day after it shall
20 have become a law. Effective immediately, the addition, amendment
21 and/or repeal of any rules or regulations necessary for the implementa-
22 tion of this act on its effective date are authorized to be made on or
23 before such date.
