2019-2020 Regular Sessions

IN ASSEMBLY

February 5, 2019

Introduced by M. of A. STEC, FINCH -- read once and referred to the Committee on Environmental Conservation

AN ACT to amend the executive law and the environmental conservation law, in relation to development of a permit system to provide disabled veterans access to certain restricted bodies of water through the use of float planes

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1	Section 1. Subdivision 3 of section 816 of the executive law is renum-
2	bered subdivision 4 and a new subdivision 3 is added to read to follows:
3	3. The master plan and the individual management plans shall be
4	reviewed periodically and shall be amended from time to time pursuant to
5	section 15-0506 of the environmental conservation law, and when so
6	amended shall as amended henceforth guide the management of state lands
7	in the Adirondack park. Amendments to the master plan shall be prepared
8	by the agency, in consultation with the department of environmental
9	conservation, and submitted after public hearing to the governor for
10	approval.
11	§ 2. The environmental conservation law is amended by adding a new
12	section 15-0506 to read as follows:
13	§ 15-0506. Permits for float plane access to bodies of water in the
14	Adirondack park.
15	1. For the purposes of this section the following definitions shall
16	apply:
17	a. "Float plane" shall mean an airplane equipped with floats for land-
18	<u>ing on or taking off from a body of water.</u>
19	b. "Area" means a water body under the jurisdiction of the department
20	which pursuant to section eight hundred sixteen of the executive law
21	<u>prohibits float plane access.</u>
22	c. "Certification/Certified" means a signed statement by a licensed
23	physician on a form provided by the department, certifying that a person

1	has one or more impairments, disabilities or conditions as defined in
2	paragraph f of this subdivision which document the need for the person
3	to use a motor vehicle, and the nature, degree and term of the disabili-
4	ty. The certification shall specify the length of time during which such
5	certification is effective. All certifications must be dated within one
б	<u>year prior to the date of application.</u>
7	d. "Companion" means a person who may accompany the qualified person
8	with a disability as necessary to attend to his or her needs.
9	e. "Permit" means a nontransferable temporary revocable permit as
10	authorized by this section to allow the use of state lands under the
11	jurisdiction of the department.
12	f. "Qualified veteran" means a veteran as defined in this section with
13	<u>a disability who:</u>
14	(i) cannot walk two hundred feet without stopping to rest; or
15	(ii) cannot walk without the use of, or assistance from, a brace,
16	cane, crutch, another person, prosthetic device, wheelchair, or other
17	assistive device; or
18	(iii) is restricted by lung disease to such an extent that the
19	person's forced (respiratory) expiratory volume for one second, when
20	measured by spirometry, is less than one liter, or the arterial oxygen
21	<u>tension is less than sixty mm/Hg on room air at rest; or</u>
22	<u>(iv) uses portable oxygen; or</u>
23	(v) has a cardiac condition to the extent that the person's functional
24	limitations are classified in severity as class III or class IV, accord-
25	ing to standards set by the American Heart Association; or
26	(vi) is severely limited in their ability to walk due to an arthritic,
27	neurological, or orthopedic condition.
28	g. "Regional land manager" means the individual charged with the
29	administrative responsibility for the department lands on which a quali-
30	fied person with a disability desires access.
31	h. "Veteran" means a person (A) who served in the active military,
32	naval, or air service during a period of war, or who was a recipient of
33	the armed forces expeditionary medal, navy expeditionary medal, marine
34 25	corps expeditionary medal, or global war on terrorism expeditionary
35	medal, and who was discharged or released therefrom under honorable
36	conditions, (B) who was employed by the War Shipping Administration or Office of Defense Transportation or their agents as a merchant seaman

therefrom under honorable conditions, or (D) who served as a United 1 States civilian Flight Crew and Aviation Ground Support Employee of Pan 2 3 American World Airways or one of its subsidiaries or its affiliates and 4 served overseas as a result of Pan American's contract with Air Trans-5 port Command or Naval Air Transport Service during the period of armed б conflict, December fourteenth, nineteen hundred forty-one through August fourteenth, nineteen hundred forty-five, and who was discharged or 7 8 released therefrom under honorable conditions. 9 2. The department shall provide a qualified veteran access by a float 10 plane to appropriate lands under its jurisdiction consistent with 11 section one of article fourteen of the state constitution. The department shall determine annually on or before January first a minimum five 12 13 bodies of water under the jurisdiction of the department which prohibit 14 float plane access pursuant to the master plan developed in accordance with section eight hundred sixteen of the executive law, that shall 15 16 become accessible for qualified disabled veterans pursuant to a permit 17 issued under the provisions of this section. The department, in determining which bodies of water to allow for float plane access under this 18 19 section, shall ensure that such access will not adversely impact the 20 environment in the following manner; 21 a. the natural resources of the area ability to sustain use by float 22 <u>plane;</u> b. the compatibility with other public use of the area; 23 c. the safety of the operation of a float plane and the ability to 24 25 prevent dangerous conditions; 26 d. a demonstration that significant ecological areas including but not 27 limited to the following: exceptional forest or plant communities, shorelines, unique areas, wetlands, habitats for rare or threatened 28 29 species, and biological diversity areas possessing unique, exemplary or 30 significant natural community requiring special protection, will not be 31 adversely affected by the operation of a float plane consistent with the 32 provisions of this section. 33 3. A qualified disabled veteran may obtain a permit for the use of a 34 float plane on designated bodies of water pursuant to this subdivision. 35 Such permit will authorize travel by a float plane to areas designated in accordance with subdivision two of this section. 36 a. The applicant must present certification of his/her qualifying 37 38 disability upon application, unless the person has an obvious, visually identifiable permanent qualifying disability, or the applicant presents 39 40 a non-ambulatory hunter permit. b. The applicant must submit a completed application to any regional 41 42 office of the department in which a designated body of water is located. 43 c. The permit shall specify the authorization for up to three compan-44 ions to accompany the qualified person with a disability, if he or she 45 chooses to be so accompanied. The permit shall specify that access is 46 limited to designated and specifically identified water bodies within 47 the Adirondack park. d. The application package shall be processed in the region as a 48 49 routine permit, with a ten workday maximum processing time. e. The permit may be issued for any time period, not to exceed one 50 51 year from date of issue, except that a permit may be issued for a period of five years to a qualified veteran with a disability either certified 52 53 or visually obvious as permanent. 54 f. The permit may be renewed without recertifying the disability, provided that the request for renewal is within the term of the disabil-55

56 ity as described in the original certification.

A. 4663

1	g. The department will assure that renewal applications are sent to
2	permittees, other than those with a permanent disability. The reminder
3	notice will include a questionnaire to survey the efficiency of this
4	permit system. Questionnaires will also be sent routinely to those
5	persons with a five-year permit.
6	4. a. The department shall deny the application for a permit if the
7	applicant does not meet the qualifying requirements. The applicant may
8	reapply at any time, once the conditions for receiving the permit are
9	met.
10	b. The applicant may appeal the denial of a permit to the regional
11	supervisor of natural resources for the region in which the permit was
12	issued within thirty workdays of the date of notification of denial. If
13	requested by the applicant, the regional supervisor of natural resources
14^{-1}	will schedule a meeting between the applicant and the regional land
15	manager. The regional supervisor of natural resources shall render a
16	decision within ten workdays of receipt of the applicant's appeal or
17	from the date of the meeting. The applicant may appeal the decision of
18	the regional supervisor of natural resources to the regional director
19	within thirty workdays of the second denial. The regional director will
20	issue a final decision within fifteen workdays of receipt of the appeal.
21	5. a. A permit may be suspended or revoked at any time during the
22	duration of the permit if the conditions of the permit are not met, the
23	permittee and/or a companion is in violation of any provisions of this
24	section or of any rule or regulation promulgated by the department or
25	the Adirondack park agency or any other relevant state or federal laws.
26	For minor violations, the regional land manager will follow the proce-
27	dures for the suspension of a permit, as described in this section.
	However, for major violations, the regional land manager may revoke the
