AN ACT in relation to permitting Essex county to enter into a municipal cooperative agreement for emergency medical services and general ambulance services

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Essex county may enter into a municipal cooperative agree-
2 ment, subject to the provisions of article 5-G of the general municipal
3 law, with any municipal corporation, fire district, fire protection
4 district, or ambulance district within the county, in order to finance
5 and provide an emergency medical service, a general ambulance service or
6 a combination of such services, as a joint service, pursuant to section
7 122-b of the general municipal law, and subject to the restrictions of
8 subdivision 4 of section 209-b of the general municipal law. Pursuant to
9 the municipal cooperative agreement and in the manner provided in
10 section 122-b of the general municipal law, Essex county may contract
11 with one or more individuals, associations, or other organizations to
12 implement the municipal cooperative agreement authorized by this act.
13 The expenses of providing such joint service shall be assessed, levied
14 and collected from all lots and parcels of land within the county which
15 receive such joint service provided, however, that such charges shall
16 not be assessed on any lot or parcel that receives emergency medical
17 service, general ambulance service or a combination of such services
18 from a municipal corporation, fire district, fire protection district or
19 ambulance district that is not a party to the municipal cooperative
20 agreement. Nothing herein shall be construed as mandating the partic-
21 ipation of any existing municipal corporation, fire district, fire
22 protection district or ambulance district which currently provides such
23 services.
24 § 2. This act shall take effect immediately.
