AN ACT directing the New York state comptroller, in coordination with the departments of economic development and taxation and finance to conduct an audit of all state economic development programs

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The legislature finds that the state 2 and local governments of New York play an important role in facilitating 3 economic development, reducing regulations and the creation of jobs. State funding for economic development should be transparent, stream-4 5 lined, and encourage job creation in all regions of the state. Empire б state development manages statewide economic development programs 7 through several subsidiaries, each with its own board and staff. In addition, there are approximately twenty state agencies performing 8 economic development functions. At the local level, there are one 9 10 hundred fourteen industrial development agencies, over five hundred 11 local development corporations, eighty-two empire zone boards, one 12 hundred fourteen business improvement districts, forty-nine urban 13 renewal and community development agencies, and ten regional economic 14 development councils, all engaging in economic development activity. Most of the state's economic development programs, especially those 15

16 providing direct financial assistance, are operated by the department of 17 economic development and the empire state development corporation. The 18 majority of this business support is in the form of grants and loans to 19 businesses and to local units of government to fund economic development 20 activities. This legislation is intended to improve these important 21 tools for economic development by streamlining applications and report-

ing, strengthening accountability mechanisms, and encouraging quality 1 2 job creation for all New Yorkers. § 2. The New York state comptroller in coordination with the commis-3 sioners of the departments of economic development and taxation and 4 5 finance shall conduct an audit of all state economic development б programs. Such audit shall include but not be limited to: 7 (a) identifying all programs by type and funding source; 8 (b) identifying the types of businesses that have received financial 9 assistance; 10 (c) reviewing information available on job creation or other data on 11 economic expansion; (d) analyzing the geographic distribution of financial assistance 12 13 throughout the state; 14 (e) reviewing a sample of loans and grants to determine if statutory 15 requirements for the programs were followed; and 16 (f) reviewing information available on economic development programs 17 in other states. The New York state comptroller in coordination with the commissioners 18 of the departments of economic development and taxation and finance 19 20 shall develop all necessary rules and regulations to conduct an audit of 21 New York state economic development programs as outlined in this section. Following the review and audit of such economic development 22 programs the agencies shall recommend all necessary changes to make such 23 economic development programs more transparent, streamlined, and ensure 24 25 that such programs are meeting the goals of the laws that established 26 them and providing for a return on investment to the state. The results 27 of this audit must be made available for public review online by Janu-28 ary 1, 2020. § 3. After the conclusion of the audit, the commissioner of the 29 30 department of economic development in consultation with the commissioner 31 of taxation and finance shall study the feasibility of reducing the 32 number of economic development programs currently offered by the state 33 and its subsidiaries and replacing these programs with one centralized 34 competitive program. A report of the study, outlining the impact of each 35 of the above steps, shall be filed with the governor, the temporary president of the senate, the minority leader of the senate, the speaker 36 of the assembly and the minority leader of the assembly on or before 37 December 31, 2020. 38 39 § 4. This act shall take effect immediately.
