Provided, further, that nothing in this paragraph shall prevent each track from entering into an agreement, not to exceed five years, with the organization authorized to represent its horsemen to increase or decrease the portion of its vendor fee dedicated to enhancing purses at such track during the years of participation by such track, or to race fewer dates than required herein.

§ 5. Section 1612 of the tax law is amended by adding a new subdivision i to read as follows:

Notwithstanding the provisions of articles five and five-a of this chapter, said corporation shall be deemed to be a harness racing corporation with respect to pari-mutuel wagering conducted at said track pursuant to this chapter, except that net revenues derived from such pari-mutuel wagering shall be distributed among the counties that participate in such corporation on the basis of population, as defined as the total population in each participating county shown by the latest preceding decennial federal census of the calendar year in which such distribution is to be made.

§ 7. The opening paragraph of subdivision 1 of section 527 of the racing, pari-mutuel wagering and breeding law, as amended by section 4 of part BB of chapter 60 of the laws of 2016, is amended to read as follows:

The disposition of the retained commission from pools resulting from regular, multiple or exotic bets, as the case may be, whether placed on races run within a region or outside a region, conducted by racing corporations, harness racing associations or corporations, quarter horse racing associations or corporations or races run outside the state shall be governed by the tables in paragraphs a and b of this subdivision. The rate denominated "state tax" shall represent the rate of a reasonable tax imposed upon the retained commission for the privilege of conducting off-track pari-mutuel betting, which tax is hereby levied and shall be payable in the manner set forth in this section. Each off-track betting corporation shall pay to the gaming commission as a regulatory fee, which fee is hereby levied, six-tenths of one percent of the total daily pools of such corporation. Each corporation shall also pay twenty percent of the breaks derived from bets on harness races and fifty percent of the breaks derived from bets on all other races to the agriculture and New York State horse breeding and development fund and to the thoroughbred breeding and development fund, the total of such payments to be apportioned fifty percent to each such fund. For the purposes of this section, the New York city, Suffolk, Nassau, and the Catskill regions shall constitute a single region and any thoroughbred track located within the Capital District region shall be deemed to be within such single region. A "regional meeting" shall refer to either harness or thoroughbred meetings, or both, except that a franchised corporation shall not be a regional track for the purpose of receiving distributions from bets on thoroughbred races conducted by a thoroughbred track in the Catskill region conducting a mixed meeting. With the exception of a harness racing association or corporation first licensed to conduct pari-mutuel wagering at a track located in Tioga ~~or~~, Saratoga or Sullivan county after January first, two thousand five, racing corporations first licensed to conduct pari-mutuel racing after January first, nineteen hundred eighty-six or a harness racing association or corporation first licensed to conduct pari-mutuel wagering at a track located in Genesee County after January first, two thousand five, and quarter horse tracks shall not be "regional tracks"; if there is more than one harness track within a region, such tracks shall evenly divide payments made pursuant to the tables in paragraphs a and b of this subdivision when neither track is running. In the event a track elects to reduce its retained percentage from any or all of its pari-mutuel pools, the payments to the track holding the race and the regional track required by paragraphs a and b of this subdivision shall be reduced in

1 proportion to such reduction. Nothing in this section shall be construed
2 to authorize the conduct of off-track betting contrary to the provisions
3 of section five hundred twenty-three of this article.
4 § 8. This act shall take effect on the thirtieth day after it shall
5 have become a law.
