- § 390-d. Posting of warning signs by retailers tracking customers through cell phones or other electronic devices. 1. Any retailer that tracks a customer by use of the customer's cell phone or any other elec-6 tronic device while the customer is in their establishment shall conspicuously post a warning sign at each entrance indicating that such retailer performs such tracking. Such warning sign shall also provide information for customers who wish to opt out of the tracking.
- 2. Any retailer that violates this section shall be subject to a civil 11 penalty of not more than one hundred dollars for the first violation, 12 not more than two hundred fifty dollars for the second violation, and not more than five hundred dollars for each violation thereafter. The 13 provisions of subdivision one of this section may be enforced concurrently by the director of a municipal consumer affairs office, or by the 16 town attorney, city corporation counsel, or other lawful designee of a municipality or local government, and all moneys collected thereunder 18 shall be retained by such municipality or local government.
- 3. For purposes of this section "tracking" includes, but is not limit-19 20 ed to, situations where retailers track a person's movement throughout 21 the establishment for purposes of storing or selling such information
