11 liability company or corporation shall describe its services in any
12 manner under the title "reflexology" unless such services are performed
13 by a person licensed or authorized pursuant to this article.

14 § 7853. Reflexology seat on the state board for massage therapy. 1.
15 The state board for massage therapy shall establish a seat on such board

24 ology appointed by the board of regents, shall advise, assist and make
25 recommendations regarding the promulgation of such rules and regulations
26 as deemed necessary and appropriate to effectuate the provisions of this
27 article; provided, however, that the advisory committee shall be
28 dissolved one hundred eighty days after the effective date of this
29 section.

50 § 7855. Exempt persons. Nothing contained in this article shall be
51 construed to prohibit:

3. The practice of reflexology by any person enrolled in the program of a school or institute of reflexology registered by the department or enrolled in a program which satisfies the requirements of section seventy-eight hundred fifty-four of this article, provided that such person is under the on-site supervision of a person licensed to practice reflexology or authorized to practice reflexology pursuant to subdivision one of this section.

§ 7856. Limited permits. 1. The department may issue a limited permit to practice reflexology as a licensed reflexologist to a person who has not previously held such a permit and who fulfills all requirements except the examination for a license, provided however that a permit shall not be issued to a person who has failed the state licensing examination.

2. The department shall limit the number of times a person may take the examination in a given year.

Such individual shall have eighteen months from the effective date of this section to apply to the department for examination and/or a license to practice reflexology and may practice in the interim.

2. For a limited time period of three years from the effective date of this section the department may certify an applicant as a reflexologist without examination if the applicant:

2 law. Effective immediately, the addition, amendment and/or repeal of any
3 rule or regulation necessary for the implementation of this act on its
4 effective date are authorized to be made and completed on or before such
5 effective date.
