2 and traffic law, as amended by section 25 of part G of chapter 59 of the  
3 laws of 2009, is amended to read as follows:

4 G. Schedule for historical motor vehicles and trailers. For each  
5 motor vehicle or trailer which is owned and operated as an exhibition

7 ities, exhibit, tours, parades, occasional transportation and similar  
8 uses, but not used for general daily transportation, an annual fee of  
9 twenty-eight dollars and seventy-five cents. For purposes of this para-  
10 graph, a historical motor vehicle or trailer shall mean any vehicle or

12 calendar year, and any other model, year and type vehicle or trailer  
13 which has unique characteristics and which is determined by the commis-  
14 sioner to be of historical, classic or exhibition value. Registration

17 Except that, with the approval of the commissioner, an owner of any such

20 manufactured, if the registration plate is legible, durable, and serv-  
21 iceable, of this state, and accurate in color, as determined by the  
22 department. Nothing in this paragraph shall be construed to prohibit the  
23 use of previously issued registration plates that have been restored,  
24 without deviation from their original alphanumeric or pictorial content,  
25 to such condition as otherwise satisfies all applicable requirements.

1 Such plates shall be used only for the operation of the motor vehicle or  
2 trailer listed on the registration application and on other motor vehi-  
3 cles which would qualify for registration under this schedule owned by  
4 persons other than the registrant for the purpose of test driving by the  
5 registrant or his or her agent in anticipation of possible purchase. No  
6 such registration will be issued unless evidence of financial security,  
7 in a form prescribed by the commissioner, is submitted which provides  
8 coverage for the motor vehicle listed on the registration application  
9 and for non-owned motor vehicles being operated with such plates.  
10 Notwithstanding any inconsistent provisions of subdivision eight of this  
11 section, the owner of a historical motor vehicle may obtain distinctive  
12 registration plates under the provisions of this subdivision for a  
13 historical trailer which shall be used to transport such historical  
14 motor vehicle. The fees and other requirements set forth in subdivision  
15 eight of this section with respect to the registration of trailers shall  
16 continue to apply.
