(iv) an enterprise authorized to do business in this state and independently owned and operated.

(g) "Women-owned business enterprise" shall mean such term as defined in subdivision fifteen of section three hundred ten of the executive law.

2. As part of its implementation of the New York sun solar electric incentive program, the authority shall promulgate and implement rules and regulations which provide enhanced benefits and incentives to the customers of certified installers that are qualified contractors. Such enhanced incentives shall apply to not more than sixty installations during a calendar year by any individual qualified contractor. Furthermore, no qualified contractor shall receive compensation or reimbursement, in any form, for the performance of any project, for which enhanced benefits are provided pursuant to this section, from any person or entity that is not a qualified contractor. Such rules and regulations shall apply statewide including to the Public Service Enterprise Group - Long Island in its service area.

3. The authority shall establish and provide for an additional sixty cents per nameplate rated watt to customers of certified installers that are qualified contractors.

4. The authority and the Public Service Enterprise Group - Long Island shall, in all written and electronic media controlled thereby, provide and publish, unique identifiers of certified installers that are qualified contractors.

5. The authority and the Public Service Enterprise Group - Long Island shall provide qualified contractors with notice of the availability of sun solar electric and public works projects.

6. Neither the authority nor the Public Service Enterprise Group - Long Island shall impose any additional limitations and restrictions upon the implementation of the provisions of this section, other than those specifically stated in this section.

7. The enhanced benefits established by this section shall be provided in addition to and shall not be substituted for any other benefits granted pursuant to the New York sun solar electric incentive program.

8. The authority shall maintain and implement the regulations promulgated pursuant to this section for a period of not less than five years, and may extend the implementation thereof for such additional periods as it shall deem proper.

9. The authority shall implement the provisions of this section from moneys otherwise appropriated for the purpose of the New York sun solar electric incentive program, and no additional funds shall be appropriated for the purposes of this section.

§ 2. The public service law is amended by adding a new section 73 to read as follows:

§ 73. New York sun solar electric incentive program; qualified contractors. Notwithstanding any provision of law to the contrary, including title one-A of article five of the public authorities law, the Public Service Enterprise Group - Long Island, in its implementation of the New York sun solar electric incentive program, shall comply with the provisions of section eighteen hundred fifty-four-e of the public authorities law.

§ 3. This act shall take effect immediately.
