AN ACT to amend the general business law and the tax law, in relation to warranties for vessels

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The article heading of article 11-A of the general business law, as added by chapter 900 of the laws of 1956, is amended to read as follows:

MOTOR VEHICLE AND VESSEL MANUFACTURERS AND SELLERS

§ 2. The general business law is amended by adding two new sections 198-d and 198-e to read as follows:

§ 198-d. Vessel warranties. (a) As used in this section:

(1) "Consumer" means the purchaser, lessee or transferee, other than for purposes of resale, of a vessel which is used primarily for personal, family or household purposes and any other person entitled by the terms of the manufacturer's warranty to enforce the obligations of such warranty.

(2) "Vessel" means a new vessel, propelled by power other than muscular power, which is sold in this state to transport persons or property, and includes a vessel used as a demonstrator or leased vessel if a manufacturer's warranty was issued as a condition of sale, or the lessee is responsible for repairs. The term "vessel" includes the engine which powers the vessel. The term "vessel" also includes personal watercraft and specialty prop-craft as defined in the navigation law.

(3) "Manufacturer's express warranty" or "warranty" means the written warranty, so labeled, of the manufacturer of a vessel, including any terms or conditions precedent to the enforcement of obligations under that warranty.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD09872-01-9

(4) "Hours of use deduction formula" means the hours of use amount which is in excess of fifty hours times the purchase price or the lease price, if applicable, of the vessel divided by five hundred hours.

(5) "Lessee" means any consumer who leases a vessel pursuant to a written lease agreement which provides that the lessee is responsible for repairs to such vessel.

(6) "Lease price" means the aggregate of:

(i) the lessor's actual purchase cost;

(ii) the freight cost, if applicable;

(iii) the cost for accessories, if applicable;

(iv) any fee paid to another to obtain the lease; and

(v) an amount equal to five percent of the lessor's actual purchase cost as prescribed in subparagraph (i) of this paragraph.

(7) "Service fees" means the portion of a lease payment attributable to:

(i) an amount for earned interest calculated on the rental payments previously paid to the lessor for the leased vessel at an annual rate equal to two points above the prime rate in effect on the date of the execution of the lease; and

(ii) any insurance or other costs expended by the lessor for the benefit of the lessee.

(8) "Capitalized cost" means the aggregate deposit and rental payments previously paid to the lessor for the leased vessel less service fees.

(b) (1) If a vessel which is sold in this state does not conform to all express warranties during the first seventy-five hours of operation or during the period of two years following the date of original delivery of the vessel to such consumer, whichever is the earlier date, the consumer shall during such period report the nonconformity, defect or condition to the manufacturer, its agent or its authorized dealer. If the notification is received by the manufacturer's agent or authorized dealer, the agent or dealer shall within seven days forward written notice thereof to the manufacturer by certified mail, return receipt requested, and shall include in such notice a statement indicating whether or not such repairs have been undertaken. The manufacturer, its agent or its authorized dealer shall correct such nonconformity, defect or condition at no charge to the consumer, notwithstanding the fact that such repairs are made after the expiration of such period of operation or such two year period.

(2) If a manufacturer's agent or authorized dealer refuses to undertake repairs within seven days of receipt of the notice by a consumer of a nonconformity, defect or condition pursuant to paragraph one of this subdivision, the consumer may immediately forward written notice of such refusal to the manufacturer by certified mail, return receipt requested. The manufacturer or its authorized agent shall have twenty days from receipt of such notice of refusal to commence such repairs. If within such twenty day period, the manufacturer or its authorized agent fails to commence such repairs, the manufacturer, at the option of the consumer, shall replace the vessel with a comparable vessel or accept return of the vessel from the consumer and refund to the consumer the full purchase price or, if applicable, the lease price and any trade-in allowance plus fees and charges. Such fees and charges shall include but not be limited to all license fees, registration fees and any similar governmental charges, less an allowance for the consumer's use of the vessel in excess of the first fifty hours of operation pursuant to the hours of use deduction formula and a reasonable allowance for any damage not attributable to normal wear or improvements.

1 (c) (1) If, within the period specified in subdivision (b) of this  
2 section, the manufacturer or its agents or authorized dealers are unable  
3 to repair or correct any defect or condition which substantially impairs  
4 the value of the vessel to the consumer after a reasonable number of  
5 attempts, the manufacturer, at the option of the consumer, shall replace  
6 the vessel with a comparable vessel or accept return of the vessel from  
7 the consumer and refund to the consumer the full purchase price or, if  
8 applicable, the lease price and any trade-in allowance plus fees and  
9 charges. Any return of a vessel may, at the option of the consumer, be  
10 made to the dealer or other authorized agent of the manufacturer who  
11 sold such vessel to the consumer or to the dealer or other authorized  
12 agent who attempted to repair or correct the defect or condition which  
13 necessitated the return and shall not be subject to any further shipping  
14 charges. Such fees and charges shall include but not be limited to all  
15 license fees, registration fees and any similar governmental charges,  
16 less an allowance for the consumer's use of the vessel in excess of the  
17 first fifty hours of operation pursuant to the hours of use deduction  
18 formula and a reasonable allowance for any damage not attributable to  
19 normal wear or improvements.

20 (2) A manufacturer which accepts return of the vessel because the  
21 vessel does not conform to its warranty shall notify the commissioner of  
22 motor vehicles that the vessel was returned to the manufacturer for  
23 nonconformity to its warranty and shall disclose, in accordance with the  
24 provisions of section one hundred ninety-eight-e of this article, prior  
25 to resale either at wholesale or retail that it was previously returned  
26 to the manufacturer for nonconformity to its warranty. Refunds shall be  
27 made to the consumer and lienholder, if any, as their interests may  
28 appear on the records of ownership kept by the department of motor vehi-  
29 cles. Refunds shall be accompanied by the proper application for credit  
30 or refund of state and local sales taxes as published by the department  
31 of taxation and finance and by a notice that the sales tax paid on the  
32 purchase price, lease price or portion thereof being refunded is refund-  
33 able by the commissioner of taxation and finance in accordance with the  
34 provisions of subdivision (f) of section eleven hundred thirty-nine of  
35 the tax law. If applicable, refunds shall be made to the lessor and  
36 lessee as their interests may appear on the records of ownership kept by  
37 the department of motor vehicles, as follows: the lessee shall receive  
38 the capitalized cost and the lessor shall receive the lease price less  
39 the aggregate deposit and rental payments previously paid to the lessor  
40 for the leased vessel. The terms of the lease shall be deemed terminated  
41 contemporaneously with the date of the arbitrator's decision and award  
42 and no penalty for early termination shall be assessed as a result ther-  
43 eof. Refunds shall be accompanied by the proper application form for  
44 credit or refund of state and local sales tax as published by the  
45 department of taxation and finance and a notice that the sales tax paid  
46 on the lease price or portion thereof being refunded is refundable by  
47 the commissioner of taxation and finance in accordance with the  
48 provisions of subdivision (f) of section eleven hundred thirty-nine of  
49 the tax law.

50 (3) It shall be an affirmative defense to any claim under this section  
51 that:

52 (i) the nonconformity, defect or condition does not substantially  
53 impair such value; or

54 (ii) the nonconformity, defect or condition is the result of abuse,  
55 neglect or unauthorized modifications or alterations of the vessel.

1 (d) It shall be presumed that a reasonable number of attempts have  
2 been undertaken to conform a vessel to the applicable express warran-  
3 ties, if:

4 (1) the same nonconformity, defect or condition has been subject to  
5 repair four or more times by the manufacturer or its agents or author-  
6 ized dealers within the first seventy-five hours of operation or during  
7 the period of two years following the date of original delivery of the  
8 vessel to a consumer, whichever is the earlier date, but such noncon-  
9 formity, defect or condition continues to exist; or

10 (2) the vessel is out of service by reason of repair of one or more  
11 nonconformities, defects or conditions for a cumulative total of thirty  
12 or more calendar days during either period, whichever is the earlier  
13 date.

14 (e) The term of an express warranty, the two year warranty period and  
15 the thirty day out of service period shall be extended by any time  
16 during which repair services are not available to the consumer because  
17 of a war, invasion, strike, fire, flood or other natural disaster.

18 (f) Nothing in this section shall in any way limit the rights or reme-  
19 diies which are otherwise available to a consumer under any other law.

20 (g) If a manufacturer has established an informal dispute settlement  
21 mechanism, such mechanism shall comply in all respects with the  
22 provisions of this section and the provisions of subdivision (c) of this  
23 section concerning refunds or replacement shall not apply to any consum-  
24 er who has not first resorted to such mechanism. In the event that an  
25 arbitrator in such an informal dispute mechanism awards a refund or  
26 replacement vessel, he or she shall not reduce the award to an amount  
27 less than the full purchase price or the lease price, if applicable, or  
28 a vessel of equal value, plus all fees and charges except to the extent  
29 such reductions are specifically permitted under subdivision (c) of this  
30 section.

31 (h) A manufacturer shall have up to thirty days from the date the  
32 consumer notifies the manufacturer of his or her acceptance of the  
33 arbitrator's decision to comply with the terms of that decision. Fail-  
34 ure to comply with the thirty day limitation shall also entitle the  
35 consumer to recover a fee of twenty-five dollars for each business day  
36 of noncompliance up to five hundred dollars. Provided, however, that  
37 nothing contained in this subdivision shall impose any liability on a  
38 manufacturer where a delay beyond the thirty day period is attributable  
39 to a consumer who has requested a replacement vessel built to order or  
40 with options that are not comparable to the vessel being replaced or  
41 otherwise made compliance impossible within said period. In no event  
42 shall a consumer who has resorted to an informal dispute settlement  
43 mechanism be precluded from seeking the rights or remedies available by  
44 law.

45 (i) Any agreement entered into by a consumer for the purchase of a new  
46 vessel which waives, limits or disclaims the rights set forth in this  
47 section shall be void as contrary to public policy. Such rights shall  
48 inure to a subsequent transferee of such vessel.

49 Any provision of any agreement entered into by a consumer for the  
50 purchase of a vessel which includes as an additional cost for such  
51 vessel an expense identified as being for the purpose of affording such  
52 consumer his or her rights under this section, shall be void as contrary  
53 to public policy.

54 (j) Any action brought pursuant to this section shall be commenced  
55 within four years of the date of original delivery of the vessel to the  
56 consumer.

1     (k) Each consumer shall have the option of submitting any dispute  
2     arising under this section upon the payment of a prescribed filing fee  
3     to an alternate arbitration mechanism established pursuant to regu-  
4     lations promulgated pursuant to this section by the attorney general.  
5     Upon application of the consumer and payment of the filing fee, all  
6     manufacturers shall submit to such alternate arbitration.

7     Such alternate arbitration shall be conducted by a professional arbi-  
8     trator or arbitration firm appointed by and under regulations estab-  
9     lished by the attorney general. Such mechanism shall insure the personal  
10    objectivity of its arbitrators and the right of each party to present  
11    its case, to be in attendance during any presentation made by the other  
12    party and to rebut or refute such presentation. In all other respects,  
13    such alternate arbitration mechanism shall be governed by article seven-  
14    ty-five of the civil practice law and rules.

15    (l) A court may award reasonable attorney's fees to a prevailing  
16    plaintiff or to a consumer who prevails in any judicial action or  
17    proceeding arising out of an arbitration proceeding held pursuant to  
18    subdivision (k) of this section. In the event a prevailing plaintiff is  
19    required to retain the services of an attorney to enforce collection of  
20    an award granted pursuant to this section, the court may assess against  
21    the manufacturer reasonable attorney's fees for services rendered to  
22    enforce collection of said award.

23    (m) (1) Each manufacturer shall require that each informal dispute  
24    settlement mechanism used by it provide, at a minimum, the following:

25    (i) that the arbitrators participating in such mechanism are trained  
26    in arbitration and familiar with the provisions of this section, that  
27    the arbitrators and consumers who request arbitration are provided with  
28    a written copy of the provisions of this section, together with the  
29    notice set forth below entitled "NEW VESSEL LEMON LAW BILL OF RIGHTS",  
30    and that consumers, upon request, are given an opportunity to make an  
31    oral presentation to the arbitrator;

32    (ii) that the rights and procedures used in the mechanism comply with  
33    federal regulations promulgated by the federal trade commission relating  
34    to informal dispute settlement mechanisms; and

35    (iii) that the remedies set forth in subdivision (c) of this section  
36    are awarded if, after a reasonable number of attempts have been under-  
37    taken under subdivision (d) of this section to conform the vessel to the  
38    express warranties, the defect or nonconformity still exists.

39    (2) The following notice shall be provided to consumers and arbitra-  
40    tors and shall be printed in conspicuous ten point bold face type:

41                   NEW VESSEL LEMON LAW BILL OF RIGHTS

42    (1) IN ADDITION TO ANY WARRANTIES OFFERED BY THE MANUFACTURER, YOUR  
43    NEW VESSEL, IF PURCHASED AND REGISTERED IN NEW YORK STATE, IS WARRANTED  
44    AGAINST ALL MATERIAL DEFECTS FOR SEVENTY-FIVE HOURS OF USE OR TWO YEARS,  
45    WHICHEVER COMES FIRST.

46    (2) YOU MUST REPORT ANY PROBLEMS TO THE MANUFACTURER, ITS AGENT OR  
47    AUTHORIZED DEALER.

48    (3) UPON NOTIFICATION, THE PROBLEM MUST BE CORRECTED FREE OF CHARGE.

49    (4) IF THE SAME PROBLEM CANNOT BE REPAIRED AFTER FOUR OR MORE  
50    ATTEMPTS; OR IF YOUR VESSEL IS OUT OF SERVICE TO REPAIR A PROBLEM FOR A  
51    TOTAL OF THIRTY DAYS DURING THE WARRANTY PERIOD; OR IF THE MANUFACTURER  
52    OR ITS AGENT REFUSES TO REPAIR A SUBSTANTIAL DEFECT OR CONDITION WITHIN  
53    TWENTY DAYS OF RECEIPT OF NOTICE SENT BY YOU TO THE MANUFACTURER BY  
54    CERTIFIED MAIL, RETURN RECEIPT REQUESTED; THEN YOU MAY BE ENTITLED TO  
55    EITHER A COMPARABLE VESSEL OR A REFUND OF YOUR PURCHASE PRICE, PLUS  
56    LICENSE AND REGISTRATION FEES, MINUS AN HOURS OF USE ALLOWANCE ONLY IF

1 THE VESSEL HAS BEEN OPERATED MORE THAN FIFTY HOURS. SPECIAL NOTIFICA-  
2 TION REQUIREMENTS MAY APPLY TO HOUSEBOATS.

3 (5) A MANUFACTURER MAY DENY LIABILITY IF THE PROBLEM IS CAUSED BY  
4 ABUSE, NEGLIGENCE OR UNAUTHORIZED MODIFICATIONS OF THE VESSEL.

5 (6) A MANUFACTURER MAY REFUSE TO EXCHANGE A COMPARABLE VESSEL OR  
6 REFUND YOUR PURCHASE PRICE IF THE PROBLEM DOES NOT SUBSTANTIALLY IMPAIR  
7 THE VALUE OF YOUR VESSEL.

8 (7) IF A MANUFACTURER HAS ESTABLISHED AN ARBITRATION PROCEDURE, THE  
9 MANUFACTURER MAY REFUSE TO EXCHANGE A COMPARABLE VESSEL OR REFUND YOUR  
10 PURCHASE PRICE UNTIL YOU FIRST RESORT TO THE PROCEDURE.

11 (8) IF THE MANUFACTURER DOES NOT HAVE AN ARBITRATION PROCEDURE, YOU  
12 MAY RESORT TO ANY REMEDY BY LAW AND MAY BE ENTITLED TO YOUR ATTORNEY'S  
13 FEES IF YOU PREVAIL.

14 (9) NO CONTRACT OR AGREEMENT CAN VOID ANY OF THESE RIGHTS.

15 (10) AS AN ALTERNATIVE TO THE ARBITRATION PROCEDURE MADE AVAILABLE  
16 THROUGH THE MANUFACTURER, YOU MAY INSTEAD CHOOSE TO SUBMIT YOUR CLAIM TO  
17 AN INDEPENDENT ARBITRATOR, APPROVED BY THE ATTORNEY GENERAL. YOU MAY  
18 HAVE TO PAY A FEE FOR SUCH AN ARBITRATION. CONTACT YOUR LOCAL CONSUMER  
19 OFFICE OR ATTORNEY GENERAL'S OFFICE TO FIND OUT HOW TO ARRANGE FOR INDE-  
20 PENDENT ARBITRATION.

21 (3) All informal dispute settlement mechanisms shall maintain the  
22 following records:

23 (i) the number of purchase price and lease price refunds and vessel  
24 replacements requested, the number of each awarded in arbitration, the  
25 amount of each award and the number of awards that were complied with in  
26 a timely manner;

27 (ii) the number of awards where additional repairs or a warranty  
28 extension was the most prominent remedy, the amount or value of each  
29 award, and the number of such awards that were complied with in a timely  
30 manner;

31 (iii) the number and total dollar amount of awards where some form of  
32 reimbursement for expenses or compensation for losses was the most prom-  
33 inent remedy, the amount or value of each award and the number of such  
34 awards that were complied with in a timely manner; and

35 (iv) the average number of days from the date of a consumer's initial  
36 request to arbitrate until the date of the final arbitrator's decision  
37 and the average number of days from the date of the final arbitrator's  
38 decision to the date on which performance was satisfactorily carried  
39 out.

40 (n) Special provisions applicable to houseboats:

41 (1) To the extent that the provisions of this subdivision are incon-  
42 sistent with the other provisions of this section, the provisions of  
43 this subdivision shall apply.

44 (2) For purposes of this section, the "manufacturer of a houseboat" is  
45 any person, partnership, corporation, factory branch or other entity  
46 engaged in the business of manufacturing or assembling houseboats for  
47 sale in this state.

48 (3) This section shall not apply to nonconformities, defects or condi-  
49 tions in houseboat systems, fixtures, components, appliances,  
50 furnishings or accessories that are residential in character.

51 (4) If, within the period specified in subdivision (b) of this  
52 section, the manufacturer of a houseboat or its agents or its authorized  
53 dealers or repair shops to which they refer a consumer are unable to  
54 repair or correct any defect or condition which substantially impairs  
55 the value of the houseboat to the consumer after a reasonable number of  
56 attempts, the houseboat manufacturer, at the option of the consumer,

1 shall replace the houseboat with a comparable houseboat or accept return  
2 of the houseboat from the consumer and refund to the consumer the full  
3 purchase price or, if applicable, the lease price and any trade-in  
4 allowance plus fees and charges as well as the other fees and charges  
5 set forth in paragraph one of subdivision (c) of this section.

6 (5) If an agent or authorized dealer of a houseboat manufacturer or a  
7 repair shop to which they refer a consumer refuses to undertake repairs  
8 within seven days of receipt of notice by a consumer of a nonconformity,  
9 defect or condition pursuant to paragraph one of subdivision (b) of this  
10 section, the consumer may immediately forward written notice of such  
11 refusal to the houseboat manufacturer by certified mail, return receipt  
12 requested. The houseboat manufacturer or its authorized agent or a  
13 repair shop to which they refer a consumer shall have twenty days from  
14 receipt of such notice of refusal to commence such repairs. If within  
15 such twenty day period, the houseboat manufacturer or its authorized  
16 agent or repair shop to which they refer a consumer, fails to commence  
17 such repairs, the houseboat manufacturer, at the option of the consumer,  
18 shall replace the houseboat with a comparable houseboat, or accept  
19 return of the houseboat from the consumer and refund to the consumer the  
20 full purchase price or, if applicable, the lease price, and any trade-in  
21 allowance or other charges or allowances as set forth in paragraph two  
22 of subdivision (b) of this section.

23 (6) If within the period specified in subdivision (b) of this section,  
24 the same nonconformity, defect or condition in a houseboat has been  
25 subject to repair three times or a houseboat has been out of service by  
26 reason of repair for twenty-one days, whichever occurs first, the  
27 consumer must have reported this to the houseboat manufacturer or its  
28 authorized dealer by certified mail, return receipt requested prior to  
29 instituting any proceeding or other action pursuant to this section;  
30 provided, however, that the special notification requirements of this  
31 paragraph shall only apply if the manufacturer or its authorized dealer  
32 provides a prior written copy of the requirements of this paragraph to  
33 the consumer and receipt of the notice is acknowledged by the consumer  
34 in writing. If the consumer who has received notice from the manufactur-  
35 er fails to comply with the special notification requirements of this  
36 paragraph, additional repair attempts or days out of service by reason  
37 of repair shall not be taken into account in determining whether the  
38 consumer is entitled to a remedy provided in paragraph four of this  
39 subdivision. However, additional repair attempts or days out of service  
40 by reason of repair that occur after the consumer complies with such  
41 special notification requirements shall be taken into account in making  
42 that determination.

43 (7) Nothing in this section shall in any way limit any rights, reme-  
44 dies or causes of action that a consumer or houseboat manufacturer may  
45 otherwise have against the manufacturer of the houseboat's chassis, or  
46 its propulsion and other components.

47 (o) At the time of purchase or lease of a vessel from an authorized  
48 dealer in this state, the manufacturer shall provide to the dealer or  
49 leaseholder, and the dealer or leaseholder shall provide to the consumer  
50 a notice, printed in not less than eight point bold face type, entitled  
51 "New Vessel Lemon Law Bill of Rights". The text of such notice shall be  
52 identical with the notice required by paragraph two of subdivision (m)  
53 of this section.

54 § 198-e. Mandatory disclosures by sellers of vessels prior to resale.  
55 (a) Certificate of prior use by dealer. Upon the sale or transfer of  
56 title by a dealer of any second-hand passenger vessel, the dealer shall

1 execute and deliver to the buyer an instrument in writing in a form  
2 prescribed by the commissioner of motor vehicles which shall set forth  
3 the nature of the principal prior use of such vessel which has been  
4 repurchased pursuant to section one hundred ninety-eight-d of this arti-  
5 cle, a similar statute of another state, or an arbitration or alterna-  
6 tive dispute procedure.

7 (b) Certificate of prior nonconformity by manufacturer or dealer. Upon  
8 the sale or transfer of title by a manufacturer, its agent or any dealer  
9 of any second-hand vessel, previously returned to a manufacturer or  
10 dealer for nonconformity to its warranty or after final determination,  
11 adjudication or settlement pursuant to section one hundred  
12 ninety-eight-d of this article, the manufacturer or dealer shall execute  
13 and deliver to the buyer an instrument in writing in a form prescribed  
14 by the commissioner of motor vehicles setting forth the following infor-  
15 mation in ten point, all capital type: "IMPORTANT: THIS VESSEL WAS  
16 RETURNED TO THE MANUFACTURER OR DEALER BECAUSE IT DID NOT CONFORM TO ITS  
17 WARRANTY AND THE DEFECT OR CONDITION WAS NOT FIXED WITHIN A REASONABLE  
18 TIME AS PROVIDED BY NEW YORK LAW." Such notice that a vessel was  
19 returned to the manufacturer or dealer because it did not conform to its  
20 warranty shall also be conspicuously printed on the vessel's certificate  
21 of title.

22 (c) Violation. The failure of a dealer to deliver to the buyer the  
23 instrument required by this section or the delivery of an instrument  
24 containing false or misleading information shall constitute a violation  
25 of this section.

26 (d) Private remedy. A consumer injured by a violation of this section  
27 may bring an action to recover damages. Judgment may be entered for  
28 three times the actual damages suffered by a consumer or one hundred  
29 dollars, whichever is greater. A court also may award reasonable attor-  
30 neys' fees to a prevailing plaintiff buyer.

31 (e) Action by the attorney general. (1) Upon any violation of this  
32 section, an application may be made by the attorney general in the name  
33 of the people of the state of New York to a court or justice having  
34 jurisdiction to issue an injunction, and upon notice to the defendant of  
35 not less than five days, to enjoin and restrain the continuance of the  
36 violation. If it shall appear to the satisfaction of the court or  
37 justice that the defendant has violated this section, an injunction may  
38 be issued by the court or justice, enjoining and restraining any further  
39 violation, without requiring proof that any person has, in fact, been  
40 injured or damaged thereby. In any such proceeding, the court may make  
41 allowances to the attorney general as provided in paragraph six of  
42 subdivision (a) of section eighty-three hundred three of the civil prac-  
43 tice law and rules, and direct restitution.

44 (2) Whenever the court shall determine that a violation of this  
45 section has occurred, it may impose a civil penalty of not more than one  
46 thousand dollars for each violation. In connection with an application  
47 made under this subdivision, the attorney general is authorized to take  
48 proof and to make a determination of the relevant facts and to issue  
49 subpoenas in accordance with the civil practice law and rules.

50 § 3. Subdivision 3 of section 399-w of the general business law, as  
51 added by chapter 372 of the laws of 1995, is amended to read as follows:

52 3. This section shall not apply to: (a) rental purchase agreements as  
53 regulated by article eleven of the personal property law ~~[and]~~, (b)  
54 motor vehicle rentals under paragraph two of subdivision (a) of section  
55 one hundred ninety-eight-a and paragraph two of subdivision a of section  
56 one hundred ninety-eight-b of this chapter, and (c) vessel rentals under

1 paragraph two of subdivision (a) of section one hundred ninety-eight-d  
2 of this chapter.

3 § 4. Subdivision (f) of section 1139 of the tax law, as amended by  
4 chapter 12 of the laws of 1990, is amended to read as follows:

5 (f) Where a consumer returns a motor vehicle or vessel to and receives  
6 a refund of the full purchase price, capitalized cost or a portion ther-  
7 eof from the manufacturer in accordance with the provisions of section  
8 one hundred ninety-eight-a [~~ex~~], subdivision five of section three  
9 hundred ninety-six-p, or section one hundred ninety-eight-d of the  
10 general business law, the commissioner [~~of taxation and finance~~] shall  
11 refund to such consumer any tax paid by the consumer on the amount of  
12 the purchase price, capitalized costs and fees and charges refunded by  
13 the manufacturer which is not in excess of the receipts and propor-  
14 tionate to the receipts subject to tax. All the provisions of this  
15 section shall apply to the refund authorized by this subdivision,
