2 subdivision 18 to read as follows:

3 18. No license shall be granted for any gunsmith or dealer in firearms
4 to operate:

6 building occupied as a child day care or educational facility, or exclu-
7 sively occupied as a place of worship; or

1 sively occupied as a place of worship; and except that no license shall
2 be denied to any premises, which is within five hundred feet of three or
3 more existing gunsmiths or dealers in firearms licensed and operating
4 pursuant to this section, at which a license under this chapter has been
5 in existence continuously on or prior to November first, two thousand
6 nineteen.

7 (d) Within the context of this subdivision, the word "entrance" shall
8 mean a door regularly used to give ingress to a child day care or educa-
9 tional facility, a house of worship, premises licensed and operating
10 pursuant to this section by a gunsmith or dealer in firearms or of the
11 premises sought to be licensed. Where a child day care or educational
12 facility, a house of worship, or premises licensed and operating pursu-
13 ant to this section by a gunsmith or dealer in firearms or the premises
14 sought to be licensed is set back from a public thoroughfare, the walk-
15 way or stairs leading to any such door shall be deemed an entrance and
16 the measurement shall be taken to the center of the walkway or stairs at
17 the point where it meets the building line or public thoroughfare. A
18 door which has no exterior hardware, or which is used solely as an emer-
19 gency or fire exit, or for maintenance purposes, or which leads directly
20 to a part of a building not regularly used by the general public or
21 patrons, is not deemed an "entrance".

22 (e) Within the context of this subdivision, a "child day care or
23 educational facility" means (i) in or on or within any building, struc-
24 ture, athletic playing field, a playground or land contained within the
25 real property boundary line of a public or private child day care center
26 as such term is defined in paragraph (c) of subdivision one of section
27 three hundred ninety of the social services law, or nursery, pre-kinder-
28 garten or kindergarten, or (ii) any area accessible to the public
29 located within one thousand feet of the real property boundary line
30 comprising any such facility. For the purposes of this section an "area
31 accessible to the public" shall mean sidewalks, streets, parking lots,
32 parks, playgrounds, stores and restaurants.

33 (f) Within the context of this subdivision, a building occupied as a
34 place of worship does not cease to be "exclusively" occupied as a place
35 of worship by incidental uses that are not of a nature to detract from
36 the predominant character of the building as a place of worship, such
37 uses which include, but which are not limited to: the conduct of legally
38 authorized games of bingo or other games of chance held as a means of
39 raising funds for the not-for-profit religious organization which
40 conducts services at the place of worship or for other not-for-profit
41 organizations or groups; use of the building for fund-raising perform-
42 ances by or benefitting the not-for-profit religious organization which
43 conducts services at the place of worship or other not-for-profit organ-
44 izations or groups; the use of the building by other religious organiza-
45 tions or groups for religious services or other purposes; the conduct of
46 social activities by or for the benefit of the congregants; the use of
47 the building for meetings held by organizations or groups providing
48 bereavement counseling to persons having suffered the loss of a loved
49 one, or providing advice or support for conditions or diseases includ-
50 ing, but not limited to, alcoholism, drug addiction, cancer, cerebral
51 palsy, Parkinson's disease, or Alzheimer's disease; the use of the
52 building for blood drives, health screenings, health information meet-
53 ings, yoga classes, exercise classes or other activities intended to
54 promote the health of the congregants or other persons; and use of the
55 building by non-congregant members of the community for private social
56 functions. The building occupied as a place of worship does not cease

1 to be "exclusively" occupied as a place of worship where the not-for-
2 profit religious organization occupying the place of worship accepts the
3 payment of funds to defray costs related to another party's use of the
4 building.

5 (g) Notwithstanding the provisions of paragraph (b) of this subdivi-
6 sion, a license pursuant to this section for a premises which shall be
7 within five hundred feet of three or more existing premises licensed and
8 operating pursuant to this section may be issued if, after consultation
9 with the municipality or community board, it determines that granting
10 such license would be in the public interest. Before such license is
11 issued, a hearing shall be conducted, upon notice to the applicant and
12 the municipality or community board, and shall state its reasons there-
13 for. The hearing may be rescheduled, adjourned or continued, and notice
14 shall be given to the applicant and the municipality or community board
15 of any such rescheduled, adjourned or continued hearing. Before any said
16 license is issued, in addition to the hearing required by this para-
17 graph, a public meeting regarding said license shall be conducted, upon
18 notice to the applicant and the municipality or community board. The
19 public meeting may be rescheduled, adjourned or continued, and notice
20 shall be given to the applicant and the municipality or community board
21 of any such rescheduled, adjourned or continued public meeting. Notice
22 to the municipality or community board shall mean written notice mailed
23 to such municipality or community board at least fifteen days in advance
24 of any hearing scheduled pursuant to this paragraph. Any municipality or
25 community board may waive the fifteen day notice requirement. No prem-
26 ises having been granted a license pursuant to this section shall be
27 denied a renewal of such license upon the grounds that such premises are
28 within five hundred feet of a building or buildings wherein three or
29 more premises are licensed and operating pursuant to this section.

30 § 2. This act shall take effect on the first of November next succeed-
31 ing the date on which it shall have become a law.
