2019-2020 Regular Sessions

IN ASSEMBLY

March 7, 2019

Introduced by M. of A. CRESPO, GOODELL, HEVESI, JAFFEE, PICHARDO, RIVERA, STIRPE -- Multi-Sponsored by -- M. of A. COOK, CROUCH, FINCH, LAWRENCE, LUPARDO, MOSLEY, SIMON, THIELE -- read once and referred to the Committee on Ways and Means

AN ACT to amend the tax law and the state finance law, in relation to allocating certain revenue to the tobacco use prevention and control program fund for programs to help smokers quit and to keep children from smoking

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Statement of legislative intent. The legislature finds
2 that:
3 New York state has raised over twelve billion dollars in tobacco
4 revenues over the past seven years, yet only three and one-half percent
5 of these revenues have been spent on the state's Tobacco Use Prevention
6 and Control Program.
7 In the year 2013, New York state spent only sixteen percent of the
8 amount recommended by the Centers for Disease Control and Prevention on
9 tobacco control. New York state was once a leader in tobacco control
10 support spending, but now ranks twenty-first in the United States.
11 From the years 2007-2013, funding for the New York State Tobacco Use
12 Prevention and Control Program was cut by more than half. This inadequate
13 funding level for the program stands in contrast to promises made
14 in 1998 by public officials to invest state dollars earned from the
15 Tobacco Master Settlement Agreement in tobacco control programs.
16 The Tobacco Master Settlement Agreement states that its purpose is to
17 "achieve for the Settling States and their citizens significant funding
18 for the advancement of public health" and "the implementation of important
19 tobacco-related public health measures."
20 When more adequately funded, the State Tobacco Use Prevention and
21 Control Program achieved successes in the effort to curb tobacco use.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets

1 Teenage and adult tobacco use rates had fallen faster in New York state
2 than in the United States as a whole.

3 Limited funding prevents the State Tobacco Use Prevention and Control
4 Program from reaching the most vulnerable populations with the highest
5 rates of smoking, individuals with limited income. A recent analysis by
6 the American Cancer Society of New York and New Jersey found that lung
7 cancer rates in upstate New York are higher than the national average.

8 Tobacco use takes a terrible toll on New York. In the year 2009, twenty-five thousand four hundred lives were prematurely lost due to tobacco
9 use, with an estimated nine thousand six hundred ten of those deaths
10 resulting from cancer. Tobacco costs New Yorkers over eight billion
11 dollars in health care costs, including nearly two billion seven hundred
12 thousand dollars in Medicaid expenditures.

13
14 The legislature therefore declares that New York state should fulfill
15 the promise made by state policy makers at the time of the State Tobacco
16 Master Settlement Agreement to use tobacco revenues for programs to help
17 smokers quit and to keep children from smoking. The legislature further
18 declares that funding for the Tobacco Use Prevention and Control Program
19 should be incrementally increased on an annual basis over the next ten
20 years to reach the level recommended by the United States Centers for
21 Disease Control and Prevention that would be current by the year 2029.

22 § 2. Section 482 of the tax law, as amended by section 2 of part T of
23 chapter 61 of the laws of 2011, is amended to read as follows:

28 one-a of this chapter, as added by chapter sixty-nine of the laws of

45 this chapter, as added by chapter sixty-nine of the laws of nineteen
46 hundred seventy-eight, from the taxes collected or received by the

50 sand twenty-nine at least five percent shall annually be additionally

53 finance law, provided however, that effective April first, two thousand
54 thirty the total amount credited to and deposited in the tobacco use
55 prevention and control program fund established pursuant to section
56 eighty-six of the state finance law shall not be less than the amount

1 recommended by the United States Centers for Disease Control and

3 § 3. The state finance law is amended by adding a new section 86 to
4 read as follows:

6 hereby established in the joint custody of the state comptroller and the
7 commissioner of taxation and finance a special fund to be known as the
8 "tobacco use prevention and control program fund".

10 of moneys appropriated thereto, and funds transferred from any other
11 fund or sources including tax revenue required to be deposited therein
12 pursuant to section four hundred eighty-two of the tax law.

13 3. The moneys received by such fund shall be expended pursuant to
14 appropriation only for the purposes of implementing the tobacco use
15 prevention and control program pursuant to section thirteen hundred
16 ninety-nine-ii of the public health law.

17 § 4. This act shall take effect April 1, 2021. Effective immediately,
18 the addition, amendment and/or repeal of any rule or regulation neces-
19 sary for the implementation of this act on its effective date are
20 authorized to be made and completed on or before such effective date.
