2019-2020 Regular Sessions

IN ASSEMBLY

March 8, 2019

Introduced by M. of A. ROMEO, SAYEGH, D'URSO, ARROYO -- Multi-Sponsored by -- M. of A. SIMON -- read once and referred to the Committee on Banks

AN ACT to amend the banking law, in relation to enacting the "credit creation pilot program act of New York"; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Short title. This act shall be known and may be cited as the "credit creation pilot program act of New York".

§ 2. The legislature finds and declares that consumer demand for 4 responsible installment loans in principal amounts of at least three 5 hundred dollars and no more than five thousand dollars exceeds the 6 supply of these loans. The legislature has identified several improve-7 ments that could be made to the banking laws, which would allow more New 8 Yorkers to access responsible installment loans of at least three 9 hundred dollars and no more than five thousand dollars. The credit 10 creation pilot program act of New York is intended to assist consumers 11 in building their credit and has additional consumer protections for 12 these loans which exceed current protections under existing law.

13 § 3. The banking law is amended by adding a new article 8-B to read as 14 follows:

б	(iii) The telephone number and e-mail address;
7	(iv) The address of any program branch office;

12	corporation;
13	(vi) The contact person's name, title, address, telephone number, and

19	thirty-nine-f of this article;
20	(ix) A statement that the applicant has been accepted as a data
21	furnisher by a consumer reporting agency and will report to a consumer
22	reporting agency the payment performance of each borrower on all loans
23	made under the program; and
24	(x) The signature and certification of an authorized person of the

26	3. A program licensee who desires to participate in the program but

29	superintendent, in a form and manner specified in this section:
30	(a) An application and a fee for a master license pursuant to article
31	nine of this chapter; and
32	(b) An application and a fee for admission to the program in accord-
33	ance with paragraphs (d) and (e) of subdivision two of this section.
34	4. Except as otherwise provided in this article, a program licensee is
35	subject to all the laws and rules governing consumer loans under article
36	nine of this chapter.
37	5. All program licensees shall be assessed an annual nonrefundable
38	license fee of one thousand dollars.
39	6. Only one pilot program master license is required for a person or
40	entity to make program loans under this article, regardless of whether
41	the program licensee offers program loans to prospective borrowers at
42	its own physical business locations, through referral partners, or via
43	an electronic access point through which a prospective borrower may
44	directly access the website of the program licensee.
45	7. Each branch office of a program licensee must be licensed under
46	this section.
47	8. This superintendent shall issue a program branch office license to
48	a program licensee after the superintendent determines that the program
49	licensee has submitted a completed application for a program branch
50	office license in a form prescribed by the superintendent and payment of
50 51	an initial nonrefundable program branch office license fee of five
52	hundred dollars for each branch office as prescribed by the superinten-
52 53	dent. Application fees may not be prorated for partial years of licen-

54	sure. The program branch office freehee shart be issued in the name of

55 the program licensee that maintains the branch office. The application

12	(g) The signature and certification of an authorized person of the
13	applicant.
14	§ 339-c. Requirements for program loans. 1. A program licensee shall
15	comply with each of the following requirements in making program loans:
16	(a) A program loan shall be unsecured;
17	(b) A program loan shall have a minimum principal amount upon origi-
18	nation of three hundred dollars and a maximum principal amount upon
19	origination of five thousand dollars excluding the amount of the origi-
20	nation fee permitted under subdivision three of this section;
21	(c) A program loan shall have a term of not less than two hundred
22	forty days;
23	(d) A program loan must be repayable by the borrower in substantially
24	equal weekly, biweekly, semimonthly, or monthly installments; and
25	(e) A program loan must include a borrower's right to rescind the
26	program loan by notifying the program licensee of the borrower's intent
27	to rescind the program loan and return the principal advanced by the end
28	of the business day after the day the program loan is consummated.
29	2. As an alternative to the charges authorized by section 5-501 of the
30	general obligations law or section fourteen-a of this chapter, a program
31	licensee may contract for and receive charges for a program loan made
32	pursuant to this section at an annual simple interest rate not to exceed
33	thirty percent. The interest rate calculated as of the date of loan
34	origination shall be fixed for the life of the loan and shall accrue on
35	a simple-interest basis, through the application of a daily periodic
36	rate to the actual unpaid principal balance each day.
37	3. Notwithstanding section 5-501 of the general obligations law or
38	section fourteen-a of this chapter, a program licensee may contract for
39	and receive a nonrefundable origination fee from the borrower, provided
40	that the borrower has not rescinded the program loan pursuant to para-
41	graph (e) of subdivision one of this section. The origination fee shall
42	be fully earned immediately upon making the program loan, in an amount
43	not to exceed five percent of the principal amount, exclusive of the
44	origination fee, or seventy-five dollars, whichever is less, on the
45	program loan made to that borrower. An origination fee charged by a
46	program licensee shall be subject to all of the following:
47	(a) Only one origination fee may be contracted for or received from a
48	borrower until the program loan has been repaid in full;
49	(b) A program licensee shall not charge the same borrower an origi-
50	nation fee more than twice in any twelve-month period; and
51	(c) The program licensee may either deduct the origination fee from
52	the principal amount of the program loan disbursed to the borrower or
53	capitalize the origination fee into the principal balance of the program
54	loan.
55	4. Notwithstanding section three hundred fifty-one of this chapter, a

56 program licensee may:

1	<u>(a) Require payment from a borrower of no more than twenty-five</u>
2	dollars for insufficient funds fees incurred by that program licensee
∠ 3	due to actions of the borrower; and
4	(b) Contract for and receive a delinguency fee of no more than four-
5	teen dollars for each payment in default for at least seven days if the
6	charge is agreed upon in writing between the parties before imposing the
7	charge. A delinquency fee imposed by a program licensee is subject to
8	all of the following:
9	(i) No more than one delinquency fee may be imposed per delinquent
10	payment;
11	(ii) No more than two delinguency fees may be imposed during any peri-
12	od of thirty consecutive days; and
13	(iii) No delinquency fee may be imposed on a borrower who is one
14	hundred eighty days or more past due if that fee would result in the sum
15	of the borrower's remaining unpaid principal balance, accrued interest,
16	and delinguency fees exceeding one hundred eighty percent of the
17	original principal amount of the borrower's loan.
18	§ 339-d. Underwriting requirements; credit reporting; credit educa-
19	tion; prohibition on refinance; prohibition on credit insurance; and
20	additional consumer protections. 1. The following shall apply to a
21	program loan made by a program licensee pursuant to this article:
22	(a) The program licensee shall underwrite each program loan to deter-
23	mine a borrower's ability and willingness to repay the program loan
24	pursuant to the program loan terms, and shall not make a program loan if
25	it determines that the borrower's total monthly debt service payments,
26	at the time of origination, including the program loan for which the
27	borrower is being considered and all outstanding forms of credit that
28	can be independently verified by the program licensee, exceed thirty-
29	five percent of the borrower's gross monthly income.
30	(i) (A) The program licensee shall seek information and documentation
31	pertaining to all of a borrower's outstanding debt obligations during
32	the program loan application and underwriting process, including loans
33	that are self-reported by the borrower but not available through inde-
34	pendent verification. The program licensee shall verify that information
35	using a credit report from at least one consumer reporting agency that
36	compiles and maintains files on consumers on a nationwide basis or
37	through other available electronic debt verification services that
38	provide reliable evidence of a borrower's outstanding debt obligations.
39	(B) The program licensee shall not be required to consider, for
40	purposes of debt-to-income ratio evaluation, loans from friends or fami-
41	<u>lv.</u>
42	(ii) The program licensee shall also verify the borrower's income that
43	the program licensee relies on to determine the borrower's debt-to-in-
44	come ratio using information from either of the following:
45	(A) Electronic means or services that provide reliable evidence of the
46	borrower's actual income; or
47	(B) Internal Revenue Service Form W-2, tax returns, payroll receipts,
48	bank statements, or other third-party documents that provide reasonably
49	reliable evidence of the borrower's actual income.
50	(b) The program licensee shall report each borrower's payment perform-
51	ance to at least one consumer reporting agency that compiles and main-
52	tains files on consumers on a nationwide basis. For purposes of this
53	section, a consumer reporting agency that compiles and maintains files
54	on consumers on a nationwide basis is one that meets the definition in
55	section 60-3(p) of the federal Fair Credit Reporting Act (15 U.S.C. Sec.
56	<u>1681a(p)).</u>

1	(c) The program licensee shall provide each borrower with the name of
2	the consumer reporting agency or agencies to which it will report the
3	borrower's payment history.
4	(d) The program licensee shall notify each borrower, at least two days
5	prior to each payment due date, informing the borrower of the amount
б	due, and the payment due date. Notification may be provided by any means
7	mutually acceptable to the borrower and the program licensee. A borrower
8	shall have the right to opt out of this notification at any time, upon
9	electronic or written request to the program licensee. The program
10	licensee shall notify each borrower of this right prior to disbursing
11	program loan proceeds.
12	(e) Before disbursing program loan proceeds to a borrower, the program
13	licensee shall either:
14	(i) offer a credit education program or seminar to the borrower that
15	has been previously reviewed and approved by the superintendent for use
16	in complying with this section; or
17	(ii) invite the borrower to a credit education program or seminar
18	offered by an independent third party that has been previously reviewed
19	and approved by the superintendent for use in complying with this
20	section. The borrower shall not be required to participate in either of
21	these education programs or seminars. A credit education program or
22	seminar offered pursuant to this paragraph shall be provided at no cost
23	to the borrower.
24	(f) A program licensee shall not refinance a program loan. Refinance
25	means the replacement or revision of an existing program loan contract
26	with a borrower in exchange for an advance of additional principal to
27	that borrower. A program licensee may extend, defer, or rewrite a
28	program loan.
29	2. (a) Notwithstanding section three hundred fifty-seven of this chap-
30	ter, no program licensee, referral partner or any other person or enti-
31	ty, in connection with, or incidental to, the making of any program loan
32	made pursuant to this article, may offer, sell, or require the borrower
33	to contract for "credit insurance" of the type specified in subdivision
34	three of section three hundred fifty-seven of this chapter or insurance
35	on tangible personal or real property of the type specified in subdivi-
36	sion one of section three hundred fifty-seven of this chapter. (b) Notwithstanding section three hundred fifty-seven of this chapter.
