

STATE OF NEW YORK

6962

2019-2020 Regular Sessions

IN ASSEMBLY

March 27, 2019

Introduced by M. of A. JOYNER, GOTTFRIED -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to the establishment of obstetric hemorrhage protocols

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 1 of section 2803-n of the public health law is
2 amended by adding a new paragraph (c) to read as follows:

3 (c) (i) The commissioner shall provide guidance to hospitals on
4 obstetric hemorrhage protocols, in consultation with clinical experts,
5 and develop or identify an existing toolkit on obstetric hemorrhage
6 management, which may include a hemorrhage care checklist for use by
7 hospitals as part of the protocols and guidance on simulation training.
8 The commissioner shall report to the temporary president of the senate
9 and the speaker of the assembly on data reported to the department under
10 this paragraph within two years from the effective date of this para-
11 graph, and every two years thereafter.

12 (ii) The hospital shall adopt, implement, periodically update and
13 submit to the department standard protocols for management of obstetric
14 hemorrhage. Such protocols shall address early recognition and assess-
15 ment, readiness to respond in a multidisciplinary manner, and data
16 reporting to the department sufficient for the department to monitor and
17 report pursuant to this paragraph. Such protocols shall utilize risk
18 assessment tools such as the toolkit established or identified by the
19 department under this paragraph and shall include a response plan
20 providing for the triage and transfer to higher level facilities if
21 needed.

22 § 2. This act shall take effect one year after it shall have become a
23 law. Effective immediately, the commissioner of health shall make regu-
24 lations and take other actions reasonably necessary to implement this
25 act on that date.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
