2019-2020 Regular Sessions

## IN ASSEMBLY

April 4, 2019

Introduced by M. of A. THIELE -- read once and referred to the Committee on Agriculture

AN ACT to amend the agriculture and markets law, the state finance law, and the economic development law, in relation to procurement of locally grown farm and food products and codifying the New York state council on food policy

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 2	Section 1. Short title. This act shall be known and may be cited as the "local food, farms, and jobs act".
3	§ 2. Section 16 of the agriculture and markets law is amended by
4	adding a new subdivision 6-a to read as follows:
5	<u>6-a. Establish a New York state council on food policy. The purpose</u>
б	of the council shall be to facilitate the growth of a New York-based
7	local farm and food product economy that revitalizes rural and urban
8	communities, promotes healthy eating with access to fresh foods, creates
9	jobs, ensures a readily available supply of safe food in an emergency
10	event, and supports economic growth through making local farm or food
11	products available to all New York citizens.
12	(a) The responsibilities of the council shall include, but are not
13	<u>limited to, the following:</u>
14	(i) to develop and recommend a food policy for the state which recog-
15	nizes that it is in the best interests of the state to ensure the avail-
16	ability of an adequate supply of affordable, fresh and nutritious food
17	to its residents;
18	(ii) to develop and recommend state policies to expand agricultural
19	production, including locally-grown and organically-grown food;
20	<u>(iii) to develop and recommend a strategic plan for implementation of</u>
21	the state food policy, including benchmarks and criteria for measuring
22	progress in achieving state food policy objectives;

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD05361-03-9

1	(iv) to offer comments on state regulations, legislation and budget
2	proposals in the area of food policy, to ensure a coordinated and
3	comprehensive inter-agency approach to food policy issues;
4	(v) to assist state agencies, state-owned facilities, and other enti-
5	ties with the purchase of local farm or food products and with tracking
6	and reporting of such purchases in order to meet the goals established
7	in this section;
8	(vi) to assist local farm and food entrepreneurs to identify and
9	secure necessary resources and equipment to begin, maintain, and expand
10	projects and networks necessary for the development of local farm or
11	food products; provided, however, that the council will facilitate
12	program start-ups and then relinquish rights, benefits, and control
13	within a reasonably short duration of time;
14	(vii) to facilitate the building of infrastructure, including aggre-
15	gation, processing, storage, packaging, and distribution facilities
16	necessary to move local farm or food products to local and other
17	markets;
18	(viii) to support and expand programs that recruit, train, and provide
19	technical assistance to New York farmers and residents in order to
20	encourage the production of local farm or food products;
21	(ix) to coordinate interagency policies, initiatives, and procedures
22	promoting local farm and food products in New York communities, by work-
23	ing with and involving state, federal, and local agencies, as well as
24	community based organizations, educational institutions, and trade
25	organizations in executing the purposes of this section;
26	(x) to facilitate the elimination of legal barriers hindering the
27	development of a local farm and food economy by working with federal, state, and local public health agencies, other agencies and applicable
28 29	entities, and the New York attorney general to create consistent and
30	compatible regulations for the production, storage, distribution, and
31 31	marketing of local farm or food products;
32	(xi) to facilitate the use of public lands for growing local farm or
33	food products by working with governmental entities at the local, state,
34	and federal levels;
35	(xii) to set annual goals for all purchases of local farm or food
36	products by New York residents and to monitor the development and expan-
37	sion of a local farm and food economy through data collection, tracking,
38	measurement, analysis, and reporting on progress made in an annual
39	report to the legislature; and
40	(xiii) to initiate and facilitate public awareness campaigns about the
41	economic benefits of a local farm and food economy.
42	(b) (i) The council shall consist of twenty voting members as follows:
43	eight members with experience and expertise related to agriculture,
44	nutrition or food policy appointed on the recommendation of the legisla-
45	tive leaders, three each by the temporary president of the senate and
46	the speaker of the assembly, and one each by the minority leader of the
47	senate, and the minority leader of the assembly; the dean of the New
48	York state college of agriculture and life sciences; and eleven members
49	shall be appointed by the governor.
50	(ii) The council shall consist of the following non-voting members:
51	the commissioner, the commissioner of health, the commissioner of the
52	office of temporary and disability assistance, the commissioner of the
53	office of children and family services, the commissioner of education,
54	the commissioner of the department of economic development, the director
55	of the office for the aging and the director of the office of rural
56	affairs; one member representing farm organizations; one member repres-

	enting school food administrators; one member representing consumers;
2	two members representing an organization that provides food assistance;
3	one member representing anti-hunger advocates; one member who is a
4	nutritionist; two members representing the food industry, who are
5	producers, distributors, processors or retailers in the state of New
6	York, at least one of whom produces organic food; four local farm or
7	food product farmers representing different agribusiness sectors,
8	including, but not limited to, the dairy, meat, vegetable, and grain
9	sectors; two representatives of not-for-profit educational organizations
10	that specialize in supporting and expanding local farm or food product
11	networks; one certifier of specialty local farm or food products, such
12	as an organic, naturally grown, biodynamic, Halal, or Kosher certifier;
13	one representative from a philanthropic organization supporting the
14	development of local farm or food products; two municipal represen-
15	tatives from different communities in the state actively engaged in the
16	development of local farm or food products; two representatives from
17	community-based organizations focusing on access to local farm or food
18	products, including at least three minority members; and one chef
19	specializing in the preparation of locally grown foods.
20	(c) The eleven non-state governmental board members shall be appointed
21	by the governor to three-year staggered terms as determined by the
22	governor. Such persons may be nominated by organizations representing
23	the sectors outlined in paragraph (b) of this subdivision. Vacancies
24	shall be filled by the governor.
25	(d) The council may apply for and establish a not-for-profit corpo-
26	ration.
27	(e) The board of directors shall elect its presiding officers from
28	among its members and may elect or appoint an executive committee, other
29	committees, and subcommittees to conduct the business of the organiza-
30	tion.

ance of their functions hereunder. All members of the council shall 1 2 serve at the pleasure of the governor and vacancies shall be filled in 3 the same manner as original appointments. 4 § 3. The state finance law is amended by adding a new section 163-c to 5 read as follows: б § 163-c. Procurement goals for local farm or food products. 1. For 7 the purposes of this section, "local farm or food products" are products 8 grown, processed, packaged, and distributed by New York citizens or 9 businesses located wholly within the borders of New York state. 10 2. (a) In order to create, strengthen, and expand local farm and food 11 economies throughout New York, it shall be the goal of this state that: (i) twenty percent of all food and food products purchased by state 12 agencies and state-owned facilities, including, without limitation, 13 14 facilities for persons with mental health and developmental disabilities, correctional facilities, and public universities, shall, by two 15 16 thousand twenty, be local farm or food products; and 17 (ii) fifty percent of all food and food products purchased by state agencies and state-owned facilities, including, without limitation, 18 19 facilities for persons with mental health and developmental disabili-20 ties, correctional facilities, and public universities, shall, by two 21 thousand twenty-four, be local farm or food products. (b) The New York state council on food policy shall support and 22 encourage that twenty-five percent of food and food products purchased 23 24 by entities funded in part or in whole by state funds, which spend more than twenty-five thousand dollars per year on food or food products for 25 26 its students, residents, or clients, including, without limitation, 27 public schools, child care facilities, after-school programs, and hospitals, shall, by two thousand twenty-one, be local farm or food products. 28 29 The goal shall increase to forty percent by two thousand twenty-six. 30 (c) To meet the goals set forth in this section, when a state contract 31 for purchase of food or food products is to be awarded to the lowest 32 responsible bidder, an otherwise qualified bidder who will fulfill the contract through the use of local farm or food products may be given 33 34 preference over other bidders, provided that the cost included in the 35 bid of local farm or food products is not more than ten percent greater than the cost included in a bid that is not for local farm or food 36 37 products. 38 (d) All state agencies and state-owned facilities that purchase food 39 and food products shall, with the assistance of the New York state council on food policy, develop a system for (i) identifying the percentage 40 of local farm or food products purchased for fiscal year two thousand 41 42 twenty as the baseline; and (ii) tracking and reporting local farm or 43 food products purchases on an annual basis. 44 4. Section 16 of the agriculture and markets law is amended by S

45 adding a new subdivision 50 to read as follows: 46 50. Establish, and make available on its website, a geo-coded elec-47 tronic database to facilitate the purchase of fresh produce and food products by schools. The database shall be developed jointly with the 48 New York state council on food policy and, at a minimum, contain the 49 information necessary for (a) schools to identify and contact agricul-50 51 tural producers that are interested in supplying schools in the state with fresh produce and food products and (b) agricultural producers of 52 fresh produce and food products to identify schools in the state that 53 are interested in purchasing those products. 54
