LBD09754-04-0

This bill would deem Howard Mahler eligible for a service retirement benefit effective December 22, 2014, notwithstanding the fact that he died on December 23, 2014. Robin Garfinkle, the widow of Mr. Mahler, shall be authorized to file a service retirement application with a date of retirement of December 22, 2014 and an option election form selecting the joint allowance full option on behalf of her deceased husband. The amount paid to Ms. Garfinkle shall be less any sums previously paid by the retirement system to any beneficiary of Mr. Mahler.

If this bill is enacted, there will be an immediate past service cost of approximately \$1.01 million which will be borne by the State of New York as a one-time payment. This estimate is based on the assumption that payment will be made on March 1, 2021.
