AN ACT granting retroactive tier V membership in the New York state and local employees' retirement system to Daniel Miller

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Notwithstanding any other provision of law, Daniel Miller, a member of the New York state and local employees' retirement system, who was employed on March 7, 2012, by the Town of Hempstead, who, for reasons not ascribable to his own negligence, did not file a membership application in such system until May 21, 2012, which gave him Tier VI status instead of Tier V status, where he would have been had he been able to file a membership application when he became a permanent employee on March 7, 2012, may be deemed to have become a member of the New York state and local employees' retirement system on March 7, 2012 if on or before December 31, 2020 he shall file with the state comptroller a written request to that effect. Upon the granting of such retroactive membership, Daniel Miller shall not be granted a refund of any employee contribution made by him to the New York state and local employees' retirement system.

- 15 § 2. Any past service costs incurred in implementing the provisions of this act shall be borne by the Town of Hempstead.
- 17 § 3. This act shall take effect immediately.

FISCAL NOTE. -- Pursuant to Legislative Law, Section 50:

This bill will grant retroactive Tier 5 status in the New York State and Local Employees' Retirement System to Daniel Miller, a current Tier 6 member employed by the Town of Hempstead, by changing his date of

membership to March 7, 2012. There will be no refund of member contributions.

If this bill is enacted during the 2020 legislative session, we anticipate that there will be an increase of approximately \$3,800 in the annual contributions of the Town of Hempstead for the fiscal year ending March 31, 2021. In future years, this cost will vary as the billing rates and salary of Daniel Miller change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of \$36,300 which will be borne by the Town of Hempstead as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2021.
